allowing readers to create delicate and striking trims and embellishments. Stitch patterns range from elegantly simple single motifs, to complex all over patterns to three-dimensional designs. Along with step-by-step instructions are numerous examples of how to use and place the motifs on hems, pockets, cuffs, collars and handbags; or as home decor trim on pillows, curtains, or lampshades. Patterns emphasize beaded edgings and trims, as opposed to heavy, solid beaded fabric motifs found in other beaded embroidery books.
