British Soldiers of the Korean War U of Nebraska Press
FOLLOWING IN THE FOOTSTEPS OF GREAT NATURE WRITERS
SUCH AS E.O. WILSON AND CHARMING MEMOIRS LIKE GERALD
DURRELL'S MY FAMILY AND OTHER ANIMALS, THIS FASCINATING
BOOK WILL ALTER THE WAY WE THINK ABOUT BUMBLEBEES.
Dave Goulson became obsessed with wildlife as a small boy
growing up in rural Shropshire, starting with an increasingly
exotic menagerie of pets. When his interest turned to the
anatomical, there were even some ill-fated experiments with
taxidermy. But bees are where Goulson's true passion lies—the
humble bumblebee in particular. Once commonly found in the
marshes of Kent, the English short-haired bumblebee went
extinct in the United Kingdom, but by a twist of fate still exists in
the wilds of New Zealand, the descendants of a few pairs shipped

over in the nineteenth century. Dave Goulson's passionate quest
to reintroduce it to its native land is one of the highlights of a
book that includes original research into the habits of these
mysterious creatures, history's relationship with the bumblebee,
and advice on how to protect the bumblebee for future
generations. One of the United Kingdom's most respected
conservationists and the founder of the Bumblebee Conservation
Trust, Goulson combines lighthearted tales of a child's growing
passion for nature with a deep insight into the crucial importance
of the bumblebee. He details the minutiae of life in the nest,
sharing fascinating research into the effects intensive farming
has had on our bee population and the potential dangers if we
are to continue down this path.

Out of the Crazywoods Abrams

Have you ever seen a person who deliberately wants be fat and
sick? You are that person if you don't take things into your own
hands now! It's been proven that a whole food plant-based diet is
good for optimal weight and health. Furthermore, your wallet as

well as the environment will thank you. Are you feeling overwhelmed about all the new information and ways you should learn and are therefore scared to start? Don't worry, because you're not alone: *Plant-Based Made Easy* is a foolproof and utterly practical guide that covers all aspects in your life making the change simple and enjoyable! After all, it was written based on a personal experience. Plant-based certificate graduate from eCornell and featured blogger Nele Liivlaid transitioned to plant-based eating 5 years ago to change her and her family's health to better. Shortly after, she started advocating plant-based lifestyle through her blog and offering meal plans to make the transition easier for others. Very soon she realized that a much more thorough guide covering all aspects of life is much needed and started writing this book. Here, she brings that experience to you, backed by scientific evidence. In this comprehensive and very practical guide, Nele will show you through the transition: Step 1: First, learn the basics about balanced plant-based diet: macros, micros, blood sugar control, cravings and needs, role of exercise, and necessary blood tests. Step 2: Then, prepare your kitchen and pantry and learn how to shop and read labels not to be fooled by marketers or harming your budget. Step 3: Thirdly, compile yourself a balanced plant-based meal plan and master yourself in cooking without animal products, sugars, oils and other refined foods while successfully engaging your kids. Step 4: You are not alone in this world, so handle challenges with your family and friends while hosting or visiting. Step 5: Also, you need to get yourself out of your kitchen once in a while, so learn tricks and hacks on dining out, and keeping on the track while travelling or even being hospitalized. Step 6: Finally, be a champion by

learning from other people's success. In addition, at the end of *Plant-Based Made Easy*, Nele gives you a 2-week meal plan with breakfasts, lunches, dinners, snacks and desserts beautifully laid out for you. The meal plan contains 40 delicious and easy recipes + 15 extra recipes to add to your daily menu. Whether you're a plant-based newbie looking to shed pounds or a seasoned vegan in search of fresh inspiration and navigational skills, *PLANT-BASED MADE EASY* is your essential, definitive guide—for a happier, healthier, and longer life.

The Testimonies of Slaves Tuttle Publishing

A post-WWII love affair is eroded by suspicions of murder, from the Edgar Award-winning author of the *Chronicles of Brother Cadfael*. Talented potter Suspiria Freeland and her painter husband, Theo, survived the Blitz and are living among fellow artists in a bombed-out London suburb. But since the war's terror ended, Theo's drunken self-loathing has become even harder for his long-suffering wife to bear. When Dennis Forbes enters their lives, Suspiria is immediately drawn to the handsome young mechanic. Though he obviously shares her passionate attraction, he is fourteen years her junior and she, of course, is married . . . until Theo's lifeless body is discovered. Theo's death from poison leaves his widow free to love and marry her much younger paramour. But their newfound happiness is soon threatened on all sides—by a community's gossip and mistrust, by a legal

system determined to enact justice at any price, and by the lovers themselves, as suspicion continues to mount that one of them is a murderer. This stand-alone novel of forbidden love, suspicion, and suspense is further evidence why the Financial Times called Edgar, Agatha, and Gold Dagger Award-winning author Ellis Peters “a cult figure of crime fiction.”

