Burn Trilogy* Simon and  
Schuster  
Meet Clara Lee. Likes: her

best friends, her grandpa,  
her little sister (when  
she's not being annoying,  
which is almost always),  
candy necklaces, and the  
Apple Blossom Festival.

Dislikes: her little sister (when she's being annoying, which is almost always), her mom's yucky fish soup, and bad dreams (even though Grandpa says they mean good luck). After a bad dream, Clara Lee has a whole day of good luck. But when her luck changes, she upsets her friends and family. Will Clara Lee have good luck again in time to try out for the Little Miss Apple Pie pageant? Clara Lee is a delightful character from acclaimed author Jenny Han. This charming, humorous

chapter book is perfect for fans of Clementine and Judy Moody!

Cengage Learning  
Bringing Spanish to Life provides an innovative and refreshing cross-curricular approach to teaching languages in primary schools, combining art, design and foreign languages with various aspects of the National Primary Curriculum such as Literacy, Numeracy and PE. This unique practical resource comprises an engaging storyline about

a day in the life of two Spanish children and gives an opportunity for learners to re-enact their day, using finger puppets, handmade crafts and exciting games to practise new language. Each of the 14 sections begins with a short accessible dialogue in Spanish and is followed by suggestions for using the new vocabulary in pairs, small groups or as a whole class. The main story is accompanied by fun craft activities linked to the story (one for each section, ie 14 in total) for children to create in class

using the templates and instructions provided. A wide range of further activities follows, consisting of lively games, songs and opportunities to communicate simple ideas. Language extensions are suggested, focussing on imaginative writing and reading ideas linked to the theme of each section. Written to support the new foreign languages programme of study, the book also includes: \* Cross-curricular links to numerous subjects including Literacy,

Numeracy, PE and ICT \* Classroom games and activities \* Photocopiable resources and templates for fun classroom activities and projects \* Language extension activities. Bringing Spanish to Life can be read on three levels to suit a variety of classroom situations. First, the story can be told 'straight' with the whole class participating in the dialogues. Second, the story can be combined with the craft activities after each main section. 14 doing and making

activities match the storyline and provide a colourful, eye catching display and learning focus in the classroom or for Open Days or Assemblies. Teachers can use as many or as few as they wish. The resultant crafts can be used for very effective classroom displays/open days/assemblies etc. Finally, the language extension activities can be used alongside the art/craft/design activities as desired. The aim of these activities is to extend the target language in a relevant

context through a variety of methods such as songs, playlets, simple communicative exchanges, games with numbers etc.

DESCRIPTION Some summers are just destined to be pretty. Belly measures her life in summers. Everything good, everything magical happens between the months of June and August. Winters are simply a time to count the weeks until the next summer, a place away from the beach house, away from Susannah, and most importantly, away from Jeremiah and Conrad. They are the boys that Belly has known since her very first summer--they have been

her brother figures, her crushes, and everything in between. But one summer, one wonderful and terrible summer, the more everything changes, the more it all ends up just the way it should have been all along.

Emotional Bridges to Puerto Rico is about Puerto Ricans' struggles of incorporation into U.S. society, and the conditions under which members of the Puerto Rican middle-class move back and forth between the mainland and island. The book illustrates how structures of inequalities based on race, class, and gender affect Puerto Ricans' subjective assessments of incorporation. Issues regarding the racialization of Puerto Ricans in the U.S. reveal that in spite of

structural incorporation, Puerto Ricans do not feel like they fully belong in mainland society. These experiences carry implications for future migration and settlement decisions. Bilingual Grammar of English-Spanish Syntax Crossbooks México Para un psicoanalista de cuarenta y seis años, profesional reconocido, la visita de un paciente nuevo no debería ser motivo de ansiedad. Para una atractiva caribeña, un viaje en su yate a través del Atlántico no debería

convertirse en una pesadilla. Una aventura más con un hombre casado no debería cambiar el destino de una joven diseñadora. Pero el destino, como advierte la primera frase de la novela, no solamente es fruto del azar. "El destino es la suma de nuestras equivocaciones". Construida sobre dos líneas narrativas alternadas, Sombras en el cristal plantea un contraste de escenarios, tramas y personajes. De una parte, la pasional República Dominicana. De

otra, una Barcelona, serena en apariencia, donde tienen cabida el amor, la traición, la culpa y la venganza.
