DEACON MAYO

The Pilgrim Conspiracy
HarperCollins UK
When Emilia de Wit ran

away to New York City, she planned everything to a T. Plane ticket, purchased. Cute apartment, rented online. Subway map,

printed and highlighted. This was no ordinary trip -- this was Emilia's declaration of independence. Her chance to escape the disaster her

life has become. To get away from the horrible scandal that has rocked Amsterdam, the scandal that is all her dad's fault. To see if her mom, the glamorous, world-famous artist, will even notice. New York steals Emilia's heart at first sight -- even though absolutely nothing goes to plan. She didn't plan to end up homeless on a stranger's doorstep. She didn't plan to make friends with Seth,

Abby, and Jim. And she could never have known that Hurricane Sandy would be barreling up the coast, straight for the city. All she wanted was to get away from her parents, her problems, her life... but when the storm hits and the power goes out, Emilia feels farther from home than she could have imagined. *The Lost Library* Amsterdam University Press
This book

argues that the history of colonial empires has been shaped to a considerable extent by negative emotions such as anxiety, fear and embarrassment as well as by the regular occurrence of panics. The case studies it assembles examine the various ways in which panics and anxieties were generated in imperial situations and how they shook up the dynamics between seemingly all-

powerful colonizers and the apparently defenceless colonized. Drawing from examples of the British, Dutch and German colonial experience, the volume sketches out some of the main areas (such as disease, native 'savagery' or sexual transgression) that generated panics or created anxieties in colonial settings and analyses the most common varieties of

practical, discursive and epistemic strategies adopted by the colonisers to curb the perceived threats.

St. Peter's Mystery The History Press "A riveting adventure for the soul . . . just the kind of evocative historical fiction I love."—Sara Gruen, author of *At the Water's Edge* and *Water for Elephants* An epic, inspiring novel about one woman's survival in the hardscrabble Italian countryside

and her determination to protect her family throughout the Second World War—by any means possible Maria Vittoria is twenty-five when her father brings home the man who will become her husband. It is 1923 in the austere Italian mountain village where her family has lived for generations, and the man she sees is tall and handsome and has survived the First World War without

any noticeable scars. Taking just the linens she has sewn that make up her dowry and a statue of the Madonna that sits by her bedside, Maria leaves the only life she has ever known to begin a family. But her future will not be what she imagines. The Madonna of the Mountains follows Maria over the next three decades, as she moves to the town where she and her husband become shopkeepers, through the

birth of their five children, through the hardships and cruelties of the National Fascist Party Rule and the Second World War. Struggling with the cost of survival at a time when food is scarce and allegiances are questioned, Maria trusts no one and fears everyone—her Fascist cousin, the madwoman from her childhood, her watchful neighbors, the Nazis and the Partisans who

show up hungry at her door. As Maria's children grow up and her marriage endures its own hardships, she must hold her family together with resilience, love, and faith, until she makes a fateful decision that will change the course of all their lives. A sweeping saga about womanhood, loyalty, war, religion, family, food, motherhood, and marriage, *The Madonna of the*

Mountains is a poignant look at the span of one woman's life as the rules change and her world becomes unrecognizable. In depicting the great cost of war and the ineluctable power of time on a life, Elise Valmorbida has created an unforgettable portrait of a woman navigating both the unforeseen and the inevitable. Advance praise for Madonna of the Mountains "The moral and ethical

questions raised propel the story beyond the particulars into the universal."—Kirkus Reviews "It is a bewitching but entirely un sentimental portrait of one woman's attempt to keep her family safe in turbulent times."—The Times (UK), Book of the Month "A solid choice for readers who appreciate layered family sagas."—Library Journal
The Lost Order New York : Bartlett and Welford

THE AMAZING NEW THRILLER FROM TERRY HAYES. IF YOU THOUGHT I AM PILGRIM WAS GOOD... *The Year of the Locust* HarperCollins UK Perfect for fans of Dan Brown, Robert Harris and Scott Mariani [Historicizing Colonial Nostalgia](#) BoD - Books on Demand Comparative study of the writings and strategies of European women in two colonies, French Algeria and British Kenya, during

the twentieth century. Its central theme is women's discursive contribution to the construction of colonial nostalgia. *Putnam's Word Book* Random House Newly revised and in paperback for the first time, this definitive, annotated edition of T. S. Eliot's "The Waste Land" includes as a bonus "all the essays Eliot wrote as he was composing his masterpiece. Enriched with period

photographs, a London map of cited locations, groundbreaking information on the origins of the work, and full annotations, the volume is itself a landmark in literary history. "More than any previous editor, Rainey provides the reader with every resource that might help explain the genesis and significance of the poem. . . . The most imaginative and useful edition of "The Waste Land"

ever published."-- Adam Kirsch, "New Criterion"
 "'For the student or for anyone who wants to get the maximum amount of information out of a foundational modernist work, this is the best available edition.'"-- "Publishers Weekly"
Detective Fiction and the Problem of Knowledge
 Pan
 He was the keeper - Arno Holvstrund is about to die, his life cut short by an organization

intent on taking all of his secrets about the one thing he has spent a lifetime guarding: the whereabouts and vast knowledge of the Library of Alexandria. She will inherit his legacy - Emily Wess is about to have her life change beyond all recognition. One minute she is a professor of history, the next she is flying around the world deciphering clues left by her mentor Arno

