In Your Eyes Bantam

New York Times bestselling author J. Kenner kicks off a smoking hot, emotionally compelling trilogy that returns to the world of her beloved Stark novels: *Release Me*, *Claim Me*, and *Complete Me*. *Say My Name* features Jackson Steele, a strong-willed man who goes after what he wants, and Sylvia Brooks, a disciplined woman who's hard to get—and exactly who Jackson needs. I never let anyone get too close—but he's the only man who's ever made me feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong—and it could either save me or scorch me forever. Praise for *Say My Name* "Readers who need more of Kenner's racy, sizzling Stark novels will delight in this new series, set in the same decadent, lavish world. . . . Kenner has crafted a hero whose compassion is remarkable, and who is strong enough not only to apologize and to change, but to offer her the kind of love she wants and needs, as well. . . . Fans of dark, intense and emotionally scorching romances will surely adore this series opener."—RT Book Reviews "It's a heady mix of love and intrigue, and Kenner continues to deliver a knockout experience that made me long for the next book even as I was more than satisfied with this story's ending. To say more would give too

much away, and I encourage everyone who loved the original Stark trilogy to read *Say My Name* to find out what's there for themselves."—The Romance Evangelist "J. Kenner has given us one hell of a story with this start to the Stark International series. And if anyone can give Damien Stark a run for his money, it's Jackson Steele."—Cocktails and Books "If you enjoyed the Stark novels, you are going to love *Say My Name*!"—Reading Keeps Me Sane

Interview with the Billionaire Evil Eye Concepts, Incorporated

My wicked sense of humor has made me a local celebrity, but no one knows how much pain lies behind those jokes. Especially not the women who frequent my bed, because I never get too close. And I never let a woman see the real man, only the radio personality. Then I met her. Shelby Drake. Career-focused, goal-oriented, and completely buttoned-down, the shy accountant isn't the kind of woman I'd usually notice. But her soft mouth, hidden curves, and deep sensuality blow my mind. And after a drunken one-night stand, I'm certain I want more. Now I'm on a sensual mission. Because no matter what it takes, I'm going to prove to Shelby that opposites really do attract. *Who's Your Man of the Month?* When a group of fiercely determined friends realize their beloved hang-out is in danger of closing, they take matters into their own hands to bring back customers lost to a competing bar. Fighting fire with a heat of their own, they double down with the broad shoulders, six-pack abs, and bare chests of dozens of hot, local guys who they cajole, prod, and coerce into auditioning for a Man of the Month calendar. But it's not just the fate of the bar that's at stake. Because as things heat up, each of the men meets his match in this sexy, flirty, and compelling binge-read romance series of twelve novels releasing every other week from New York Times bestselling author J. Kenner. "With each novel featuring a favorite romance trope—beauty and the beast, billionaire

bad boys, friends to lovers, second chance romance, secret baby, and more—this series hits the heart and soul of romance." — New York Times bestselling author Carly Phillips Each book is a STANDALONE romance with an HEA and an overarching story about the friends and the bar. Totally hot and utterly binge-worthy! *Down On Me* *Hold On Tight* *Need You Now* *Start Me Up* *Get It On* *In Your Eyes* *Turn Me On* *Shake It Up* *All Night Long* *In Too Deep* *Light My Fire* *Walk The Line*

I haven't trusted women in a long time. Not since Brooke left me at the altar, breaking my heart and hardening my soul. Now she needs me. Or at least she needs my star power. Because the only way she'll get her television reality series on the air is if I'm part of the deal. I want to say no. After all, I've tried for years to forget her. But the hard truth is that I still want her. Even more, I want to punish her. So I'll agree, but only my terms. Provocative, demanding, and wildly sensual terms. It's the perfect set-up for extracting revenge ... but only if I don't fall for Brooke all over again. *Who's Your Man of the Month?* When a group of fiercely determined friends realize their beloved hang-out is in danger of closing, they take matters into their own hands to bring back customers lost to a competing bar. Jackson Steele and Sylvia Brooks are back in the powerful finale of a provocative, sizzling-hot trilogy set in the world of J. His hold on me is magnetic, his claim on me complete, his kiss my ultimate escape. We both harbor dark secrets that could tear our lives apart. A great series about determination, strong personalities, perseverance and standing strong under adversity. . . . A wonderful read!”—Fresh Fiction “This trilogy has everything readers look for in a series. . . . It’s loaded with intrigue, mystery, conflict, and a powerful cast of supporting characters. At the same time it is a tender, beautiful romance between two people that have struggled with their pasts. . . . This book was intense, heartbreaking, emotional, and a page-turner.”—Smut Book Junkie “Filled with all of the drama and seduction I have come to expect and love from J. When

Jackson and Sylvia are intimate, their passion is explosive and filled with wild desire. . . . The Stark International Trilogy is a must-read!”—About That Story “This story has all the passion, love, heat, and nitty gritty, provocative sex you have come to love from the first two books.”—Itsy Bitsy Book Bits “Kenner mixes a hot alpha man with a murder accusation, sabotage and sex so hot you’ll fall to your knees. . . .
