'The Gum Family Finds Home' is a delightful Australian story about home and family and a celebration of the stunning Australian landscape and its flora and fauna. Join the Gum family of koalas, who hitch up their caravan and set off in search of the perfect home. Together with the Gum family, children will explore the sheer variety and imposing grandeur of the Australian geological landscape, from Uluru to King's Canyon, from gorges and limestone pillars to precariously placed boulders and sweeping plains. Searching for that perfect home, they learn the heart-warming truth that the best home is the one you create for yourself among family and friends. Parents, friends, carers and teachers will enjoy the age-old premise that 'home is where your heart is' and smile as children try to figure out where the Gums will decide to live. At the back of the book, travel the country again through photographs of locations from the story and learn fascinating facts about their formation and history.

Are your worries and fears getting way too big? Is your anxiety getting in the way of doing the things you want? Do you feel hopeless to take control of your worries? If

you do, you're not alone. Anxiety is a problem people have been facing since the age of cavemen! If you're looking for a way to understand what is going on in your body and mind so you can take charge of that worry, then you've come to the right place! A psychotherapist, and self-proclaimed anxiety sufferer, Alison Lester shares her personal and professional wisdom in *It's Not a Saber Tooth: Understanding and Coping with Anxiety*. Through metaphors, characters, and humor, she provides a child-friendly way to understand the science of anxiety and how we can work with our bodies and minds to create lasting change. In these pages you'll learn: How our natural survival instinct can contribute to anxiety What we can do to get better at tolerating the distress of anxiety How to create change in both our minds and bodies to reduce anxiety This workbook is a tool designed for children and parents to work together at changing their experience with anxiety. Alison combines various techniques including ideas based in Cognitive Behavioral Therapy (CBT) and Mindfulness Based Stress Reduction (MBSR), two of the most widely used methods of treating anxiety in children and adolescents. The methods presented here are focused at doing more than just masking anxiety or treating symptoms; the goal is to create deep, internal, long-lasting change at the core of our children's lives. If you are looking for REAL change, this is the book for you!

This book is a gem! Alison has written a book that is useful, well written and very user friendly. Truly a unique combination in the overcrowded world of self-help workbooks. Alison masterfully guides you through important information and practical exercises that make sense out of the often confusing and distressing experience of anxiety. Rather than portraying anxiety as something that is wrong, she assures you that what you are dealing with is a normal condition that makes you feel abnormal. Alison clearly outlines exactly what anxiety is and offers practical steps to calm down the "saber-tooth." Her style is amazingly inviting, reassuring and direct. Alison has been there and offers powerful insights and tools to help you recognize, accept and hold you exactly as you are. Now!!! Get a pencil and follow the journey Alison has laid out. You will be glad you did! -- Thomas Roberts, LCSW, LMFT, author of *The Mindfulness Workbook: A Beginner's Guide to Overcoming Fear and Embracing Compassion*
