Discover the Regency romance writer all your favorite authors adore: "You're in for a treat." —NORA ROBERTS "One of the great protagonists of the historical novel." —PHILIPPA GREGORY "She's the original." —JULIA QUINN "Georgette Heyer created a genre so rich that thousands of us have been mining it ever since."—LORETTA CHASE "No one has ever matched Georgette Heyer for charm and wit."—LISA KLEYPAS "Georgette Heyer's legacy is a gift to all of us who love the Regency period."—LORRAINE HEATH "Georgette Heyer's Regency romances are my perennial favorites!"—LENORA BELL Horatia Winwood is simply helping her family. When the Earl of Rule proposes marriage to her sister Lizzie, Horatia offers herself instead. Her sister is already in love with someone else, and Horatia is willing to sacrifice herself and tell a few convenient lies for her family's happiness. Everyone knows she's no beauty, but she'll do her best to keep out of the Earl's way and make him a good wife. And then the Earl's archenemy, Sir Robert, sets out to ruin her reputation... The Earl of Rule has found just the wife he wants. Unbeknownst to Horatia, the Earl is enchanted by her. There's simply no way he's going to let her get into trouble. Overcoming some misguided help from Horatia's harebrained brother and a hired highwayman, the Earl routs his old enemy, and wins over his young wife—proving theirs was no accidental marriage and gifting her with a love that she never thought she could expect.

The deeply affecting second novel of theAlexandria Quartet, which boldly questions perception and the nature of contemporary love In Alexandria, Egypt, in the years before World War II, Durrell’s narrator, Darley, seeks to fully understand his sexual obsession with two women: the infamous Justine, and Melissa, a dancer. In Darley’s conversations with Balthazar, a doctor and mystic, it soon becomes clear that Darley’s fixation is more complex and ominous than either man could have imagined. Layered and unflinching, Balthazar is a poignant examination of the modern psyche, and a study of a world where love can become consumed by deceit. This ebook contains a new introduction by Jan Morris.

Bard of Avon ReadHowYouWant.com

William Shakespeare was the son of a glovemaker, a small-town boy with a grammar school education. Yet he grew up to become the greatest English-speaking playwright in the world. Bard of Avon: The Story of William Shakespeare is both his story and that of a great art rediscovered in the modern world. Drama had been forgotten since the days of ancient Greece, but it reemerged in Elizabethan London with the building of the first modern theater. Its impact can still be imagined today. There were the theaters, open to the weather and featuring neither sets nor curtains, but equipped with dramatic special effects. There were the companies of actors--the leading men, the comedians, the boys who played women's roles--and the playwrights who gave them all lines to say. Best of all, there was William Shakespeare, who rubbed shoulders with noblemen and royalty as well as with the rowdy crowds at the foot of the stage. He was suspected of involvement in a treasonous rebellion, and his last play literally brought down the house when cannon effects set fire to the famous Globe theater and it burned to the ground. Award-winning collaborators Diane Stanley and Peter Vennema have once again created a feast of words and pictures to celebrate the life of a remarkable person from the pages of history: William Shakespeare, a man for all time."

The Valancourt Book of Victorian Christmas Ghost Stories Arrow Books

One of the finest novels by iconic British author Charles Dickens, this Victorian tale follows the good-natured orphan Pip as he makes his way through life. As a boy, Pip crosses paths with a convict named Magwitch, a man who will heavily influence Pip’s adulthood. Meanwhile, the earnest young man falls for the beautiful Estella, the adoptive daughter of the affluent and eccentric Miss Havisham. Widely considered to be Dickens's last great book, the story is steeped in romance and features the writer's familiar themes of crime, punishment, and societal struggle.

Christmas Stories from Household Words and All the Year Round Univ of California Press

Charles Dickens' "A Christmas Carol" is a holiday favorite and this new book, written in the style of Dickens, tells the story from the perspective of the character who was a ruthless taskmaster business partner who taught and influenced Scrooge and then saved him from the brink of a terrible fate. "Jacob T. Marley" is to "A Christmas Carol" as the world-famous "Wicked" is to "The Wizard of Oz" and is a masterfully crafted story teaching us, once again, the true meaning of Christmas.

Promotion of health has become a central feature of health policy at local, national and international levels, forming part of global health initiatives such as those endorsed by the World Health Organisation. The issues examined in The Sociology of Health Promotion include sociology of risk, the body, consumption, processes of surveillance and normalisation and considerations relating to race and gender in the implementation of health programmes. It will be invaluable reading for students, health promoters, public health doctors and academics.

