Welcome to Wimmelworld—a land of few words, yet endless

entertainment—for curious kids age 2 to 5! In these one-of-a-kind picture books, every page is bursting with life—and tons to discover! Children as young as age 2 have a blast pointing out recognizable things, while older kids can follow the star characters from page to page, telling their stories along the way. How? Wimmelbooks are virtually instruction-free, inviting kids to make their own way through the busy Wimmelworld they encounter, and to craft their own stories. First, you're introduced to a unique cast of characters who are hidden in plain sight on the pages that follow. As you seek them out, each character's storyline unfolds, but it's up to kids to interpret the scenes and create stories they think fit. It's hours upon hours of fun—and an effortless introduction to literacy to boot. My Big Wimmelbook—Dinosaurs is a blast from the past—the Mesozoic Era, to be exact! From the famous Tyrannosaurus to the curious Triceratops, readers will be introduced to a cast of unique dino-kids as they go about their day swimming, flying, and stampeding through the dense jungle, by the seaside, up a bustling river, and more! ----- Wimmelbooks originated in Germany decades ago and have become a worldwide sensation with children (and adults!) everywhere. My Big Wimmelbooks is the first-ever Wimmelbook series to feature Wimmelbooks as Wimmelbooks in English.
