Colloquial Russian 2
Routledge
In today's world where other cultures are being tapped to a greater extent than ever before, the processes of mixing and matching are especially

relevant in making sense of Russia. Not only do borrowing and assimilation, interaction between the familiar and the alien, constitute a venerable tradition in Russian culture, but during the two last post-Soviet decades a notable Western influence has become apparent. This book provides means for understanding Russianness in this new situation. By bringing together

Russian and Western, eminent and younger scholars it provides insights both from inside and outside. By extending its perspectives to three fields - linguistics, cultural studies, and social sciences - it covers different dimensions of creative misunderstandings, hybrids, tensions and other modes of adaptation in the Russian culture. By offering concrete case

studies it avoids easy stereotypes, deconstructs clichés, problematizes accepted truths, and identifies points of interaction between Russia and the West.

phenomenal and rewarding. The key to success is to plan and take the right steps. This book shows how to do this by decoding, using case studies, and suggesting relevant solutions. For Judith Hornok, it's not about dry theories or mind games. Instead this book is based on numerous case studies drawn from the lives of well-known Arab and international business people. The reader can

grasp the opportunities and avoid the pitfalls by knowing and understanding the Arab Business Code (ABC): "learning the A-B-Cs." This book offers a study with practical measures, a toolkit of easy-to-learn and simple-to-use techniques that pave the way for business success in the Gulf. Over fifteen years of research is boiled down into a clearly structured, compact book. Judith Hornok presents the

insights of her studies by decoding the behavior of Arab business people in the Gulf using innovative techniques and new approaches, which can be easily implemented by the reader. For the first time Judith also presents her creations – the figures of The Seven Emotional Hinderers. *When in Russia, Speak Like a Russian* Routledge Macedonian, the official language of the Republic of Macedonia,

is spoken by two and a half million people in the Balkans, North America, Australia, and other émigré communities around the world. Christina E. Kramer's award-winning textbook provides a basic introduction to the language. Students will learn to speak, read, write, and understand Macedonian

while discussing family, work, recreation, music, food, health, housing, travel, and other topics. Intended to cover one year of intensive study, this third edition updates the vocabulary, adds material to help students appreciate the underlying structure of the language, and offers a

wide variety of new, proficiency-based readings and exercises to boost knowledge of Macedonian history, culture, literature, folklore, and traditions. Winner, Best Contribution to Language Pedagogy, American Association of Teachers of Slavic and Eastern European Languages
