Lord Otori
Takeo and his
consort Kaede
have ruled for
over sixteen
years. The
Three
Countries are
rich, peaceful
and
prosperous.
The sacred
birds, the
Houou, nest at
Terayama and
a fabled
creature, the
Kirin, has
appeared on
their shores.
Heaven seems

to smile on them. Yet their very success has drawn them to the attention of the distant Emperor and his general, the warlord Saga Hideki, who covet the wealth of the Three Countries, especially Takeo's heir, his eldest daughter Shigeko, now of marriageable age. At the same time, the renegade Tribe family, the Kikuta, seek revenge on Takeo for the murder of their leader. Everything Takeo and

Kaede have achieved is threatened. INCLUDES an extract from HEAVEN'S NET IS WIDE PLUS three chapters of EMPEROR OF THE EIGHT ISLANDS, the first novel in Lian Hearn's spellbinding new Tale of Shikanoko series. 'One of the most thrilling series of our time.' THE TIMES '... a world that is rich with character and detail, yet effortless to read' SYDNEY MORNING HERALD 'An engrossing fantasy saga of literary

quality.' THE AGE 'Lian Hearn's marvellous storytelling talent ... makes reading these books a moment of pure bliss.' LE MONDE *My Secret Unicorn* Penguin UK This complete vegan guide to 16:8 fasting offers tried and true strategies to living healthier—and longer Intermittent fasting is one of the easiest ways to achieve better health—period . But for those of us who follow a vegan

diet, finding the balance between plant-based eating and intermittent fasting can prove challenging. In *Vegan Intermittent Fasting*, groundbreaking doctor Petra Bracht and recipe developer Mira Flatt share their completely plant-based program. You'll unlock all the benefits of fasting while still eating the foods you love (without feeling hungry). Evidence-

based 16:8 method: Eat 2 or 3 times over 8 hours (say, 11:00 am to 7:00 pm), then fast for 16 hours (including time spent asleep, of course). A complete guide to the first 14 days: *Delicious* recipes for every meal, plus a comprehensive shopping list, make it easy to adapt your lifestyle. *Guided* exercises: You'll boost your fasting plan's effectiveness while building endurance,

power, muscle control, and flexibility. *Vegan intermittent fasting* is an easy and sustainable way to improve your whole-body well-being. [*The Harsh Cry of the Heron: Book 4 Tales of the Otori*](#) Flatiron Books The renowned animal trainer shares her unique behavior management techniques to get your dog happier, healthier, less stressed, and more obedient. Animal trainer Sarah Fisher is

known for transforming the behavior of dogs who are beyond ordinary rehabilitation techniques. She also helps dog owners go beyond passive dog ownership to become observant, understanding, and proactive dog guardians. In *Unlock Your Dog's Potential*, Fisher offers step-by-step instructions to using her methods at home. With simple exercises and invaluable training

advice, you can safely and effectively reduce unwanted behaviors such as leash pulling, barking, and chewing. You will also learn to recognize symptoms of stress or concern in your dog, and how you can alleviate these tensions to improve your dog's well-being and strengthen your bond. *Unlock Your Dog's Potential* covers a wide range of unique dog management techniques,

including handling and bodywork exercises to improve movement and trainability. Case studies of dogs Fisher has worked with appear throughout the book to show how her techniques relate to real-life situations. **Gantenbein**

A playfully postmodern novel exploring questions of identity from a major Swiss writer. A man walks out of a bar and is later found dead at the wheel of his car. On the basis of a few overheard remarks and his own observations, the narrator of this novel imagines the story of this stranger, or

rather two alternative stories based on two identities the narrator has invented for him, one under the name of Enderlin, the other under the name Gantenbein. *Circus Surprise #7* David & Charles Cutting with scissors is an important fine motor skill. Especially kindergarten children should hone and fine-tune their cutting abilities. This block features lots of creative

