RECIPIENT OF THE PURA BELPRÉ HONOR * A Today Show's Best Kids' Books of 2019 * Indie Next List Pick * Junior Library Guild Selection * "An appealing tribute and successful remedy to the lack of titles about the groundbreaking librarian...a must-have for all libraries." —School Library Journal (starred review) An inspiring picture book biography of storyteller, puppeteer, and New York City's first Puerto Rican librarian, who championed bilingual literature. When she came to America in 1921, Pura Belpré carried the cuentos folklóricos of her Puerto Rican homeland. Finding a new home at the New York Public Library as a bilingual assistant, she turned her popular retellings into libros and spread story seeds across the land. Today, these seeds have grown into a lush landscape as generations of children and storytellers continue to share her tales and celebrate Pura's legacy. Brought to colorful life by Paola Escobar's elegant and exuberant illustrations and Anika Aldamuy Denise's lyrical text, this gorgeous book is perfect for the pioneers in your life. Informative backmatter and suggested further reading included. A Spanish-language edition, *Sembrando historias: Pura Belpré: bibliotecaria y narradora de cuentos*, is also available. "Anika Aldamuy Denise's intimate telling captures the magical, folk-tale feeling of Belpré's own stories. Her lyrical text, sprinkled like fairy dust with Spanish words, begs to be read aloud, while Paola Escobar's stylishly detailed and warmly expressive illustrations capture the joy of sharing stories." —New York Times Book Review

Fly Guy and the Frankenfly (Fly Guy #13) Simon and Schuster

This rich sampling of Spanish poetry, prose, and drama includes more than seventy selections from the works of more than forty writers, from the anonymous author of the great medieval epic *The Poem of the Cid* to such 20th-century masters as Miguel de Unamuno. The original Spanish text of each work appears with an excellent English translation on the facing page. The anthology begins with carefully selected passages from such medieval classics as *The Book of Good Love* by the Archpriest of Hita and Spain's first great prose work, the stories of Count Lucanor by Juan Manuel. Works by writers of the Spanish Renaissance follow, among them poems by the Marqués de Santillana and excerpts from the great dialogue novel *La Celestina* by Fernando de Rojas. Spain's Golden age, ca. 1550-1650, an era which produced its great writers, is represented by the mystical poems of St. Teresa, passages from Cervantes' *Don Quixote* and scenes from Tirso de Molina's *The Love-Rogue*, the drama that introduced the character of Don Juan to the world, along with other well-known works of the period. A cavalcade of stirring poems, plays and prose selections represent Spain's rare literary achievements of the 18th, 19th and 20th centuries. The translations were chosen for their accuracy and fidelity to the originals. Among the translators are Lord Byron, Henry Wadsworth Longfellow, Edward FitzGerald and John Masefield. As a treasury of masterly writing, as a guide for the student who wants to improve his or her language skills and as a compact survey of Spanish literature, this excellent anthology will provide hours of pleasure and fruitful study.
