CASTANEDA MONICA

Catherine Howard Bloomsbury Publishing Portrays the life and film and stage career of the versatile Italian actor *Southtowns Connector/Buffalo Outer Harbor Project*, Erie County Baker Books A rapturous novel of star-crossed love in a time of war—from the international bestselling author of *The Secret of Clouds*. During the last moments of calm in prewar Prague, Lenka, a young art student, and Josef, who is studying medicine, fall in love. With the promise of a better future, they marry—only to have their dreams shattered by the imminent Nazi invasion. Like so many others, they are torn apart by the currents of war. Now a successful obstetrician in America, Josef has never forgotten the wife he believes died in the war. But in the Nazi ghetto of Terezín, Lenka survived, relying on her skills as an artist and the memories of a husband she would never see again. Then, decades later and thousands of miles away, an unexpected encounter in New York leads to an inescapable glance of recognition, and the realization that providence has given Lenka and Josef one more chance. From the glamorous ease of life in Prague before the occupation to the horrors of Nazi Europe, *The Lost Wife* explores the power of first love, the resilience of the human spirit, and our capacity to remember.

English Studies in Canada St. Martin's Press

Six-hundred-year-old tales with modern relevance. This stunning full-colour edition from the bestselling Cambridge School Chaucer series explores the complete text of *The Merchant's Prologue and Tale* through a wide range of classroom-tested activities and illustrated information, including a map of the Canterbury pilgrimage, a running synopsis of the action, an explanation of unfamiliar words and suggestions for study. Cambridge School Chaucer makes medieval life and language more accessible, helping students appreciate Chaucer's brilliant

characters, his wit, sense of irony and love of controversy.

Brideshead Revisited London : Blackie and son

Five hot tales of cuckold action by Jean Harlot and A. Cuckold, including: *The Cuckold, His Wife, & Her Black Lovers* *Husband Learns to Love Creampie* *Watching My Wife With Other Men* *Groveling for the Mistress* *Boss Takes Wife* *Insatiable Wives* University of Toronto Press

In this unique and paradigm-changing book, internationally acclaimed and controversial sex educator Dr. Susan Block offers a brilliant new view of human sexuality, war, peace and community, inspired by a role model who isn't even human: our closest genetic cousin, the bonobo. With a provocative, humorous and engaging style that makes science fun and ecology erotic, *The Bonobo Way* boldly asks: What do these great apes know about sex--and the rest of life--that we don't? Here are some things we know

about bonobos: They have lots of sex. They never kill each other. They empower the females. They stay younger longer. They live in peace through pleasure. And we thought humans were the smartest apes! For decades, experts have used the "killer ape" paradigm to explain why humans murder, make war, bomb and behead each other, and supposedly always will. Sure, our common chimp cousins kill, but do they tell the whole tale? Luckily, no. *The Bonobo Way* shows the other side of the story, presenting the bonobos as a new great ape paradigm for humanity that could change the world... or at least improve your love life. "This book is really good... something I rarely say these days! *The Bonobo Way* is whimsical yet serious, easy to read yet thoroughly researched, challenging yet ultimately deeply comforting. Dr. Susan Block is living proof that bonobos aren't just sexy and fun--some of them are damned smart, too." Christopher Ryan, Ph.D. author of *Sex at Dawn* From the lush depths of the rainforest to the satin sheets of your bedroom, Dr. Block takes you on a fascinating journey, weaving stories, studies, theories and fantasies into possibilities and a practical path of action, presenting a very different kind of "12-Step Program" to release your "inner bonobo," help save the real bonobos from extinction and energize all facets of your life. Whether you don't know bonobos from bananas, or you think you know all about these amazing creatures, *The Bonobo Way* will show you the way to a happier, healthier, sexier life, and a more peaceful, sustainable culture.

Marcello Mastroianni Harper Collins Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss

changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Magnetic Partners Blvnp Incorporated

If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice and quizzes to help readers decide what works for them, *The New I Do* acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century.

15 Erotic Exotic Tales Coffeetown Press

A biography of Henry VIII's fifth wife, beheaded for playing Henry at his own game - adultery.

Gender, Culture and Politics in England, 1560-1640 London ; New York : Methuen

Challenging the traditional view that Shakespeare's early comedies are about the experience of romantic love and constitute a genre called romantic comedy, Camille Wells Slight demonstrates that they dramatize individual action in the context of social dynamics, reflecting and commenting on the culture in which they originated. Shakespeare's *Comic Commonwealths* sheds new light on ten Shakespearean comedies: *The Comedy of Errors*, *The*

Taming of the Shrew, *The Two Gentlemen of Verona*, *Love's Labor's Lost*, *A Midsummer Night's Dream*, *The Merchant of Venice*, *The Merry Wives of Windsor*, *Much Ado about Nothing*, *As You Like It* and *Twelfth Night*. In a diversity of comic forms - from rollicking farce to tragicomedy - these plays offer varying perspectives on the forces that make and mar human communities. Dramatizing tensions between savagery and civilization, autonomy and dependence, and isolation and community, Shakespeare's comedies both reflect and comment on the society that produces them. Slight eschews viewing these comedies as endorsements of the prevailing ideologies of sixteenth-century England or as subversions of that hierarchical, patriarchal culture. They can be most fruitfully understood as imaginative forms that present cultural practices, institutions and beliefs as human constructions susceptible to critical scrutiny. While exposing the injustice and brutality as well as the assurances and satisfactions of social experiences, Shakespeare's comedies represent people as inescapably social beings. By combining historical scholarship with formal analysis and incorporating insights from social anthropology and feminist theory, Shakespeare's *Comic Commonwealths* offers new readings of Shakespeare's early comedies and analyses the interaction between the plays and the social structures and processes of early modern England.