Corneille: Three Masterpieces Bloomsbury Publishing
Musaicum Books presents to you this meticulously collection of hundreds of life stories, recorded interviews and incredible vivid testimonies of former slaves from the American southern states, including photos of the people being interviewed and their extraordinary narratives. After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 U.S. states that would otherwise have been lost in din of modernity and America's eagerness to deliberately forget the blot on its recent past.

The twenty-fifth semi-annual Munk Debate, held on December 4, 2019, pits editorial director and publisher of the Nation Katrina vanden Heuvel and former finance minister of Greece Yanis Varoufakis against Harvard professor Arthur Brooks and New York Times columnist David Brooks to debate whether the capitalist system is broken. “We need to organise politically to defend the weak, empower the many, and prepare the ground for reversing the absurdities of capitalism.” — Yanis Varoufakis
In Western societies, the capitalist system is facing a level of distrust not seen in decades. Economic inequality is rampant. Life expectancy is falling. The environment is being destroyed for profit. Political power is wielded by wealthy elites and big business. For capitalism's critics, it is clear that the system is not designed to help average people. Their solution is a top-to-bottom reform of the “free market” along more socialist and democratic lines. For proponents of capitalism, however, this system has been the greatest engine of economic and social progress in history. Not only has capitalism made all of us materially better off, its ideals are responsible for everything from women's rights to a cleaner environment to political freedoms. The answer to society's current ills is more capitalism, more economic freedom, and more free markets. The twenty-fifth semi-annual Munk Debate, held on December 4, 2019, pits editorial director and publisher of the Nation Katrina vanden Heuvel and former finance minister of Greece Yanis Varoufakis against Harvard professor Arthur Brooks and New York Times columnist David Brooks to debate whether

the capitalist system is broken.

Oppo - The Mystical Mirror Clarkson Potter

Alexis's long-awaited second novel follows his award-winning *Childhood*. Set in Ottawa during the Mulroney years, *Asylum* is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit, intellectual grist. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has written *The Great Canadian Novel*, with a twist.

A Sting in the Tale Chelsea Green Publishing

Fifty Places to Surf Before You Die is a beautifully illustrated guide to the most thrilling surfing destinations in the world. Covering quintessential beaches, including: Oahu's North Shore; Australia's Gold Coast; and of course, Malibu, California, the book also invites you to discover such unexpected gems as the

Amazon and the Gulf of Alaska. From the frigid waters off Iceland's Reykjanes Peninsula to Nazaré, Portugal, where in 2013 Garrett McNamara broke a world record for surfing the tallest wave (78 feet!), *Fifty Places to Surf* takes readers on a wide-ranging adventure, divulging the details that make each venue unique—and plenty of tips for those who aspire to surf there. Featuring interviews with seasoned surfing experts such as pro surfer Joel Parkinson and Billabong executive Shannan North, *Fifty Places to Surf Before You Die* is an essential travel companion for surfers of all levels who are looking to catch that perfect wave.

InfoWorld Nutriplanet

Jim is a part time archeologist and finds emblems on an old mausoleum in an old part of a cemetery, sees some kind of inscriptions cannot make out the what it is, so he removes one. Jim inadvertently breaks a seal containing an untold evil, and starts to see horrific figures following him, eager to find out what the inscription means Jim does research, and when he does find out its too late. The inscriptions translate "He who breaks the seal is doomed." Jim tries to put back the emblem but to no avail, he is doomed and is taken by the evil into the mausoleum never to return. At the same time a young man Jason walking the cemetery reading tombstones sees the door of the mausoleum open, and looks in and sees something not meant to be seen by man, now his life is in danger. Until the ones that put the evil in the mausoleum finds out, now its a battle to save him and other mortals from this evil.

Teens and territory in 'post-conflict' Belfast Picador

Betty and Walt Rollin are bird watching at Pea Island National

Wildlife Refuge on the Outer Banks of North Carolina, avoiding Talkative Ted and Clingy Caroline, their overbearing neighbors at the RV "resort" where they've been staying. When Betty spots a very non-avian body at the edge of a far pond, she and Walt are drawn into the investigation. What they discover threatens to uncover long-held secrets that could ruin local reputations, and plunges these retired, full-time RVers up to their necks in the deep sand of local politics and passions.

