The Stars in My Sky Penguin UK

Discover this special ebook written and read by bestselling author and award-winning actress Julianne Moore! In *My Mom Is a Foreigner, But Not to Me*, Julianne Moore pays homage to all the Muttis, Mammias, and Mamans who are from another country. A foreign mom may eat, speak, and dress differently than other moms—she may wear special clothes for holidays, twist hair in strange old-fashioned braids, and cook recipes passed down from grandma. Such a mom may be different than other moms, but...she is also clearly the best. Vividly illustrated by Meilo So, this funny and heartwarming picture book about growing up in multiple cultures celebrates the diverse world in which we live. This version includes a read-along setting. If your device allows audio, you can listen along as Moore reads the story aloud!

Pakistan Sristhi Publishers & Distributors Ari Gold is known for his ruthless approach to deal-making and client relationships that made him one of, if not the, most powerful and sought-after agents in Hollywood until he retired in 2011. In his new book *THE GOLD STANDARD*, Gold will illuminate, for the first time, his unique, effective and, some would say, outrageous philosophies on running a successful business, client management, employee motivation, keeping a happy home life, and other keys to his many successes. Brash, emphatic, instructive and always wise, Gold's book will rival business and leadership bestsellers the world over. In his own words and with his trademark enthusiasm, Gold's tome will be the only book anyone wanting to make something of him or herself will ever need. Ari Gold says: "In my humble opinion, if you want to run a successful business this is the only book you'll ever have to read. And my humble opinion is never wrong."

Fatima the Gracious Springer Nature It is almost a ritual that the new army chief of Pakistan gives a strong statement against India to assure his people that he

is also a brave soldier and is fully prepared to take on India. However, the new army chief of Pakistan, General Qamar Javed Bajwa, in his statement sent two messages. While speaking to his soldiers about line of control violations during a visit to the X Corps Rawalpindi, he said, Each violation of any kind must be responded to with full force in the most effective manner. After assuring his countrymen that he will also be tough with India, he, to the surprise of some, also sent a peace message when he said, The situation at the line of control will hopefully improve soon.

In this second book of the series, you will follow Lady Sita's journey from an Adopted Child to the Prime Minister to finding her true calling. She is the warrior we need. The Goddess we await. She will defend Dharma. She will protect us. India, 3400 BCE. India is beset with divisions, resentment, and poverty. The people hate their rulers. They despise their corrupt and selfish elite. Raavan, the demon king of Lanka, grows increasingly powerful, sinking his fangs deeper into the hapless Sapt Sindhu. Two powerful tribes, the protectors of the divine land of India, decide that enough is enough. A savior is needed. They begin their search. An

abandoned baby is found in a field.

Protected by a vulture from a pack of murderous wolves. She is adopted by the ruler of Mithila, a powerless kingdom, ignored by all. Nobody believes this child will amount to much. But they are wrong. For she is no ordinary girl. She is Sita.

Having been two of the top names in fantasy art for 30 years the popularity of Boris Vallejo and his wife Julie Bell is undimmed. In 2005, Paper Tiger published a retrospective of their glittering career, 'The Ultimate Collection', gathering together the best art from three decades in one volume. This new book (named after their website) features a brand new and unseen collection of beautiful maidens, heroic men and fearsome monsters, their first collection of new work since 1994's 'Sketchbook'. A mix of commissions for magazine publishers, advertising agencies, film production companies and more, this is another must have book for all Boris and Julie fans.

Why I Killed Gandhi Lulu Press, Inc

In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as "Bollywood."

Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India's increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of

stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book that creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. "Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema's filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today's Hindi film industry, while shining fresh light on contemporary India and the world we live in." Our Moon Has Blood Clots Simon and Schuster
New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland

home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: *Her Diaries and Notebooks* is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence. *This Book Loves You* Penguin

In her second book, award-winning actor Divya Dutta recounts her experiences with some of the stalwarts of Bollywood who played a significant role in her film journey. She talks about the inspirations they have proved to be in her life through what they did for her and what she learnt from them. From winning an acting scholarship with Sonali Bendre to sharing a vanity van with Juhi Chawla and her bond with Shabana Azmi, she tells it all with rare candour and humility. Her interactions with stars like Irfan Khan, Amitabh Bachchan, Rakeysh Mehra and many more shows not only the deep impact they had on her life but also how that defined the trajectory of her own career.

 THE LIBYAN is a captivating memoir sweeping four continents and several decades on a journey of passion, terror, and betrayal. It puts a face on the lives and culture of Libya and Libyans during the early years of the ruthless dictator, Muammar Ghaddafi. It is the story of Kamal, a reluctant member of Ghaddafi's inner circle, and his American wife, bound together by passion and fate. When they return to begin a new life in Libya, they find themselves in a country terrorized by random arrests and public hangings. Driven by his longing for a better Libya, Kamal struggles to survive politically, while his wife lives in fear of her husband being arrested or killed. As Ghaddafi transformed the richest nation in Africa into the most repressed and brutalized country in the Arab world, Kamal battles to realize his dream for Libya's future, but soon becomes a target of the dreaded secret police. Forced to leave his beloved Libya and hunted by rogue CIA and Libyan agents in the United States, he joins a group of elite Libyan dissidents to establish the most powerful of all the opposition parties, the National Front for the Salvation of Libya. In the end, The Libyan has to choose between the woman he loves and his obsession to overthrow Ghaddafi. "Kofod is a brilliant observer of detail and perceptive in her descriptions of character... Her love for Libya is evident and she presented a vivid account of its modern history through the eyes of Lina and Kamal." -Libya TV (English) "The Libyan offers a unique perspective on living under one of the worst dictatorships of the 20th century...Kofod fluently weaves a tale of romance with her own observations of Libya to produce this gripping novel." -Tripoli Post, Libya" "Ms. Kofod has a strong voice and a heck of a story which she tells with integrity and

feeling." -Ethan Chorin, Author *Translating Libya*"

Dangerous Books for Girls Harper Collins
 Long before clinch covers and bodice rippers, romance novels had a bad reputation as the lowbrow lit of desperate housewives and hopeless spinsters. But why were these books—the escape and entertainment of choice for millions of women—singled out for scorn and shame? *Dangerous Books for Girls* examines the secret history of the genre's bad reputation—from the "damned mob of scribbling women" in the nineteenth century to the sexy mass-market paperbacks of the twentieth century—and shows how romance novels have inspired and empowered generations of women to dream big, refuse to settle, and believe they're worth it. For every woman who has ever hidden the cover of a romance—and every woman who has been curious about those "Fabio books"—*Dangerous Books For Girls* shows why there's no room for guilt when reading for pleasure.