Holvstrund. Is she being tested? They will kill for control - they are the Council and crave power and position. Their corruption spreads from the highest points of government to the assassins they hire to commit their crimes. They will kill for the ancient knowledge contained in the Library. And Emily Wess has exactly what they want. *We are Imazighen* Penguin A book about

a tiny island with a huge history, from the New York Times bestselling author of Valiant Ambition and In the Hurricane's Eye. "For everyone who loves Nantucket Island this is the indispensable book." —Russell Baker In his first book of history, Nathaniel Philbrick reveals the people and the stories behind what was once the whaling capital of the

world. Beyond its charm, quaint local traditions, and whaling yarns, Philbrick explores the origins of Nantucket in this comprehensive history. From the English settlers who thought they were purchasing a “Native American ghost town” but actually found a fully realized society, through the rise and fall of the then thriving whaling industry, the story of

Nantucket is a truly unique chapter of American history.

Power And Religion in Baroque Rome

Springer
The Knights of the Golden Circle was the largest and most dangerous clandestine organization in American history. It amassed billions in stolen gold and silver, all buried in hidden caches across the United States. Since 1865 treasure hunters have searched, but

little of that immense wealth has ever been found. Now, one hundred and sixty years later, two factions of what remains of the Knights of the Golden Circle want that lost treasure—one to spend it for their own ends, the other to preserve it. Thrust into this battle is former Justice Department agent Cotton Malone, whose connection to the knights is far deeper than he ever imagined. At

the center is the Smithsonian Institution—linked to the knights, its treasure, and Malone himself through an ancestor, a Confederate spy named Angus “Cotton” Adams, whose story holds the key to everything. Complicating matters are the political ambitions of a reckless Speaker of the House and the bitter widow of a United States Senator, who together are planning

radical changes to the country. And while Malone and Cassiopeia Vitt face the past, ex-president Danny Daniels and Stephanie Nelle confront a new and unexpected challenge, a threat that may cost one of them their life. From the backrooms of the Smithsonian to the deepest woods in rural Arkansas, and finally up into the rugged mountains of northern New Mexico, *The Lost Order* by Steve Berry is a perilous

adventure into our country’s dark past, and a potentially even darker future. *The pictorial field-book of the Revolution; or, Illustrations, by pen and pencil, of the ... War for independence* HarperCollins Cotton Malone retired from the high-risk world of elite operatives for the U.S. Justice Department to lead the low-key life of a rare-book dealer. But his quiet existence is shattered when he

receives an anonymous e-mail: “You have something I want. You’re the only person on earth who knows where to find it. Go get it. You have 72 hours. If I don’t hear from you, you will be childless.” His horrified ex-wife confirms that the threat is real: Their teenage son has been kidnapped. When Malone’s Copenhagen bookshop is burned to the ground, it becomes

brutally clear that those responsible will stop at nothing to get what they want. And what they want is nothing less than the lost Library of Alexandria. A cradle of ideas—historical, philosophical, literary, scientific, and religious—the Library of Alexandria was unparalleled in the world. But fifteen hundred years ago, it vanished into the mists of myth and legend—its

vast bounty of wisdom coveted ever since by scholars, fortune hunters, and those who believe its untold secrets hold the key to ultimate power. Now a cartel of wealthy international moguls, bent on altering the course of history, is desperate to breach the library’s hallowed halls—and only Malone possesses the information they need to succeed. At stake is an explosive

<p>ancient document with the potential not only to change the destiny of the Middle East but to shake the world's three major religions to their very foundations. Pursued by a lethal mercenary, Malone crosses the globe in search of answers. His quest will lead him to England and Portugal, even to the highest levels of American government-and the shattering</p>	<p>outcome, deep in the Sinai desert, will have worldwide repercussions. BONUS: This edition contains an excerpt from Steve Berry's The Columbus Affair and a Cotton Malone dossier. <i>Inventing Luxembourg</i> Ballantine Books This study analyzes the ways in which a variety of cultural manifestations were the necessary preconditions for (religious) policy and power in the Rome of</p>	<p>Urban VIII (1623-1644). Precisely their interaction created what we now call 'Baroque Culture'. <u>The Many-Headed Hydra</u> Scholastic Inc. fiction that Antoine Dechéne calls the metacognitive mystery tale. It delineates a corpus of texts presenting 'unreadable' mysteries which, under the deceptively monolithic appearance of subverting traditional detective story conventions, offer a multiplicity of motifs - the overwhelming presence of chance, the unfulfilled quest for knowledge, the urban

stroller lost in a labyrinthine text - that generate a vast array of epistemological and ontological uncertainties. Analysing the works of a wide variety of authors, including Edgar Allan Poe, Jorge Luis Borges, and Henry James, this book is vital reading for scholars of detective fiction. The Madonna of the Mountains Springer
The power of monarchs has traditionally been as much symbolic as

actual, rooted in popular imagery of sovereignty, divinity, and authority. In Mystifying the Monarch, a distinguished group of contributors explores the changing nature of that imagery—and its political and social effects—in Europe from the Middle Ages to the present day. They demonstrate that, rather than a linear progression where perceptions of rulers moved inexorably from the

sacred to the banal, in reality the history of monarchy has been one of constant tension between mystification and demystification.

