**Set My Heart on Fire** Christian Faith Publishing, Inc.

This is the second volume of The Bible in Medieval Tradition (BMT), a series that aims to reconnect the church with part of its rich history of biblical interpretation. Ian Levy, Philip Krey, and Thomas Ryan's Letter to the Romans presents the history of early and medieval interpretations of Romans and gives substantial translations of select medieval commentaries. Written by eight representative medieval interpreters between the ninth and fourteenth centuries, these commentaries have never been translated into English before. This valuable book will enhance contemporary reading of the Bible even as it lends insight into medieval scholarship. As Levy says, the medieval commentaries exhibit "qualities that many modern commentaries lack: a spiritual depth that reflects their very purpose, namely, to read Holy Scripture within the sacred tradition under the guidance of the Holy Spirit."

*Philippians, God's Love Letter* Christian Faith Publishing, Inc.

Christians within evangelicalism have always had a high regard for the Bible. How has the eternal Word of God been received across various races, age groups, genders, nations, and eras? This collection of historical studies focuses on evangelicals' defining uses—and abuses—of Scripture, from Great Britain to the Global South, from the high pulpit to private devotions and public causes.

*Dear Church* Fortress Press

"Love is my grounding," says Becca Stevens. "It provides the axioms that inform and govern what I do. First is that love is the most powerful source for social change in the world. Second is that love heals. I'm not called to change the world. I am called to love it." "All spiritual paths can be walked more gracefully by avoiding the pitfalls of disillusionment and not getting distracted by the bright lights of ego that have led countless priests far afield. Following simple road signs like courage, humility, forgiveness, compassion, and faithfulness that others have put at the crossroads for me has made the work possible and left me grateful. I want to pass along through these letters a tradition of a priesthood that is grounded in the idea that love heals and healing is the central-most sacrament of the church."

Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work—drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, Dear Church offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. Dear Church rejects the narrative of church decline and calls everyone—leaders and laity alike—to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

*Twenty-five Letters, Hitherto Unpublished* Liturgical Press

In 1961 at Garabandal, at the height of power of the Soviet Union, Mary told Conchita and the other three girls that "When Communism comes back, these things [marking the end of time] would begin." The girls asked: "Come back? Where is it going?" Now we've seen Communism go, overcome by Pope St. John Paul II and other leaders, and now we're seeing it come back. At Fatima, Mary said that if the Holy Father in union with the bishops of the world consecrated the world to her Immaculate Heart, "An era of peace would be granted to mankind." Pope St. John Paul II made this consecration in 1984. But how long is an era of peace? In the Psalms a man's life is 70 or 80 years, an average of 75. The Soviet Union lasted for 75 years (1917-1991). Perhaps the Chinese CCP will last for 75 years, having begun in 1949. If the era of peace is 75 years long, and if it began with the end of World War II in 1945, the era of peace ended in 2020. Mary also said that "in the end [her] Immaculate Heart would triumph."

*Letters to Myself from the End of the World* Covenant Books, Inc. This Philippians Bible study is ideally suited for personal study and enrichment. This love letter from God will bless you personally and prove to be a valuable resource and guide for teaching or preaching through Philippians. The great themes of Philippians are many and sublime: commitment, evangelism, the magnificence of Christ, the salvation by Grace alone, sanctification, service, the second coming, unity, and many more. Dr. Hutson systemically moves through Philippians with clear exegesis and explanations. He shows how the church in Philippi is a model church. Unlike other Pauline epistles, which are characteristically stern, Philippians is extremely tender. He speaks affectionately to the church, but also exposes the subtle danger that always threatens every good church. This commentary and sermon series provides insight to life in the young church at Philippi and will cause you to see how relevant life in that church is to churches in any day.

The Letters of Ruth Pitter: Silent Music is a selection of the most important letters written by Pitter, who won the Hawthornden Prize in 1937 for *A Trophy of Arms* (1936) and the Queen's Gold Medal for Poetry in 1955. Her letters, spanning 1908 to 1988, offer insights into some of the most important literary, social, and historical events of this period; especially compelling are the letters she wrote while living in London during World War II.

*How to Hear God* Tyndale House Publishers

If you could talk to your younger self, what would you tell her? If you could equip her for the challenges she would face today, with the Church plagued by scandal and the culture on the verge of collapse, what would you say? In *Letters to Myself from the End of the World*, Emily Stimpson Chapman answers those questions, weaving Catholic theology, biblical wisdom, and her own life experience into forty-five "letters" to her twenty-five-year-old self.

Both personal and practical, Chapman's letters reflect upon sin and grace, the Church's sacraments and saints, scandals and injustice, social media and prayer, suffering, adoption, motherhood, and much more. Written in real time, during the summer and fall of 2020, while pandemics and riots filled the news and as Chapman and her husband prepared to adopt a second child, *Letters to Myself from the End of the World* is a faithful guide for pursuing holiness and spiritual maturity in a world broken by sin. It's also a testimony to the power of grace to heal our hearts, renew our minds, and transform our lives.

**The New Jerusalem and the Old Jerusalem** InterVarsity Press

This book has been created with the intention of strengthening the body of Christ with the emphasis on complete dependence on God, the Author and Finisher of our faith. Even in the midst of confusion and chaos, God desires to have a permanent relationship with Christian disciples all over the world through prayer and supplication to the glory of His name. God desires to speak with us to enable that goal in understanding Who He is and how He works in our lives.

The letter to the Ephesians provokes an array of interpretive questions regarding authorship, audience, date, occasion, purpose of writing, and the nature of its moral instruction—including its words addressed to slaves and masters. Interacting critically in an arena of intense debate, Lynn Cohick provides an exegetically astute analysis of the six chapters of Ephesians, offering an insightful account of the letter's theology and soteriology as she attends to its expansive prose and lofty vision of God's redemption. Cohick analyzes everything from the letter's description of the church and its appeals for discipleship to the complex relationship between Jews and gentiles within the text and in the broader cultural context. Her extensive knowledge of the social realities of women and families in the ancient world is also evident throughout. Historically sensitive and theologically rich, Cohick's commentary will be an abundant resource for a new generation of scholars, pastors, and lay leaders.

**Spiritual Growth Through Team Experience** Emmaus Road Publishing

Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion, deception, and downright abuse. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need his clarity; facing formidable decisions when we need his guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. Having addressed God's silence in *God on Mute*, and then *How to Pray* in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience—How to Hear God. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's "still, small voice" within.
