What's Keeping Your Prayers from Being Effective? Learning how to pray is one of the greatest challenges in a Christian's life.

A.W. Tozer pointed out that the Church's greatest curse is

unanswered prayer, and that many people do not seem bothered by that. Maybe they don't understand what answered prayer is all about. Tozer outlines this as only he can, describing the kind of prayer God answers and the kind of prayer that leaves Him silent. Ultimately, you have to ask yourself: are my prayers today more powerful and effective than they were a year ago? Our good Father wants them to be! The book opens with Jacob's Ladder and its theme of ascending into God's very presence. What better place to begin dialoging with God? Only He can teach us what is on His heart, what His will is, and what our part in it could be.

The four books in Prayer Works for Teens offer prayers with themes for every kind of youth ministry setting in which prayer takes place. Each book includes three sets of prayer experiences, and each set consists of four prayer formats: a short prayer, a medium-length reflection prayer, a long ritual prayer, and a family prayer. Every prayer set focuses on a different image or object. Handouts are included for each prayer. An appendix in each volume lists the prayers for all four volumes indexed by Scripture citations and themes, making it easy for youth ministers to match up a prayer with their specific needs. The family component is a unique aspect of Prayer Works. So often

families have no idea what their teenage members do at parish events. However, Prayer Works gives you an easy way to involve parents and siblings in the prayer experienced by the teen, including family handouts and sample letters for families. Book 2: Images and Themes Leaves: celebrations, hellos and good-byes, vitality and health Nuts: commitment, humility, humor, self-disclosure Four Elements (earth, wind, fire, water): science, images of God, creation, ecology [A Hand-List of Rabbinic Manuscripts in the Cambridge Genizah Collections: Volume 1](#) BRILL This work has been selected by scholars as being culturally important, and is part

This book is a collection of my poems, hymn texts, and stories of answered, fervent prayer-not only my prayers, but also prayers shared by

friends and acquaintances of faith and trust in a God who hears and responds to the concerns of our hearts. My poems and hymn texts are prayers because they arise out of my time in communion with God, often when I am the most broken. They express deep grief and questioning as well as great joy. For me, natural beauty continues to draw me into a closer relationship with the Holy Spirit in my journey to wholeness. Wholeness, I believe, is the desired state of being in which we experience the joy of Heaven on Earth--moments in which we are in complete harmony with God, ourselves, and the entire creation to experience what I call

Paradise Within, symbolized for me by the Emerald Leaf. In the Middle Ages, textual amulets--short texts written on parchment or paper and worn on the body--were thought to protect the bearer against enemies, to heal afflictions caused by demonic invasions, and to bring the wearer good fortune. In *Binding Words*, Don C. Skemer provides the

first book-length study of this once-common means of harnessing the magical power of words. Textual amulets were a unique source of empowerment, promising the believer safe passage through a precarious world by means of an ever-changing mix of scriptural quotations, divine names, common prayers, and liturgical formulas. Although theologians and canon lawyers frequently derided textual amulets as ignorant superstition, many literate clergy played a central role in producing and disseminating them. The texts were, in turn, embraced by a broad cross-section of Western Europe. Saints and parish priests, physicians and village healers, landowners

and peasants alike believed in their efficacy. Skemer offers careful analysis of several dozen surviving textual amulets along with other contemporary medieval source materials. In the process, *Binding Words* enriches our understanding of popular religion and magic in everyday medieval life.

Where its predecessor
dwelt primarily upon
the content, mode, and
practitioners of Torah
study, this volume
focuses upon issues--
some theoretical,
others pragmatic;
some current, others
timeless--which
concern the practice

and implementation of Torah. It opens with an inquiry into whether, and to what extent, Halakhah recognizes the validity and value of an ethic which, in some sense, lies beyond its scope. This is followed by two essays--focused upon events in Israel but of more general significance, as well--which deal with the character--and bounds of Jewish polity. Tangentially related is the subject of the next chapter--straddling the communal and the personal--regarding the parameters of tolerance. The next several chapters treat more purely personal topics--response to suffering, Shabbat prayer, and shemittah. They are followed by discussions of aspects of the sensitive areas

of conversion, abortion, and the Israeli chief rabbinate, commingled with two essays, more sociologically oriented, on Jewish self-identification and communal service, and an exchange concerning Baruch Goldstein. These are, in turn, followed by two chapters focused upon modern or centrist Orthodoxy, particularly. The volume concludes with a series of responses to major questions posed in various symposia, in which participants were asked, descriptively and prescriptively, both to evaluate the current Jewish scene and to chart a suggested course for its future direction.

This volume contains descriptions - including, in many cases, precise identifications - of approximately 6,000 manuscript fragments from the Taylor-Schechter New Series originating in the world-famous Genizah of Cairo, and now at Cambridge University Library. The emphasis is on classical and medieval rabbinic literature, but many fragments belonging to other genres, which were placed in boxes dedicated to Talmudic and rabbinic literature, are also described. It is anticipated that the volume will be of considerable assistance to researchers in a variety of disciplines, by facilitating access to material of various sorts and substantially

reducing the amount of time which must be devoted to preliminary searches.

Murder, mystery, and courtroom drama --

Chinese style! "Sanxia wuyi" (later revised and called "Qixia wuyi") is a semi-historical narrative of adventure, crime-detection, and courtroom drama. It revolves around the famed Song dynasty magistrate, Bao Zheng (999-1072), who is more commonly known as Magistrate Bao (Bao Gong) and is the quintessential

incorruptible government official. This novel, derived from the oral narrative attributed to the Qing storyteller Shi Yukun (fl. 1870s), was first published in 1879, after undergoing a complex and fascinating textual evolution. The non-historical component of narrative, which represents the creative genius of the storyteller and his tradition, revolves around a group of compelling heroes and gallants -- foremost among them are Zhan Zhao, Hero Par Excellence, Jiang Ping, Diplomat Supreme and Unparalleled Underwater Genius, Ai Hu, Youngest of the Tried and True, and the beloved Bai Yutang, Gallant of Incomparable Elegance

and Passion. Monograph Oxford University Press, USA The Bodleian's incunable catalogue describes the Library's fifteenth-century western printed books to the same standards expected in the best modern catalogues of medieval manuscripts. It records and identifies all texts contained in each volume, and the detailed analysis of the textual content is an innovative feature. Further information about authors, editors, translators, and dedicatees is given in an extensive index of names, complete with biographical and other information; this index will be of interest to textual scholars from the classical period to the renaissance. The detailed descriptions of the copy-specific

features of each book (the binding, hand-decoration and hand-finishing, marginalia, and provenance) form another important contribution to scholarship. The provenance index will be of great value to all those interested in the history of the book from the 1450s to the present day.

This is an authentic history of a Chinese female poet, He Shuangqing. She lived at a time when people regarded men as superior to women. However, she was fortunate to have some scholar acquaintances who were open-minded. They spurned the traditional attitude towards her sex and showed their appreciation of her poems and her attitude towards life. One of the scholars, Shi Zhenlin, wrote down and recorded her life and poetry in his book *Xiqing sanji* (West Green Random Notes)

so that her poems could be read by more people. *Leaves of Prayer* is a translation of *Xiqing sanji*. Part 1 gives an introduction to Shi Zhenlin's *Xiqing sanji* and He Shuangqing, the poet. Part 2 is a translation of *Xiqing sanji* which narrates the vicissitudes of He Shuangqing's life. Part 3 lists the poems of He Shuangqing with their originals written in Chinese calligraphy. *State University of Iowa Publications, Historical Monograph*
