Do you want to learn Danish with original classic stories in Danish? Read in Danish without looking up words with our interlinear material! The HypLern project has been creating manually word-for-word translated language material since 2006. The aim of our project is to allow students to start reading the language of their choice immediately, and expand their vocabulary fast. This book contains original stories from Hans Christian Andersen's stories, in Danish. We have added an interlinear translation to the Danish text. This means that the meaning of every Danish word is immediately accessible, which in turn will make it much easier for you to expand your Danish vocabulary fast. Use the following method to attain new Danish vocabulary fast and easy. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal and idiomatic interlinear text this is the fastest method to learn to read Danish. Also, contact us on [shop.hypLern.com](http://shop.hypLern.com) for non-translated pdf versions of this book with which you can practice reading Danish without the interlinear translation. Check out our HypLern interlinear French, German, Russian, Spanish, Latin or other languages on Amazon as well!

*Brave Girl* Hachette UK

Absolutely anyone can learn Finnish. It doesn't matter what your excuse is. Maybe you think you stink at languages. Maybe you think you're too lazy. Maybe you flunked out of high school Finnish. The truth is, if you really want to learn Finnish, you can do it! Best of all, you can do it without a lot of effort. The trick is understanding how to learn rather than focusing on what to learn. *Learn to Speak Finnish (Without Even Trying)* will teach you how to make a concrete plan for study, how to keep it fun, and how to stay motivated--and it will also help you identify which technological tools can help you along the way. So, ditch the textbooks and endless lists of vocabulary and grammar rules. This simple and clear book gives you the perfect roadmap to learning Finnish quickly--and to having fun while doing it!

**Complete Danish** Teach Yourself

Do you want to communicate easily and freely in Danish? Master Danish grammar and broaden your vocabulary with your very own Danish Tutor. This contemporary interactive workbook features 200 activities across a range of grammar and vocabulary points with clear goals, concise explanations, and real-world tasks. By studying and practicing Danish grammar you'll understand how the language really works and be able to speak Danish with clarity and ease. What will I learn? The Danish Tutor: Grammar and Vocabulary Workbook covers a comprehensive range of the most useful and frequent grammar and vocabulary in Danish. You can follow along unit by unit, or dip in and dip out to address your weak areas. As you progress, you will be introduced to new vocabulary and combine it with the grammar to complete extensive exercises. You will then practice the language through authentic reading and writing practice. You will achieve a solid upper intermediate level of Danish grammar. Is this course for me? The Danish Tutor can be used as a standalone course or as a

complement to any other Danish course. It offers extensive practice and review of essential grammar points and vocabulary and skills building. The personal tutor element points out exceptions and gives tips to really help you perfect your Danish. 25 Short Learning Units each contain: Communication goals to guide your studies Grammar explanations with extensive exercises Vocabulary presentations and activities Reading and writing sections to consolidate your learning  
*Easy French Step-by-Step* Bod  
The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Take Your "5-Day German Language Challenge" Learn German In 5 Days Why are you reading this? Because: - You want to speak the secret gem language of the United States. - You want to expand your professional network and reach in Europe. - You want to be able to travel to the many countries that speak German. - You want to study abroad for cheap or free college education in Germany. - You want to have the easiest and fastest way to study German for beginners. German is the most opportune language that you can learn. Why? Did you know that it is the most widely spoken language in Europe, as well as has a strong speaker base in North America? In other words, it can unlock many hidden doors for you professionally at work and expand yourself personally at home and in life. Let's look at some of the most advantageous reasons to why you should learn German: Employment Edge - This one is obvious. Someone who is bilingual is going to be more desirable at a job than someone who only speaks one language. Germany is a huge economic player when it comes to Europe and a large one across the globe as well. Knowing German will give you a secret edge in the professional sphere. Education Benefit - Did you know that most of the universities in Germany are free to attend? Even if they aren't completely free, their price is a lot more affordable than in the United States and other places. When you learn German, you can have the opportunity to travel to Germany and enjoy the benefit of having a free or low-cost education. Personal Relationship - Do you have a family relative, a close friend, or a romantic partner who speaks German? Wouldn't it be nice to be able to communicate with them? Not only that but if they live in Germany, then you can use it for when you go and visit them and show off your newfound knowledge. Travel Convenience - If you're traveling to Europe, German's one of the most prevalent languages spoken there. In fact, it's the official language of countries such as Austria, Belgium, Liechtenstein, Luxemburg, and Switzerland. So you won't just be able to use it when you're

traveling to Germany, but if you go to Switzerland for a skiing vacation, you'll be in good company. Simple Language - Unlike other languages like Italian, Spanish and French, which are romantic languages, German belongs to the same Germanic language tree as English, making it surprisingly easier to learn than most people may think. There are even German words that are used in English to this day such as "angst" and "kindergarten." Not only that but once you learn German, if you want to learn another language such as Danish, Dutch, Norwegian or Swedish, it will make it a lot easier. Do you still need more convincing to pick up the German language? There are just a ton of advantages to knowing German. The "5-Day German Language Challenge" will open up that whole new world for you to enrich your life faster than you may ever know possible.

*Learn Danish - Parallel Text - Easy Stories (Danish - English)*

*Bilingual* Createspace Independent Publishing Platform

This course has six parts: 1. A general introduction to written and spoken Danish. 2. A chapter on Danish phonetics. 3. A grammar, arranged by sections under nouns, adjectives, adverbs, etc., with chapters on word-order and word-formation, and including exercises. 4. A section of general information - about money, weights and measures, meals, etc. 5. Twenty-five Danish texts (twenty prose, five poetry) from standard authors for translation into English. 6. Twenty English texts, graded in difficulty, for translation into Danish. No other Danish grammar and reader with this scope and degree of scholarship exists. Mr Bredsdorff has taught in England for a number of years, and most of his pupils have started with no knowledge of Danish. His course has been tried out and proved successful.

