From the author of the New York Times bestselling novel *Fish in a Tree!* Carley uses humor and street smarts to keep her emotional walls high and thick. But the day she becomes a foster child, and moves in with the Murphys, she's blindsided. This loving, bustling family shows Carley the stable family life she never thought existed, and she feels like an alien in their cookie-cutter-perfect household. Despite her resistance, the Murphys eventually show her what it feels like to belong--until her mother wants her back and Carley has to decide where and how to live. She's not really a Murphy, but the gifts they've given her have opened up a new future. "Hunt's writing is fearless and One For The Murphys is a story that is at once compassionate, thought-provoking and beautifully told. From the first page, I was drawn into Carley's story. She is a character not to be missed or forgotten." —Jacqueline Woodson, National Book Award-winning author of *Brown Girl Dreaming* Winner of the Tassy Walden Award for New Voice in Children's Literature

The Ugly Duckling (Illustrated) Abrams

I Burn Paris has remained one of Poland's most uncomfortable masterstrokes of literature since its initial and controversial serialization by Henri Barbusse in 1928 in *l'Humanité* (for which Jasiński was deported for disseminating subversive literature). It tells the story of a disgruntled factory worker who, finding himself on the streets, takes the opportunity to poison Paris's water supply. With the deaths piling up, we encounter Chinese communists, rabbis, disillusioned scientists, embittered Russian émigrés, French communards and royalists, American millionaires and a host of others as the city sections off into ethnic enclaves and everyone plots their route of escape. At the heart of the cosmopolitan city is a deep-rooted xenophobia and hatred - the one thread that binds all these groups together. As Paris is brought to ruin, Jasiński issues a rallying cry to the downtrodden of the world, mixing strains of "The Internationale" with a broadcast of popular music. With its montage strategies reminiscent of early avant-garde cinema and fist-to-the-gut metaphors, *I Burn Paris* has lost none of its vitality and vigor. Ruthlessly dissecting various utopian fantasies, Jasiński is out to disorient, and he has a seemingly limitless ability to transform the Parisian landscape into the product of disease-addled minds. An exquisite example of literary Futurism and Catastrophism, the novel presents a filthy, degenerated world where factories and machines have replaced the human and economic relationships have turned just about everyone into a prostitute. Yet rather than cliché and simplistic propaganda, there is an immediacy to the writing, and the modern metropolis is starkly depicted as only superficially cosmopolitan, as hostile and animalistic at its core. This English translation of *I Burn Paris* fills a major gap in the availability of works from the interwar Polish avant-garde, an artistic phenomenon receiving growing attention of late.