Readings in Human Sexuality Amberley Publishing Limited

This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. It is called by many names, and lived in a variety of ways by different couples. The most common terms used to describe it are 'hotwife' or 'cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the U.S., and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships. He explores the psychological, social, biological, and evolutionary underpinnings of this uncommon and socially taboo behavior in

an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious.

Cuckolding Penguin

In this eye-opening book, psychologist Jesse Bering argues that we are all sexual deviants on one level or another. He introduces us to the young woman who falls madly in love with the Eiffel Tower, a young man addicted to seductive sneezes, and a pair of deeply affectionate identical twins, among others. He challenges us to move beyond our attitudes towards 'deviant' sex and consider the alternative: what would happen if we rise above our fears and revulsions and accept our true natures? With his signature wit and irreverent style, Bering pulls back the curtains on the history of perversions, the biological reasons behind our distaste for unusual sexual proclivities and the latest research on desire. Armed with reason, science and an insatiable appetite for knowledge, he humanises deviants while asking some provocative questions about the nature of hypocrisy, prejudice and when sexual desire can lead to harm. A groundbreaking look at our complex relationship with our carnal urges and the ways in which we disguise, deny and shame the sexual deviant in all of us, Bering brings hidden desires into the spotlight. *Fierce Marriage* Arden Shakespeare Compiles information about English-language literature from around the world, discussing authors, works of literature, recommended reading, censorship, literary characters, and a chronology of world literature.

The New I Do Birch Lane Press

This expansive collection of A-Z entries offers a compelling look into hate groups in America. Focusing on organizations in operation today, this book is intended for student and general audience readers, providing an essential resource that crosses into a number of hot-button issues in politics and culture. • Defines what a hate group is and what distinguishes such groups from other groups operating within the social and political landscape of the United States • Provides readers with an understanding of the numerous hate groups that are affecting both the social and political environments in the United States • Encourages readers to conduct further research into these groups by including extensive bibliographic resources as well as suggestions for further research • Provides information on groups that pertains to their origins and current activities and suggests possibilities of their future impacts on the political, social, and economic environments in the United States

Female Infidelity and Paternal

Uncertainty Createspace Independent Publishing Platform

A timely and comprehensive history of female husbands in Anglo-America from the eighteenth through the turn of the twentieth century.

The Sailor's Word-book Oxford University Press on Demand

Making babies was a mysterious process in 17th-century England. Fissell uses popular sources to recover how ordinary men and women understood the process of reproduction. Because the human body was often used as a metaphor for social relations, the events of high politics reshaped popular ideas about conception and pregnancy.

The Merchant's Prologue and Tale

Createspace Independent Publishing Platform

Dave is a young, successful New Yorker with a wife every man desires. Then he hears "the rumor"; Ashley has had sex with a co-worker at a party. After the man brags about the incident, Ashley admits the truth, along with the devastating detail that the guy is "just bigger, OK?" As Dave finds himself sucked into the "cuckold" lifestyle, he wonders, is the scene legit, or just a colossal mindf**k?

The New York Public Library Literature Companion Simon and Schuster

This volume contains Thomas Middletons four greatest plays, "A Chaste Maid in Cheapside," "Women Beware Women," "The Changeling," and "A Game at Chess." "A Chaste Maid in Cheapside" is the most complex and effective of the city comedies. "Women Beware Women" and "The Changeling" (with William Rowley) are two of the most powerful Jacobean tragedies aside from Shakespeare, studies in lust, power, violence, and self-delusive psychology. "A Game at Chess" was the single most popular play of the whole Shakespearean era, a satirical exposé of Jesuit plotting and Anglo-Spanish politics which played to packed houses at the Globe until King James and his ministers banned it. With the most up-to-date introduction available, this volume offers all the play texts newly edited with richly informative annotation.

Female Husbands ABC-CLIO

Much Ado About Nothing boasts one of Shakespeare's most delightful heroines, most dancing wordplay, and the endearing spectacle of intellectual and social self-importance bested by the desire to love and be loved in return. It offers both the

dancing wit of the "merry war" between the sexes, and a sobering vision of the costs of that combat for both men and women. Shakespeare dramatizes a social world in all of its vibrant particulars, in which characters are shaped by the relations between social convention and individual choice. This edition of the play offers in its introduction and commentary an extensive discussion of the materials that informed Shakespeare's compositional choices, both those conventional sources and other contexts, from cuckold jokes to conduct books, which inform the ideas and identities of this play. Particular attention is devoted to Renaissance understandings of gender identity and social rank, as well as to the social valences of Shakespeare's stylistic choices. A treatment of staging possibilities offers illustrations drawn from the earliest and recent theatrical practices, and a critical history examines the fate of the play in the changing trends of academic scholarship. "The text is superb... the critical introduction is predictably smart and engaging, exactly the sort of essay one would recommend to students." Eric Rasmussen, Shakespeare Survey

The Bonobo Way Seal Press

15 hot, adults-only sex stories of crazy, twisted lust in foreign lands, with same sex partners, in groups, for kinks. This erotica short story collection brings you a wide variety of sex stories.