Anxieties, Fear and Panic in Colonial Settings

Walter de Gruyter GmbH & Co KG
 “A unique account of the rise of the Berber cultural identity, in particular of the Kabyles of Algeria, in modern times.
 Luminaries

such as Amrouche, Feraoun, Matoub, and Farès are impressively brought back to life.”—Abdourahman A. Waberi, author of Passage of Tears “An insightful and important addition to the field of postcolonial French studies, tracing the development of Berber consciousness in the 1930s to the events of the ‘Arab Spring.’” —Patricia Geesey, University of North Florida

“A sensitive account of the paradoxical effects of colonialism and its aftermath on the formerly colonized. It is a must-read for anthropologists, literary scholars, and historians of the period.”—Vincent Crapanzano, author of The Harkis “An intimate and forceful inquiry into the Berber cultural movement and the conditions of postcoloniality more generally.

Incorporating literature and music, history and politics, *We Are Imazighen* brings the cultural life of the Kabyle people to an English-speaking audience with grace and passion.”—David Crawford, author of *Moroccan Households in the World Economy* “Provides a framework for analyzing literary and oral material rooted in Berber culture and expressing an alternative way of

conceptualizing identity.”—Mildred Mortimer, author of *Writing from the Hearth To the world they are known as Berbers, but they prefer to call themselves Imazighen, or “free people.”* The claim to this unique cultural identity has been felt most acutely in Algeria in the Kabylia region, where an Amazigh consciousness gradually emerged after WWII. By tracing the cultural

production of the Kabyle people—their songs, oral traditions, and literature—from the early 1930s through the end of the twentieth century, Fazia Aïtel shows how they have defined their own culture over time. Ultimately, she argues that the Amazigh literary tradition is founded on dual priorities: the desire to foster a genuine dialogue while retaining a unique culture. *The*

Zes moorden, drie continenten, een wereldwijde cultus en een verborgen manuscript
Het anders zo rustige Leiden schrikt op wanneer de voorzitter van de plaatselijke vrijmetselaarsl oge op gruwelijke wijze om het leven wordt gebracht.
Bijna tegelijkertijd wordt er in een archief een manuscript gevonden

waarin een anonieme auteur de tot dan toe verborgen geschiedenis vertelt van de Pilgrim Fathers, de Founding Fathers van de Verenigde Staten. Van 1609 tot 1620 woonden zij in Leiden, waarna een deel van hen naar Amerika vertrok.
Ongewild raakt universitair docent Peter de Haan bij deze zaken betrokken.
Waarom bleef zo'n groot deel van de Pilgrim Fathers in

Leiden achter?
Wat hebben de vrijmetselaars daarmee te maken? En welke relatie onderhield Peters vriendin met de vermoorde voorzitter? In razende vaart neemt Windmeijer je mee van de nauwe steegjes van Leiden naar de weidse wateren van Cape Cod in de Nieuwe Wereld tot aan de verzengend hete Sinaiwoestijn in Egypte.
Daar kom je er elke keer weer achter dat de

<p>geschiedenis nooit is zoals de boeken ons willen doen geloven. 'Ontzettend goed. Puur vertelplezier gepaard met groot vakmanschap. ' - Maarten 't Hart 'Een intelligente intrige met meer respect voor religie en subtieler dan De Da Vinci Code.' - ????</p> <p>Vrij Nederland 'Spannend en tot in detail herkenbaar.' - Alexander Pechtold Over Het Pilgrim Fathers complot 'Een spannende cocktail vol historische en</p>	<p>religieuze wetenswaardig- heden' - ???½ Telegraaf 'De boeken van Windmeijer zijn onmiskenbaar thrillers, pageturners die je niet weg wilt leggen' - LEVEN 'Windmeijer levert met dit boek wel degelijk een thriller met diepgang af' - Dagblad van het Noorden 'Je waant je met regelmaat in de collegebanken en dankzij de bevrologenheid van de docent leer je veel, en ook met</p>	<p>plezier.' - ??? VN Detective- en Thrillergids <i>The New Pocket Dictionary of the French and English Languages</i> Springer The grand duchy of Luxembourg is a showcase example for the constructed nature of national identities. This book explores this construction process from the nineteenth to the twenty- first century, focusing on representation s of the past, space and language.</p>