*Learn Danish - Easy Reader - Easy Listener - Parallel Text Audio Course, No.3* Challenge Publishing

Saxo Grammaticus, or "The Lettered", one of the notable historians of the Middle Ages, may fairly be called not only the earliest chronicler of Denmark, but her earliest writer. In the latter half of the twelfth century, when Iceland was in the flush of literary production, Denmark lingered behind. No literature in her vernacular, save a few Runic inscriptions, has survived. Monkish annals, devotional works, and lives were written in Latin; but the chronicle of Roskild, the necrology of Lund, the register of gifts to the cloister of Sora, are not literature. Neither are the half-mythological genealogies of kings; and besides, the mass of these, though doubtless based on older verses that are lost, are not proved to be, as they stand, prior to Saxo. One man only, Saxo's elder contemporary, Sueno Aggonis, or Sweyn (Svend) Aageson, who wrote about 1185, shares or anticipates the credit of attempting a connected record. His brief draft of annals is written in rough mediocre Latin. It names but a few of the kings recorded by Saxo, and tells little that Saxo does not. Yet there is a certain link between the two writers. Sweyn speaks of Saxo with respect; he not obscurely leaves him the task of filling up his omissions. Both writers, servants of the brilliant Bishop Absalon, and probably set by him upon their task, proceed, like Geoffrey of Monmouth, by gathering and editing mythical matter. This they more or less embroider, and arrive in due course insensibly at actual history.

*Crossroads between Contrastive Linguistics, Translation Studies and Machine Translation* Routledge

Euclid was a mathematician from the Greek city of Alexandria who lived during the 4th and 3rd century B.C. and is often referred to as the "father of geometry." Within his foundational treatise "Elements," Euclid presents the results of earlier mathematicians and includes many of his own theories in a systematic, concise book that utilized a brief set of axioms and

meticulous proofs to solidify his deductions. In addition to its easily referenced geometry, "Elements" also includes number theory and other mathematical considerations. For centuries, this work was a primary textbook of mathematics, containing the only framework for geometry known by mathematicians until the development of "non-Euclidian" geometry in the late 19th century. The extent to which Euclid's "Elements" is of his own original authorship or borrowed from previous scholars is unknown, however despite this fact it was his collation of these basic mathematical principles for which most of the world would come to the study of geometry. Today, Euclid's "Elements" is acknowledged as one of the most influential mathematical texts in history. This volume includes all thirteen books of Euclid's "Elements," is printed on premium acid-free paper, and follows the translation of Thomas Heath.

An engagingly illustrated account of immigrant Clara Lemlich's pivotal role in the influential 1909 women laborer's strike describes how she worked grueling hours to acquire an education and support her family before organizing a massive walkout to protest the unfair working conditions in New York's garment district. 25,000 first printing.

*5-Day German Language Challenge* Frontiers Media SA

This dual-language edition of Beowulf is for the general readers' enjoyment of the poem as well as a study guide for students of English language and literature. To meet this dual purpose, the book provides the two texts running in parallel. The general readers can enjoy the poem by reading the translation; but the serious students of English can lean on the translation as a prop while studying the original text line after line. For the students of Old English, who wish to attain a thorough understanding of the original lines, the Textual and Explanatory Notes will be an indispensable apparatus: these notes discuss diverse scholarly interpretations on the problematic phrases and lines before the translator offers his own opinion.

*Short Stories in Danish for Beginners* Language Science Press

Do you want to learn Swedish with real Swedish folktales? It's easy with Swedish and interlinear English. 110+ pages with every Swedish word translated so you can keep on reading. Because of the amount of text and the number of more difficult words this book is fine for more advanced readers as well. This book contains Swedish Folktales about brave farm boys and smart princesses, giants and serpents. We have added an interlinear translation to the Swedish text. This means that the meaning of every Swedish word is immediately accessible, which in turn will make it much easier for you to expand your Swedish vocabulary fast. Use the HypLern method to learn to read Swedish with ease and expand your vocabulary fast. Read and re-read the texts to learn the high frequency words. Then mark and learn the more difficult words until you master those by re-reading their paragraphs. The repetition and the association of the story will help you memorize the words.

*Holy Bible. Bibel* Bermuda Word

This accessible textbook is the only introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly excellent coverage of the full range of modern linguistics. Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full coverage of contextual linguistics, including separate chapters on discourse, dialect variation, language and culture, and the politics of language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language acquisition, and second-language learning. The breadth of the textbook makes it ideal for introductory courses on language and linguistics offered by departments of English, sociology, anthropology, and communications, as well as by linguistics departments.

*Learn Danish - Easy Reader - Easy Listener - Parallel Text Audio Course, No.2* Penguin

Beginner's Danish offers basic language instruction in the national language of Denmark, presenting grammar, vocabulary, and common phrases in clear, concise lessons. Perfect for both classroom and independent students, each of the 13 lessons opens with dialogues on topics such as greetings, family, athletics, dining, illness, holidays and celebrations. Following the dialogues are vocabulary lists, explanations of grammar, and exercises. Two audio CDs accompany the lessons, providing correct pronunciation of all the vocabulary and a selection of the dialogues, with pauses for repetition by the student. Also included are an exercise key, Danish-English and English-Danish glossaries, as well as an introduction to Danish history and culture.

*Learn to Code Now* Polyglot Planet

This is the new, black and white version of From English to Swedish 1. A full color version is also available. Look for ISBN 978-1540452900. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgBDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. ◆Ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words

appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book! " (Amazon, Spain)
