Munshi Premchand-pen name of Dhanpat Rai Srivastava born in Lamhi Village, near Banaras on August 31 July, 1880, died at Banaras on October 8, 1936. Mother died when he was 7 and father died when he was 15 years old. First wife, married when he was 13, left him in 1904 and he remarried a child widow. Became a teacher in 1899 and served in Education department. U.P. till 1921, when he resigned his post to support Gandhiji's non co-operation movement worked as editor

of "Maryada" and "Madhuri" and started "Jagaran" and "Hans" from self established Saraswati Press Literary life began in 1901: articles in the Zamana, first short story in 1907, left over 220 stories on his death. First novel in 1901 but that which stamped him as a writer of marked ability was "Sevasadan", or Bazaar-a-Husn (1914). followed in rapid succession by "Premasharam", "Nirmala", "Rangbhumi," "Ghaban", "Godan" 1936, He joined a film company as a scenario writer in 1934 but gave it up in disgust. When asked why he does not write anything about himself, he answered: "What greatness do I have that I have to tell anyone about? I live just like millions of people in this country; I am ordinary. During my whole lifetime, I have been grinding away with the hope that I

could become free of my sufferings. But I have not been able to free myself from suffering. What is so special about this life that needs to be told to anybody?".

The Girl and the Goddess Sura Books
 "Gillian Flynn is the real deal, a sharp, acerbic, and compelling storyteller with a knack for the macabre." —Stephen King
 This exclusive ebook collection brings together the three novels from bestselling author Gillian Flynn. A #1 New York Times bestseller, *Gone Girl* is an unputdownable masterpiece about a marriage gone terribly, terribly wrong. The Chicago Tribune proclaimed that Flynn's work

“draws you in and keeps you reading with the force of a pure but nasty addiction.” Gone Girl’s toxic mix of sharp-edged wit and deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. Flynn’s second novel, *Dark Places*, is an intricately orchestrated thriller that ravages a family’s past to unearth the truth behind a horrifying crime. A New York Times bestseller and Weekend Today Top Summer Read, *Dark Places* solidified Flynn’s status as one of the most critically acclaimed suspense writers of our time. In *Sharp Objects*, Flynn’s debut novel, a young journalist returns home to cover a dark assignment—and to face her own damaged family history. With its taut, crafted writing, *Sharp Objects* is addictive, haunting, and unforgettable.

Indian Fairy Tales Hodder & Stoughton
The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted

followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

The Panchatantra is a collection of folktales and fables that were believed to have been originally written in Sanskrit by Vishnu Sharma more than 2500 years ago. This collection of stories features animal characters which are stereotyped to associate certain qualities with them. The origins of the Panchatantra lie in a tale of its own, when a King approached a learned pandit to ask him to teach the important lessons of life to his ignorant and unwise sons. This learned scholar knew that the royal princes could not understand complex principles in an ordinary way. So, he devised a method wherein he would impart important knowledge in the form of simple and easy-to-understand folktales.

In this volume of 15 articles, contributors

from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

This is one of the many inspiring books from the renowned “Motivator” Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success. *100 Desi Stories to Inspire You* Jaico Publishing House

“A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success.”—Dave Pelzer, author of *A Child Called “It”* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She’s only eight years old, posing for her

mother’s boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She’s in cap and gown, receiving her PhD in psychology—and the university’s award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle’s powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was “Chelsey,” the rebellious teenager; “Viscous,” a tween with homicidal rage; and “Sarah,” a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-

real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle’s courageous testament to their power.

NEW YORK TIMES BESTSELLER • “Driving, wild and hilarious” (The Washington Post), here is the incredible “memoir” of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre “one step below instruction manuals.” Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, “Call it anything you damn like.”

'Loathsomeness waits and dreams in the deep, and decay spreads over the tottering cities of men. A time will come - but I must not and cannot think!' H. P. Lovecraft (1890-1937) was a reclusive scribbler of horror stories for the American pulp magazines that specialized in Gothic and science fiction in the interwar years. He often published in *Weird Tales* and has since become the key figure in the slippery genre of 'weird fiction'. Lovecraft developed an extraordinary vision of feeble men driven to the edge of sanity by glimpses of malign beings that have survived from human prehistory or by malevolent extra-terrestrial visitations. The ornate language of his stories builds towards grotesque moments of revelation, quite unlike any other writer. This new selection brings together nine of his classic tales, focusing on the 'Cthulhu Mythos', a cycle of stories that develops the mythology of the Old Ones, the monstrous creatures who predate human life on earth. It includes the Introduction from Lovecraft's critical essay, 'Supernatural Horror in Literature', in which he gave his own important definition

of 'weird fiction'. In a fascinating contextual introduction, Roger Luckhurst gives Lovecraft the attention he deserves as a writer who used pulp fiction to explore a remarkable philosophy that shockingly dethrones the mastery of man. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called,

messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

[I Too Had a Love Story](#) Harper Collins In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as *Shiva*, *Rangeela*, *Satya*, *Sarkar*, *Bhoot and Company*. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, *Guns & Thighs* is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches,

whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility.

Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.
