The Abundance Mind-Set Charisma Media
The inspiring pastor, media personality, and author offers spiritual empowerment to men and the women who love them. Bishop David Evans, pastor of the more than 27,000-member Bethany Baptist Church, poses the question: What does it mean to be a real man? A true man is one who dares to live up to God's design—a man of confidence, purpose, strength, destiny, consistency, sensitivity, accountability, and loyalty, who is spiritual and loving and embraces responsibility. Only when a man becomes this true self can he make himself ready for the woman who loves him and the family who needs him. Women need to learn to identify a man who lives up to God's design and to foster the spiritual growth of their men. With its inspiring and empowering message, *Dare to Be a Man* is essential reading for all men and the women who love them.

Today's Christian experience is not what it used to be. So much has changed. One visit to a Sunday morning service and you will know that this is not the church you grew up with. Churn and frustration are at an all-time high as many have voted with their feet and no longer attend worship service. CHURCH - her thirst to be accepted by the world and possess what it has to offer has negatively impacted her preaching and influence on society. Silent, she has no response to the moral decay of our time, yet she takes in more money than most will earn in two life-times. Product pitches from the pulpit and product tables in the lobby are normal and a guaranteed scriptural reference to paying Tithes is inevitable. Laboring over souls on the altar is a thing of the past as many ministries look for ways to be more profitable. Being about My Fathers Business has taken on a whole new meaning as the North American Church struggles to hold to the code of Divine Ethics that was once delivered to the saints by those who once valued the concept of no compromise. You have questions? Sunday Morning Stickup has Biblically based answers concerning the subject of tithes. Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close. Therefore it is imperative and even critical for God's people to place themselves in a position to hear what He is speaking and directing us to do in these times. From the beginning of time, dreams have been a major way that God speaks to His people, therefore it is important for us to understand the messages in the dreams that He gives us. Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean, if we are to understand the message God is communicating to us through our dreams. There are many excellent Christian teachings on dream interpretation, and rather than bring forth material that is already available, my desire instead is to place in your hands over 2400 symbols, with most of them having a multitude of meanings; to assist and train you in unlocking the mysteries of not only your dreams, but also the dreams of others. Since it is God's voice alone we want to hear and understand, we have no interest in knowing how the world that is out of touch with God interprets dream symbols. Every interpretation must be God derived; otherwise we will not be receiving the truth of what He desires us to know. For that reason, the overwhelming majority of the symbol meanings found in this book are derived from the Bible; with the remainder sourced from tested Christian dream courses, teachers, and from interpreting the dreams of Christians. God desires you to know what He is speaking to you, so be encouraged that with the help of this book, you will be able to unlock the meanings and messages of your dreams.