exercises for children to try out and practise using scissors and glue. It contains templates for making masks, finger puppets, pennant banners and the like. Small puzzles are included which can be solved with scissors and glue. As a result, children create a lot of beautiful pictures which make small presents or which they can hang on the wall. The block therefore

stimulates children's creativity while they are having fun cutting and sticking.
My Secret Unicorn: A Winter Wish
Penguin
Maybe the best way to introduce this book to our audience is to quote Max Gahwyler when he read the book when it was in manuscript form: "You must publish this. It is superb!" We agree this is, truly, one of, if not the clearest, most readable books on

training dressage ever written. It's just delightful! As Egon von Neindorf, a recognized master himself, says in the Foreword, "If you are not fortunate enough to be taught by Walter Zettl personally, he gives you in this book a very valuable guide to the art of classical riding. In clearly worked out and easy to understand chapters, he takes you through each step of the training stages,

discusses problems that occur, and assists with competent, sensible corrections, from Beginner to becoming a Master. With Walter Zettl's guidance, it is made possible." *Family, Friends and Furry Creatures* Pumpkin House Company It all started when Lauren first moved to the countryside from the city and discovered that her ordinary little pony was

anything but ordinary, for when she recited a secret spell, Twilight turned into a unicorn with magical powers! From that moment on, Lauren and Twilight learned how to use magic to help their friends solve their problems. And now Lauren and Twilight are back in a magical new and exciting wintertime adventure. **From My Hands to Yours** Pearson Education India

Immanuel Tremellius (c.1510-1580) was one of the most distinguished scholars of the Reformation era. Following his conversion to Christianity from Judaism, he rose to prominence in the mid-sixteenth century as a professor of Hebrew and Old Testament studies, teaching in numerous highly prestigious Reformed academies and universities across northern Europe.

Through his activities in the classroom, and his connections with many of the leading religious and political figures of the age, he had a significant impact on the world around him; but through his published writings, some of which were printed through until the eighteenth century, his influence extended long beyond his death. This study of Tremellius' life and works, his first biography since the

nineteenth-century, and the first ever full-length study, uses a chronological framework to trace his spiritual journey from Judaism through Catholicism and on to Calvinism, as well as his physical journey across Europe. Into this structure is woven a broader thematic analysis of Tremellius' place within the history of the Reformation, both as a Christian scholar and

teacher, and as a converted Jew. The book includes a detailed examination of Tremellius' two most important publications, his Latin translations of the New Testament from Syriac, of 1569, and of the Old Testament from Hebrew, of 1575-1579. By looking at their composition, the figures to whom they were dedicated, their appearance, textual annotations, choice of

language and publishing history, much is revealed about biblical scholarship in the sixteenth century as a whole, and about the roles which these works, in particular, would have filled. It is on these works, above all, that Tremellius' long-term international reputation rests. Encompassing issues of theology, education and religious identity, this book not only provides a fascinating biography of

one of the most neglected biblical scholars of the sixteenth century, but also sheds much light on th

Dog Days

Hauschka-Verlag Thirteen is the legal thriller Lee Child, Michael Connelly, and Ruth Ware are raving about and readers can't put down. "Outstanding - an intriguing premise, a tense, gripping build-up, and a spectacular climax. This guy is the real

deal. Trust me." —Lee Child "A dead bang BEAST of a book that expertly combines Cavanagh's authority on the law with an absolutely great thrill ride. Books this ingenious don't come along very often."

—Michael Connelly It's the murder trial of the century. And Joshua Kane has killed to get the best seat in the house - and to be sure the wrong man goes down for the crime. Because this

time, the killer isn't on trial. He's on the jury. But there's someone on his tail. Former-conman-turned-criminal-defense-attorney Eddie Flynn doesn't believe that his movie-star client killed two people. He suspects that the real killer is closer than they think - but who would guess just how close? "A brilliant, twisty, ingeniously constructed puzzle of a book. Steve

Cavanagh pulls off an enviable premise with panache." —Ruth Ware