The Metamorphosis Kings Road Publishing

The secret of the title is the parentage of the heroine, Rosamund Treverton, who has been passed off as the daughter of the wealthy former actress Mrs Treverton of Porthgenna Tower, but is in fact the illegitimate child of her servant Sarah Leeson by a local miner (Mrs Treverton's motive was to provide her husband with a child, being apparently unable to bear children herself). Sarah writes down the details of the secret from the words of the dying Mrs Treverton, and hides the paper bearing the message in an unused room at Porthgenna. The novel then jumps forward some twenty years. Rosamund has married the blind Leonard Frankland, who now owns Porthgenna Tower. Sarah, under an assumed name, obtains a post as servant to the family, and gives Rosamund a cryptic warning to avoid the room in which the Secret is hidden. On a visit to Porthgenna, Rosamund finds the paper detailing the Secret and reveals it to Leonard. Leonard, who was originally deceived into thinking Rosamund was a wealthy heiress, accepts that his wife is illegitimate, but refuses to accept her inheritance. In the course of things, this would now pass to Mrs Treverton's miserly brother Andrew (whose introduction, together with his villainous servant, provides some comic relief in the novel). But Andrew Treverton, somewhat out of character, refuses to accept the windfall and Rosamund remains the heiress of the Trevertons in the expected happy ending.

The Woman in White (Annotated) Bloomsbury Publishing USA

In all her twenty-five years, lovely Venetia Lanyon has never been further than Harrogate, nor enjoyed the attentions of any but her two wearisomely persistent suitors. Then, in one extraordinary encounter, she meets a neighbour she only knows by reputation - the infamous Lord Damerel - and before she knows better, is egging on a libertine whose way of life has scandalised the North Riding for years.

Discover timeless favourites from The Jungle Book and Alice’s Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night-Time.

Processes, Beliefs, and Questions Shadow Mountain

The Woman in White is an epistolary novel written Wilkie Collins in 1859, serialized in 1859-1860, and first published in book form in 1860. It is considered to be among the first mystery novels and is...

Armadale Springer Science & Business Media

Gregor Samsa, a traveling salesman, wakes up in his bed to find himself transformed into a large insect. He looks around his room, which appears normal, and decides to go back to sleep to forget about what has happened. He attempts to roll over, only to discover that he cannot due to his new body-he is stuck on his hard, convex back. He tries to scratch an itch on his stomach, but when he touches himself with one of his many new legs, he is disgusted. He reflects on how dreary life as a traveling salesman is and how he would quit if his parents and sister did not depend so much on his income. He turns to the clock and sees that he has overslept and missed his train to work.

The Great Gatsby: A Graphic Novel Adaptation Collector's Library

Prepare to meet with witches, ghosts, mad kings and murderers in these retellings of ten of the best-known Shakespeare plays. The moving and tragic events of Romeo and Juliet; the chilling and bloody actions in Macbeth and the unearthly and mysterious happenings of The Tempest are just some of the stirring retellings this book contains.

Full Tilt Candlewick Press

Little Dorrit was a serialized novel published between 1855 and 1857. The motif of the novel was confinement and its horrible psychological impacts. The story revolves around Amy Dorrit, whose father was imprisoned in the Marshalsea Prison for debtors and was known as ""The Father of Marshalsea."" This masterpiece reflects the hypocrisy of the bungling government and decaying society.

The Sociology of Health Promotion Crown

The Bloomsbury Christening is a short story by Charles Dickens.Charles John Huffam Dickens (7 February 1812 – 9 June 1870) was an English writer and social critic. He created some of the world's most memorable fictional characters and is generally regarded as the greatest novelist of the Victorian period. During his life, his works enjoyed unprecedented fame, and by the twentieth century his literary genius was broadly acknowledged by critics and scholars. His novels and short stories continue to be widely popular.Born in Portsmouth, England, Dickens was forced to leave school to

work in a factory when his father was thrown into debtors' prison. Although he had little formal education, his early impoverishment drove him to succeed. Over his career he edited a weekly journal for 20 years, wrote 15 novels, five novellas and hundreds of short stories and non-fiction articles, lectured and performed extensively, was an indefatigable letter writer, and campaigned vigorously for children's rights, education, and other social reforms. Dickens sprang to fame with the 1836 serial publication of *The Pickwick Papers*. Within a few years he had become an international literary celebrity, famous for his humour, satire, and keen observation of character and society. His novels, most published in monthly or weekly installments, pioneered the serial publication of narrative fiction, which became the dominant Victorian mode for novel publication. The installment format allowed Dickens to evaluate his audience's reaction, and he often modified his plot and character development based on such feedback. For example, when his wife's chiropodist expressed distress at the way Miss Mowcher in *David Copperfield* seemed to reflect her disabilities, Dickens went on to improve the character with positive features. Fagin in *Oliver Twist* apparently mirrors the famous fence Ikey Solomon; His caricature of Leigh Hunt in the figure of Mr Skimpole in *Bleak House* was likewise toned down on advice from some of his friends, as they read episodes. In the same novel, both Lawrence Boythorne and Mooney the beadle are drawn from real life—Boythorne from Walter Savage Landor and Mooney from 'Looney', a beadle at Salisbury Square. His plots were carefully constructed, and Dickens often wove in elements from topical events into his narratives. Masses of the illiterate poor chipped in ha'pennies to have each new monthly episode read to them, opening up and inspiring a new class of readers.

