DAISY MARISA

The Diary of Frida Kahlo East African Publishers

This book constitutes the thoroughly refereed post-conference proceedings of five international workshops held in conjunction with PAKDD 2011 in Shenzhen, China, in May 2011: the International Workshop on Behavior Informatics (BI 2011), the Workshop on Quality Issues, Measures of Interestingness and Evaluation of Data Mining Models (QIMIE 2011), the Workshop on Biologically Inspired Techniques for Data Mining (BDM 2011), the Workshop on Advances and Issues in Traditional Chinese Medicine Clinical Data Mining (AI-TCM 2011), and the Second Workshop on Data Mining for Healthcare Management (DMGHM 2011). The book also includes papers from the First PAKDD Doctoral Symposium on Data Mining (DSDM 2011). The 42 papers were carefully reviewed and selected from numerous

submissions. The papers cover a wide range of topics discussing emerging techniques in the field of knowledge discovery in databases and their application domains extending to previously unexplored areas such as data mining based on optimization techniques from biological behavior of animals and applications in Traditional Chinese Medicine clinical research and health care management.

IFRS 1 First-time Adoption of International Financial Reporting Standards Ics Press

This unforgettable novel puts human faces on the Syrian war with the immigrant story of a beekeeper, his wife, and the triumph of spirit when the world becomes unrecognizable. "A beautifully crafted novel of international significance that has the capacity to have us open our eyes and see."—Heather Morris, author of *The Tattooist of Auschwitz* WINNER OF THE ASPEN WORDS LITERARY PRIZE • FINALIST FOR THE DAYTON LITERARY PEACE PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Nuri is a beekeeper and Afra, his wife, is an artist. Mornings, Nuri

rises early to hear the call to prayer before driving to his hives in the countryside. On weekends, Afra sells her colorful landscape paintings at the open-air market. They live a simple life, rich in family and friends, in the hills of the beautiful Syrian city of Aleppo—until the unthinkable happens. When all they love is destroyed by war, Nuri knows they have no choice except to leave their home. But escaping Syria will be no easy task: Afra has lost her sight, leaving Nuri to navigate her grief as well as a perilous journey through Turkey and Greece toward an uncertain future in Britain. Nuri is sustained only by the knowledge that waiting for them is his cousin Mustafa, who has started an apiary in Yorkshire and is teaching fellow refugees beekeeping. As Nuri and Afra travel through a broken world, they must confront not only the pain of their own unspeakable loss but dangers that would overwhelm even the bravest souls. Above all, they must make the difficult journey back to each other, a path once so familiar yet rendered foreign by the heartache of displacement. Moving, intimate, and beautifully written, *The Beekeeper of Aleppo* is a book for our times: a novel that at once reminds us that the most peaceful and ordinary lives can be utterly upended in unimaginable ways and brings a journey in faraway lands close to home, never to be forgotten. Praise for *The Beekeeper of Aleppo* “This book dips below the deafening headlines, and tells a true story with subtlety and power.”—Esther Freud, author of *Mr. Mac and Me* “This compelling tale had me gripped with its compassion, its sensual style, and its onward and lively urge for resolution.”—Daljit Nagra, author of *British Museum* “This novel speaks to so much that is happening in the world today. It’s intelligent, thoughtful, and relevant, but very importantly it is

accessible. I’m recommending this book to everyone I care about.”—Benjamin Zephaniah, author of *Refugee Boy*

The sequel to *The River and the Source*, which won the Jomo Kenyatta Prize for Literature, and the Commonwealth Writers' Prize for the Best First Book, Africa Region in 1995. In this novel, Ogola tells of the lives of AIDS' orphans Lisa, Johnny and Alicia, and how they are guided to adulthood by their aunt Wandia, an intellectual and independent woman. The author weaves her narrative around the aspirations of her characters and how they develop to find a place in Luo/Kenyan society. A place they seek at the dawn of the twenty-first century, when Kenya is emerging from decades of corruption and deterioration; and in an environment of contradiction and mixed messages, where values and attitudes are continuously being re-examined.

