The message of Tantra endorses Osho's understanding that only through total acceptance of ourselves can we grow. Osho speaks on Tantra meditation techniques (let go and surrender), and tantric love and spirituality in sex. Here the Tantra message — don't live a repressed life, otherwise you don't live at all — is made accessible and understandable to modern readers, who will learn to live a life of expression, creativity, and joy.

Mit diesem Buch möchte der Autor dem Leser im ersten Teil Grundlagen einer tantrischen Lebensweise nahebringen, die es ermöglichen Tantra auch in unserer modernen westlichen Welt zu leben. Tantra soll also weniger erklärt werden, sondern es soll gezeigt werden, dass tantrische Gedanken jeden Tag in unseren Alltag einfließen können und Tantra erlebt und gelebt werden kann. Im zweiten Teil möchte der Autor zeigen, wie eine tantrische Lebensweise ein erweitertes Verständnis von Nähe und Distanz, aber auch von Liebe, Treue und Intimität jede Beziehung bereichern kann. Vertrauen und Sexualität gemeinsam zu erforschen und zu erleben lässt uns Nähe wirklich spüren. Darüber hinaus werden anhand der für Generationen aktuellen Themen Potenziale für persönliche Weiterentwicklung beschrieben. Mit dem dritten Teil soll ein Beitrag zu einem besseren Verständnis tantrischer Selbsterfahrung und einem offeneren Umgang mit tantrischen Seminaren und Seminarinhalten geleistet werden. Tantrische Selbsterfahrung hat nichts mit dem sprichwörtlichen esoterischen Swingerclub zu tun. Es geht tatsächlich darum Dich selbst - vor allem Dein inneres Selbst - besser kennenzulernen. Dich anzunehmen und wahrzunehmen. Dabei kannst Du auch nur

das in Dir finden, was bereits da ist. Manchmal ist es ein langwieriger und schmerzhafter Prozess. Aber es lohnt sich diesen Weg zu gehen, denn die Wahrnehmung des eigenen Selbst und die Freiheit, die aus dem Annehmen des Selbst wächst, belohnt und bereichert uns für jede noch so schmerzliche Erfahrung. Der Autor verarbeitet in diesem Buch seine ganz persönliche Erfahrung mit Tantra und einer tantrischen Lebensweise. Die Geschichten von und über Menschen, mit denen dieses Buch bereichert wird, sind dem echten Leben entnommen - und es sind auch die ganz persönlichen Geschichten des Autors.

AS A YOUNG WOMAN, Tilly flees home for the hollow underworld of Nevada, looking for pure souls and finding nothing but bad habits. One day, after Tilly has spent nearly thirty years without a family, drinking herself to the brink of death, her niece Stella—who has been leading her own life of empty promise in New York City—arrives on the doorstep of Tilly's desert trailer. The Gin Closet unravels the strange and powerful intimacy that forms between them. With an uncanny ear for dialogue and a witty, unflinching candor about sex, love, and power, Leslie Jamison reminds us that no matter how unexpected its turns, the life we're given is all we have: the cruelties that unhinge us, the beauties that clarify us, the addictions that deform us, those fleeting possibilities of grace that fade as quickly as they come. The Gin Closet marks the debut of a stunning new talent in fiction.

The Gin Closet Farrar, Straus and Giroux
Crowds and Power is a revolutionary work in which Elias Canetti finds a new way of looking at human history and psychology. Breathtaking in its range and erudition, it explores Shiite festivals and the English Civil war, the finger exercises of monkeys and the effects of inflation in Weimar Germany. In this study of the interplay of crowds, Canetti offers one of the most profound and startling portraits of the human condition.

Freedom from Illusion Simon and Schuster

An anthology of the complex issues of the ego, ambition, power and destructiveness from the perspective of a contemporary mystic. Osho shows the way to liberation from the illusions of the personality through an internal revolution - the psychology of the Buddhas. The ego is just the opposite of your real self. The ego is not you. It never allows you even a glimpse of your real authentic self, and your life is there, in your authenticity. Hence, this ego only produces misery, suffering, fighting, frustration, madness, suicide, murder -- all kinds of crime.

Direct Into Chaos St. Martin's Griffin
Fiction. Art. Women's Studies. Translated by Way Film. Aleen Solari is an artist whose work is shaped profoundly by insights into various subcultures. These insights are partly drawn from her own experiences, partly borrowed from members of certain scenes who she invites to be part of her work. Her sculptural practice moves in and out of life within these groups, and is full of codes and quotations from antifa members, football hooligans, bored youth clubs or those embedded in neonazi networks. DIRECT INTO CHAOS is a book that dives deep into these worlds, shape-shifting between fiction, documentation and artwork.

Discover your ability to be brave in times of adversity with **Courage: The Joy of Living Dangerously**—from one of the greatest spiritual teachers of the twentieth century. **Courage** is not the absence of fear, says Osho. It is, rather, the total presence of fear, with the courage to face it. This book provides a bird's-eye view of the whole terrain—where fears originate, how to understand them, and how to call on your inner strength to confront them. In the process, Osho proposes that whenever we are faced with uncertainty and change in our lives, it is actually a cause for celebration. Instead of trying to hang on to the familiar and the known, we can learn to enjoy these situations as opportunities for adventure and for deepening our understanding of ourselves and the world around us. Having courage is more than just heroic acts in exceptional

circumstances. It's a necessity to lead authentic and fulfilling lives on a day-to-day basis. This is the courage to change when change is needed, the courage to stand up for our own truth, even against the opinions of others, and the courage to embrace the unknown in spite of our fears—in our relationships, in our careers, or in the ongoing journey of understanding who we are and why we are here. Courage

also features meditation techniques specifically designed by Osho to help people cope with their fears. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with

Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.