SECTION I In 1972, Donald Davison and Gilbert Hannan wrote in the introduction to the volume *Semantics of Natural Language*: "The success of linguistics in treating natural languages as formal ~yntactic systems has aroused the interest of a number of linguists in a parallel or related development of semantics. For the most part quite independently, many philosophers and logicians have recently been applying formal semantic methods to structures increasingly like natural languages. While differences in training, method and vocabulary tend to veil the fact, philosophers and linguists are converging, it seems, on a common set of interrelated problems. " Davidson and Harman called for an interdisciplinary dialogue of linguists, philosophers and logicians on the semantics of natural language, and during the last ten years such an enterprise has proved extremely fruitful. Thanks to the cooperative effort in these several fields, the last decade has brought about striking progress in our understanding of the semantics of natural language. This work on semantics has typically paid little attention to psychological aspects of meaning. Thus, psychologists or computer scientists working on artificial intelligence were not invited to join the forces in the influential introduction of *Semantics of Natural Language*. No doubt it was felt that while psychological aspects of language are important in their own right, they are not relevant to our immediate semantic concerns. In the last few years, several linguists and logicians have come to question the fundamental anti-psychological assumptions underlying their theorizing.

[The Peculiar Poetry Book of Funny Christmas Verse](#) Doubleday Canada

A beloved, bestselling classic of humorous and nostalgic Americana—the book that inspired the equally classic Yuletide film and the live musical on Fox. The holiday film *A Christmas Story*, first released in 1983, has become a bona fide Christmas perennial, gaining in stature and fame with each succeeding year. Its affectionate, wacky, and wryly realistic portrayal of an American family's typical Christmas joys and travails in small-town Depression-era Indiana has entered our imagination and our hearts with a force equal to *It's a Wonderful Life* and *Miracle on 34th Street*. This edition

of *A Christmas Story* gathers together in one hilarious volume the gems of autobiographical humor that Jean Shepherd drew upon to create this enduring film. Here is young Ralphie Parker's shocking discovery that his decoder ring is really a device to promote Ovaltine; his mother and father's pitched battle over the fate of a lascivious leg lamp; the unleashed and unnerving savagery of Ralphie's duel in the show with the odious bullies Scut Farkas and Grover Dill; and, most crucially, Ralphie's unstoppable campaign to get Santa—or anyone else—to give him a Red Ryder carbine action 200-shot range model air rifle. Who cares that the whole adult world is telling him, "You'll shoot your eye out, kid"? The pieces that comprise *A Christmas Story*, previously published in the larger collections *In God We Trust*, *All Others Pay Cash* and *Wanda Hickey's Night of Golden Memories*, coalesce in a magical fashion to become an irresistible piece of Americana, quite the equal of the film in its ability to warm the heart and tickle the funny bone.

Delightful tale of a little girl's love for an enchanted nutcracker, with all the wonderful scenes. Large, easy-to-read type, 30 new illustrations.

[Grown Ups](#) Clipper Audio

The first-ever collection of Victorian Christmas ghost stories, culled from rare 19th-century periodicals During the Victorian era, it became traditional for publishers of newspapers and magazines to print ghost stories during the Christmas season for chilling winter reading by the fireside or candlelight. Now for the first time thirteen of these tales are collected here, including a wide range of stories from a diverse group of authors, some well-known, others anonymous or forgotten. Readers whose only previous experience with Victorian Christmas ghost stories has been Charles Dickens's "A Christmas Carol" will be surprised and delighted at the astonishing variety of ghostly tales in this volume. "In the sickly light I saw it lying on the bed, with its grim head on the pillow. A man? Or a corpse arisen from its unhallowed grave, and awaiting the demon that animated it?" - John Berwick Harwood, "Horror: A True Tale" "Suddenly I aroused with a start and as ghostly a thrill of horror as ever I remember to have felt in my life. Something--what, I knew not--seemed near, something nameless, but unutterably awful." - Ada Buisson, "The Ghost's Summons" "There was no longer any question what she was, or any thought of her being a living being. Upon a face which wore the fixed features of a corpse were imprinted the traces of the vilest and most hideous passions which had animated her while she lived." - Walter Scott, "The Tapestry Chamber"

Balthazar Courier Corporation

Packed full of funny Christmas poems, parodies and nonsense verse by contemporary UK poets Max Scratchmann, Paul Curtis and Patrick Winstanley, *The Peculiar Poetry Collection of Funny Christmas Verse* distills the true spirit of Christmas - comic, misanthropic, dyspeptic, or sometimes just sick. The collection is presented chronologically, taking the reader in seven easy leaps from the eager anticipation of Christmas, through the fun and festivities, to the bitter aftertaste. Meet Pip, the ineffably jolly penguin who gets on everyone's tits, revel in the feminist retelling of the story of The Three Wise Men and discover the feminine hygiene product set to be a Christmas sensation. Oddly compelling and compellingly odd, you'll enjoy a roller coaster ride through the festive peaks - drinking, feasting and flirtation - and troughs - hangovers, religion and relations - in an anthology overflowing with Christmas good cheer. Perfect as a present for a hard to please relative (any relative!), a secret Santa gift for a colleague, or a small indulgence for oneself, *The Peculiar Poetry Collection of Funny Christmas Verse* is ribald, riotous and on occasion very rude.