The Weekly Review Springer Science & Business Media

“Sharp and seductive...a fantasy with teeth.” —Julie C. Dao,

author of *Forest of a Thousand Lanterns* A girl of two worlds, accepted by none... A half Reaper, half Shinigami soul collector

seeks her destiny in this haunting and compulsively readable dark fantasy duology set in 1890s Japan. Death is her destiny.

Half British Reaper, half Japanese Shinigami, Ren Scarborough has been collecting souls in the London streets for centuries.

Expected to obey the harsh hierarchy of the Reapers who despise her, Ren conceals her emotions and avoids her tormentors as

best she can. When her failure to control her Shinigami abilities drives Ren out of London, she flees to Japan to seek the acceptance she's never gotten from her fellow Reapers. Accompanied by her younger brother, the only being on earth to care for her, Ren enters the Japanese underworld to serve the Goddess of Death...only to learn that here, too, she must prove herself worthy. Determined to earn respect, Ren accepts an impossible task—find and eliminate three dangerous Yokai demons—and learns how far she'll go to claim her place at Death's side. Don't miss the must-read sequel coming in 2022!

Hoping to honor his father and the family business with innovative glass designs, Louis Comfort Tiffany launches the iconic Tiffany lamp as designed by women's division head Clara Driscoll, who struggles with the mass production of her creations and grieves the losses of two husbands. By the author of *The Girl in Hyacinth Blue*.

Such a Fun Age Cambridge University Press

The beautifully illustrated and utterly absorbing biography of one of the twentieth century's most transfixing artists Frida is the story of one of the twentieth century 's most extraordinary women, the painter Frida Kahlo. Born near Mexico City, she grew

up during the turbulent days of the Mexican Revolution and, at eighteen, was the victim of an accident that left her crippled and unable to bear children. To salvage what she could from her unhappy situation, Kahlo had to learn to keep still so she began to paint. Kahlo 's unique talent was to make her one of the century 's most enduring artists. But her remarkable paintings were only one element of a rich and dramatic life. Frida is also the story of her tempestuous marriage to the muralist Diego Rivera, her love affairs with numerous, diverse men such as Isamu Noguchi and Leon Trotsky, her involvement with the Communist Party, her absorption in Mexican folklore and culture, and of the inspiration behind her unforgettable art.

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD

LONGLIST • “A masterpiece” (NPR) about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what

to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Alma's Best Jewish Novel of the Year • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book Milestones in History and Government Random House Trade Paperbacks
ONE OF TIME'S 100 BEST BOOKS OF THE YEAR ONE OF NPR'S BEST BOOKS OF 2019 NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2019 BY WOMAN'S DAY, NEWSDAY, PUBLISHERS WEEKLY, BUSTLE, AND BOOK RIOT! "[B]rilliant, timely, funny, heartbreaking." —Jojo Moyes, #1 New York Times bestselling

author of *Me Before You* For fans of *Luster* and *I May Destroy You*, a disarmingly honest, unapologetically black, and undeniably witty debut novel that will speak to those who have gone looking for love and found something very different in its place. Queenie Jenkins is a twenty-five-year-old Jamaican British woman living in London, straddling two cultures and slotting neatly into neither. She works at a national newspaper, where she's constantly forced to compare herself to her white middle class peers. After a messy break up from her long-term white boyfriend, Queenie seeks comfort in all the wrong places...including several hazardous men who do a good job of occupying brain space and a bad job of affirming self-worth. As Queenie careens from one questionable decision to another, she finds herself wondering, "What are you doing? Why are you doing it? Who do you want to be?"—all of the questions today's woman must face in a world trying to answer them for her. With "fresh and honest" (Jojo Moyes) prose, Queenie is a remarkably relatable exploration of what it means to be a modern woman searching for meaning in today's world.

Holy Bible HarperCollins

A Best Book of the Year: The Washington Post • Chicago Tribune • NPR • Vogue • Elle • Real Simple • InStyle • Good Housekeeping • Parade • Slate • Vox • Kirkus Reviews • Library Journal • BookPage Longlisted for the 2020 Booker Prize An Instant New York Times Bestseller A Reese's Book Club Pick "The most provocative page-turner of the year." --Entertainment Weekly "I urge you to read *Such a Fun Age*." --NPR A striking and surprising debut novel from an exhilarating new voice, *Such a Fun Age* is a page-turning and big-hearted story about race and

privilege, set around a young black babysitter, her well-intentioned employer, and a surprising connection that threatens to undo them both. Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, *Such a Fun Age* explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.