"*Getting Paid*" Lulu Press, Inc

From #1 New York Times bestselling author Terry McMillan

comes an honest look at a modern romance, from love at first sight to painful reality to working toward a happy ending.... Franklin Swift was a sometimes-employed construction worker and a not-quite-divorced dad of two. Zora Banks was a teacher, singer, and songwriter. They met in a Brooklyn brownstone, and there could be no walking away.... In this funny, gritty love story, Franklin and Zora join the ranks of fiction's most compelling couples as they move from Scrabble to sex, from layoffs to the limits of faith and trust. *Disappearing Acts* is about the mystery of desire and the burdens of the past. It's about respect—what it can and can't survive. And it's about the safe and secret places that only love can find.

The stories behind Australia's many, many strange, inappropriate and downright hilarious place names. From Dismal Swamp to Useless Loop, Intercourse Island to Dead Mans Gully, Mount Buggery to Nowhere Else, Australia has some of the strangest, funniest, weirdest and most out-of-place names going - now described and explained in one humorous and fascinating book. Australia's vast spaces and irreverent, larrikin history have given us some of the best place names in the world. Ranging from the less than positive (Linger and Die Hill, NSW), to the indelicate (Scented Knob, WA), the idiotic (Eggs and Bacon Bay, TAS) to the inappropriate and the just plain fascinating, MOUNT BUGGERY TO NOWHERE ELSE is a toponymical journey through this nation of weird and wonderful places. 'A hilarious and unusual tour of Australia and its history.' DAILY TELEGRAPH

Oh, the Places You'll Go! Apa Publications (UK) Limited

The Reichmanns are a prosperous farming family. The envy of

Blue Earth County, Minnesota, they delight in their good fortune and their three young sons. But when the Second World War shatters their dreams, the youngest, Billy Ray, vows to conquer the world that has so betrayed them. It's no accident that he becomes an enormously successful oil prospector, driven to tame the land that makes him rich and powerful, yet always leaves him wanting. Moving from the oil fields of Alaska to the country estates of the English aristocracy, Billy Ray seeks forgiveness in the arms of the women he seduces, and deliverance from the land he so ruthlessly exploits.

The Future of Capitalism Macmillan

In somethingtofoodabout, drummer, producer, musical director, culinary entrepreneur, and New York Times bestselling author, Questlove, applies his boundless curiosity to the world of food. In conversations with ten innovative chefs in America, Questlove explores what makes their creativity tick, how they see the world through their cooking and how their cooking teaches them to see the world. The conversations begin with food but they end

wherever food takes them. Food is fuel. Food is culture. Food is history. And food is food for thought. Featuring conversations with: Nathan Myhrvold, Modernist Cuisine Lab, Seattle; Daniel Humm, Eleven Madison Park, and NoMad, NYC; Michael Solomonov, Zahav, Philadelphia; Ludo Lefebvre, Trois Mec, L.A.; Dave Beran, Next, Chicago; Donald Link, Cochon, New Orleans; Dominique Crenn, Atelier Crenn, San Francisco; Daniel Patterson, Coi and Loco'l, San Francisco; Jesse Griffiths, Dai Due, Austin; and Ryan Roadhouse, Nodoguro, Portland

Mount Buggery to Nowhere Else Manchester University Press
Out of the Crazywoods is the riveting and insightful story of Abenaki poet Cheryl Savageau's late-life diagnosis of bipolar disorder. Without sensationalizing, she takes the reader inside the experience of a rapid-cycling variant of the disorder, providing a lens through which to understand it and a road map for navigating the illness. The structure of her story--impressionistic, fragmented--is an embodiment of the bipolar experience and a way of perceiving the world. Out of the Crazywoods takes the reader into the euphoria of mania as well as its ugly, agitated rage and into "the lying down of desire" that is depression. Savageau articulates the joy of being consort to a god and the terror of being chased by witchcraft, the sound of

voices that are always chattering in your head, the smell of wet ashes that invades your home, the perception that people are moving in slow motion and death lurks at every turnpike, and the feeling of being loved by the universe and despised by everyone you've ever known. Central to the journey out of the Crazywoods is the sensitive child who becomes a poet and writer who finds clarity in her art and a reason to heal in her grandchildren. Her journey reveals the stigma and the social, personal, and economic consequences of the illness but reminds us that the disease is not the person. Grounded in Abenaki culture, Savageau questions cultural definitions of madness and charts a path to recovery through a combination of medications, psychotherapy, and ceremony.

New Mexico Humanities Review RH Childrens Books

Loretta Wallis is a girl with an outrageous imagination that hijacks her mind at any moment. Can anything match it? After her family move to London they start seeing Aunt Doris, whose late husband Walter had been an inventor extraordinaire. Aunt Doris thereby keeps a secret which is perhaps too extreme to tell. When the secret is eventually revealed to Loretta and her brother Mark, Aunt Doris is unable to guess what will happen next. So it is that events spiral out of control as the dangers which result from our everyday lives become an ever-increasing threat.
