The debut novel from the

bestselling author of *Eat, Pray, Love* On two remote islands off the coast of Maine, the local lobstermen have fought savagely for generations over the fishing rights to the ocean waters between them. Young Ruth Thomas is born into this feud, the daughter of one of the greediest lobstermen in Maine. Eighteen years old, as smart as a whip, and irredeemably unromantic, Ruth returns home from boarding school determined to throw her education overboard and join the 'stern-men'. As

the feud escalates, she helps work the lobster boats, brushes up on her profanity, and eventually falls for a handsome young lobsterman. A funny, sparkling novel of unlikely friendships and family ties, *Stern Men* captures a feisty American spirit through this unforgettable heroine who is destined for greatness despite herself. *Stern Men* was a New York Times Notable Book. *Paddle Your Own Canoe* Penguin
The cowboys, strippers, labourers and magicians

of Pilgrims are all on their way to being somewhere, or someone, else. Some are browbeaten and world-weary, others are deluded and naïve, yet all seek companionship as fiercely as they can. A tough East Coast girl dares a western cowboy to run off with her; a matronly bar owner falls in love with her nephew; an innocent teenager falls hopelessly for the local bully's sister. These are tough heroes and heroines, hardened by their experiences, who struggle for their

epiphanies. Yet hope is never far away and though they may act blindly, they always act bravely. Sharply drawn and tenderly observed, *Pilgrims* is filled with Gilbert's inimitable humour and warmth. *Stern Men* Random House Trivia-on-Book: The Signature of All Things by Elizabeth Gilbert Take the challenge yourself and share it with friends and family for a time of fun! At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in pursuit of bigger, bolder

challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged cars on the highways, ate road kill and slept on the hard ground. Now, more than

twenty years on, Eustace is still in the mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instill in people a deeper appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a visionary, a narcissist, a brilliant but flawed

modern hero. The Last American Man is an unforgettable adventure story of an irrepressible life lived to the extreme. When it appeared in 1997, Elizabeth Gilbert's story collection, Pilgrims, immediately announced her compelling voice, her comic touch, and her amazing ear for dialogue. "The heroes of Pilgrims . . . are everyday seekers" (Harper's Bazaar)—brave and unforgettable, they are sure to strike a chord with fans old and new. Eat Pray Love Penguin A glorious, sweeping novel of desire, ambition, and the thirst for knowledge, from the # 1 New York Times bestselling author of Eat

Pray Love, Big Magic, and City of Girls In The Signature of All Things, Elizabeth Gilbert returns to fiction, inserting her inimitable voice into an enthralling story of love, adventure and discovery. Spanning much of the eighteenth and nineteenth centuries, the novel follows the fortunes of the extraordinary Whittaker family as led by the enterprising Henry Whittaker—a poor-born Englishman who makes a great fortune in the South American quinine trade, eventually becoming the

richest man in Philadelphia. Born in 1800, Henry’s brilliant daughter, Alma (who inherits both her father’s money and his mind), ultimately becomes a botanist of considerable gifts herself. As Alma’s research takes her deeper into the mysteries of evolution, she falls in love with a man named Ambrose Pike who makes incomparable paintings of orchids and who draws her in the exact opposite direction—into the realm of the spiritual, the divine, and the magical. Alma is a

clear-minded scientist; Ambrose a utopian artist—but what unites this unlikely couple is a desperate need to understand the workings of this world and the mechanisms behind all life. Exquisitely researched and told at a galloping pace, The Signature of All Things soars across the globe—from London to Peru to Philadelphia to Tahiti to Amsterdam, and beyond. Along the way, the story is peopled with unforgettable characters: missionaries, abolitionists,

adventurers, astronomers, sea captains, geniuses, and the quite mad. But most memorable of all, it is the story of Alma Whittaker, who—born in the Age of Enlightenment, but living well into the Industrial Revolution—bears witness to that extraordinary moment in human history when all the old assumptions about science, religion, commerce, and class were exploding into dangerous new ideas. Written in the bold, questing spirit of that

singular time, Gilbert's wise, deep, and spellbinding tale is certain to capture the hearts and minds of readers. [Eat, Pray, Love: A Novel by Elizabeth Gilbert \(Trivia-On-Books\)](#) Hay House, Inc "[This] unflinching, incendiary debut combines the espionage novels of John le Carré with the racial complexity of Ralph Ellison's *Invisible Man*."--Publishers Weekly (starred review) What if your sense of duty required you to betray the man you love? It's 1986,

the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She's brilliant, but she's also a young black woman working in an old boys' club. Her career has stalled out, she's overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she's given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has

made him a target for American intervention, she says yes. Yes, even though she secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she's being offered the job because of her appearance and not her talent. In the year that follows, Marie will observe Sankara, seduce him, and

ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events--Thomas Sankara is known as "Africa's Che Guevara"--American Spy knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you've never seen before, and it introduces a powerful new literary voice. Advance

praise for American Spy "Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, American Spy lays our complicities--political, racial, and sexual--bare. Packed with unforgettable characters, it's a stunning book, timely as it is timeless."--Paul Beatty, Man Booker Prizewinning author of The Sellout "American Spy is by turns suspenseful, tender, and funny, always smart and searingly honest. Lauren Wilkinson renders the world of spies with vivacity and depth,

and shines a penetrating light on what it's like to be a black woman in America. But like all great novels, this one teaches us most about ourselves and our values. "--Sara Nović, author of *Girl at War*

Recently, Elizabeth Gilbert unpacked some boxes of family books that had been sitting in her mother's attic for decades. Among the old, dusty hardbacks was a book called *At Home on the Range*, written by her great-grandmother, Margaret Yardley Potter. As Gilbert writes in her Foreword: 'I jumped up and dashed through the house to find my husband, so I could read parts of it to him: Listen to this! The humor! The insight! The sophistication! Then I

followed him around the kitchen while he was making our dinner (lamb shanks), and I continued reading aloud as we ate... By the end of the night there were three of us sitting at that table. Gima had come to join us, and she was wonderful, and I was in love.' The cookbook was far ahead of its time. In it, Potter espouses the importance of farmer's markets and ethnic food (Italian, Jewish and German), derides preservatives and culinary shortcuts and generally celebrates a devotion to

epicurean adventures. Potter takes car trips out to Pennsylvania Dutch country to eat pickled pork products, and to the eastern shore of Maryland, where she learns to catch and prepare eels so delicious, she says, they must be 'devoured in a silence almost devout'. Part scholar and part crusader for a more open food conversation than currently existed, it's not hard to see where Elizabeth Gilbert inherited both her love of food and her warm, infectious

prose. *At Home on the Range* is a fascinating, humorous and useful cookbook from the past that is essential for the present day.

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of Eat Pray Love and The Signature of All Things, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today

"Pairs well with a cocktail...or two." - TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), City of Girls explores themes of

female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing

showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from

all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other. [The Shoe Burnin' A&C](#)

Set against the magnificent backdrop of Alaska in the waning days of World War II, *The Cloud Atlas* is an enthralling debut novel, a story of adventure and awakening—and of a young soldier who came to Alaska on an extraordinary, top-secret mission...and found a

world that would haunt him forever. Drifting through the night, whisper-quiet, they were the most sublime manifestations of a desperate enemy: Japanese balloon bombs. Made of rice paper, at once ingenious and deadly, they sailed thousands of miles across the Pacific...and once they started landing, the U.S. scrambled teams to find and defuse them, and then keep them secret from an already anxious public. Eighteen-year-old Louis Belk was one of

those men. Dispatched to the Alaskan frontier, young Sergeant Belk was better trained in bomb disposal than in keeping secrets. And the mysteries surrounding his mission only increased when he met his superior officer—a brutal veteran OSS spy hunter who knew all too well what the balloons could do—and Lily, a Yup'ik Eskimo woman who claimed she could see the future. Louis's superior ushers him into a world of dark secrets; Lily introduces Louis to an equally

disorienting world of spirits—and desire. But the world that finally tests them all is Alaska, whose vastness cloaks mysteries that only become more frightening as they unravel. Chasing after the ghostly floating weapons, Louis embarks upon an adventure that will lead him deep into the tundra. There, on the edge of the endless wilderness, he will make a discovery and a choice that will change the course of his life. At once a heart-quickenning mystery and a unique love story, *The Cloud*

Atlas is also a haunting, lyrical rendering of a little-known chapter in history. Brilliantly imagined, beautifully told, this is storytelling at its very best.