Looters and Grabbers Library of Islam, Limited

Economics students will welcome the new edition of this excellent textbook. Mathematics is an integral part of economics and understanding basic concepts is vital. Many students come into economics courses without having studied mathematics for a number of years. This clearly written book will help to develop quantitative skills in even the least numerate student up to the

required level for a general Economics or Business Studies course. This second edition features new sections on subjects such as: matrix algebra part year investment financial mathematics Improved pedagogical features, such as learning objectives and end of chapter questions, along with the use of Microsoft Excel and the overall example-led style of the book means that it will be a sure fire hit with both students and their lecturers.

Basic Mathematics for Economists Cambridge University Press

A balanced mechanics-materials approach and coverage of the latest developments in biomaterials and electronic materials, the new edition of this popular text is the most thorough and modern book available for upper-level undergraduate courses on the mechanical behavior of materials. To ensure that the student gains a thorough understanding the authors present the fundamental mechanisms that operate at micro- and nano-meter level across a wide-range of materials, in a way that is mathematically simple and requires no extensive knowledge of materials. This integrated approach provides a conceptual presentation that shows how the microstructure of a material controls its mechanical behavior, and this is reinforced through extensive use of micrographs and illustrations. New worked examples and exercises help the student test their understanding. Further resources for this title, including lecture slides of select illustrations and solutions for exercises, are available online at www.cambridge.org/97800521866758.

The Law Times John Wiley & Sons

Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African

Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover

Frida Vintage

One of The New York Times 10 Best Books of the Year National Book Award Finalist Finalist for the National Book Critics Circle John Leonard Prize Finalist for the Center for Fiction First Novel Prize Finalist for the New York Public Library's Young Lions Fiction Award National Best Seller "Splendidly imagined . . . Thrilling" -- Simon Winchester "A genuine masterpiece" --Gary Shteyngart Spellbinding, moving--evoking a fascinating region on the other side of the world--this suspenseful and haunting story announces the debut of a profoundly gifted writer. One August afternoon, on the shoreline of the Kamchatka peninsula at the northeastern edge of Russia, two girls--sisters, eight and eleven--go missing. In

the ensuing weeks, then months, the police investigation turns up nothing. Echoes of the disappearance reverberate across a tightly woven community, with the fear and loss felt most deeply among its women. Taking us through a year in Kamchatka, *Disappearing Earth* enters with astonishing emotional acuity the worlds of a cast of richly drawn characters, all connected by the crime: a witness, a neighbor, a detective, a mother. We are transported to vistas of rugged beauty--densely wooded forests, open expanses of tundra, soaring volcanoes, and the glassy seas that border Japan and Alaska--and into a region as complex as it is alluring, where social and ethnic tensions have long simmered, and where outsiders are often the first to be accused. In a story as propulsive as it is emotionally engaging, and through a young writer's virtuosic feat of empathy and imagination, this powerful novel brings us to a new understanding of the intricate bonds of family and community, in a Russia unlike any we have seen before.

The Philosophy of Andy Warhol Penguin

Business Studies HSC textbook

The Double-cross Routledge

Multiagent systems combine multiple autonomous entities, each having diverging interests or different information. This overview of the field offers a computer science perspective, but also draws on ideas from game theory, economics, operations research, logic, philosophy and linguistics. It will serve as a reference for researchers in each of these fields, and be used as a text for advanced undergraduate or graduate courses. The authors emphasize foundations to create a broad and rigorous treatment of their subject, with thorough presentations of distributed

problem solving, game theory, multiagent communication and learning, social choice, mechanism design, auctions, cooperative game theory, and modal logics of knowledge and belief. For each topic, basic concepts are introduced, examples are given, proofs

of key results are offered, and algorithmic considerations are examined. An appendix covers background material in probability theory, classical logic, Markov decision processes and mathematical programming.
