Cut the Crap and Jargon Rupa Publications India

A new edition of Mayo's controversial 1927 book, with commentary that sheds new light on Indian nationalism of this period

Matters of Discretion Rupa Publications

This set of five volumes documents the life and work of Manmohan Singh, an academic, a policymaker, and a politician who has had a deep impact on India and its economy. The volumes offer his selected speeches, articles, and interviews, starting from the 1950s, when he was in the academia, through the 1980s and 1990s, when he was India's finance minister, to 2004-14, when he was the prime minister of India. Manmohan Singh's writings reflect on the reforms that transformed the Indian economy and lay the foundations for a stronger medium-term growth story than the kind that India had witnessed in the

preceding 44 years since Independence. The five volumes bring together Singh's essays and speeches on various subjects- economic reforms, India's export trends and the prospects for self-sustained growth, trade and development, and international economic order and equity in development.

*The Accidental Prime Minister* Anchor

'A sensational book' India Today A shocking exposé of the event that changed Indian politics forever P.V. Narasimha Rao was the prime minister of India when, on 6 December 1992, thousands of kar sevaks stormed into the site of the Babri Masjid in Ayodhya. The nation watched in horror as the centuries-old mosque was razed to the ground, in the presence of paramilitary forces and senior political leaders, marking a turning point in post-Independence Indian history. Many hold Rao responsible for not preventing the demolition, while others accuse him of being a co-conspirator. In this tell-all account, Rao reveals what really transpired in the run-up to that fateful day. Drawing on the Supreme Court order, parliamentary proceedings, eyewitness reports and his own insights, he presents a comprehensive view

of the machinations that led to the demolition of the Babri Masjid. Nearly three decades after the event, Ayodhya: 6 December 1992 remains a valuable resource to understanding the political manoeuvres behind the Ram Mandir issue and the dangers of exploiting religious sentiments for narrow electoral gains.

India Unbound Manas Publications

'Few people know more about India's financial system than Dr Y.V. Reddy. And even fewer have the authority that he commands.' - Raghuram Rajan, former RBI governor 'If America had a central bank chief like Y.V. Reddy, the US economy would not have been in such a mess.' - Joseph Stiglitz, economist and Columbia University professor 'One among the brightest intellectuals living in India today...the most eminent central banker of the last decade across the world.' - P. Chidambaram, former Union finance minister 'How did India manage to beat the odds? [It was] largely the result of the sound management and foresight of one man: Yaga Venugopal Reddy.' - Arvind Panagariya, vice-chairman of the Niti Aayog 'I have high regard for him for two reasons. First, his complete integrity. There are very few civil servants like him who are not self-centered. He does not want to please any bureaucrat or minister. Second, his devotion to work. Intellectually, he is very open.' - Bimal Jalan, former RBI governor 'Unlike Alan Greenspan, who didn't believe it was his job to even point out bubbles, much less try to deflate them, Mr Reddy saw his job as making sure Indian banks did not get too caught up in the bubble mentality.' - Joe Nocera, American journalist and author 'Dr Reddy is of a generation that believed public service was the highest calling.' - Karina Robinson, editor, The Banker magazine A journalist once asked

Y.V. Reddy, 'Governor, how independent is the RBI?' 'I am very independent,' Reddy replied. 'The RBI has full autonomy. I have the permission of my finance minister to tell you that.' Reddy may have put it lightly but it is a theme he deals with at length in Advice and Dissent. Spanning a long career in public service which began with his joining the IAS in 1964, he writes about decision making at several levels. In his dealings, he was firm, unafraid to speak his mind, but avoided open discord. In a book that appeals to the lay reader and the finance specialist alike, Reddy gives an account of the debate and thinking behind some landmark events, and some remarkable initiatives of his own, whose benefits reached the man on the street. Reading between the lines, one recognizes controversies on key policy decisions which reverberate even now. This book provides a ringside view of the licence permit raj, drought, bonded labour, draconian forex controls, the balance of payments crisis, liberalisation, high finance, and the emergence of India as a key player in the global economy. He also shares his experience of working closely with some of the architects of India's economic change: Manmohan Singh, Bimal Jalan, C. Rangarajan, Yashwant Sinha, Jaswant Singh and P. Chidambaram. He also worked closely with extraordinary leaders like N.T. Rama Rao, as described in a memorable chapter. As governor of the RBI from 2003 to 2008 he presided over a period of high growth, low inflation, a stable rupee and ample foreign exchange reserves -- a far cry from the 1991 crisis he lived through and describes in vivid detail, when the country had to mortgage its gold to meet its debt obligations. He is credited with saving the Indian banking system from the sub-prime and liquidity crisis of 2008 that erupted shortly after his

term at RBI ended. Dr Reddy provides insight into post-crisis reflection undertaken by several global institutions on the international monetary system and financial architecture. In addition, he describes the development of the Fourteenth Finance Commission report, which he chaired, and is considered a game changer. Leavened with his irrepressible sense of humour, *Advice and Dissent* is a warm, engaging account of a life that moves easily from his career in the districts as a young IAS officer to the higher echelons of policy making, in a trajectory that follows change in the country itself.

Ayodhya Lancer Publishers LLC

India today is a vibrant free-market democracy, a nation well on its way to overcoming decades of widespread poverty. The nation's rise is one of the great international stories of the late twentieth century, and in *India Unbound* the acclaimed columnist Gurcharan Das offers a sweeping economic history of India from independence to the new millennium. Das shows how India's policies after 1947 condemned the nation to a hobbled economy until 1991, when the government instituted sweeping reforms that paved the way for extraordinary growth. Das traces these developments and tells the stories of the major players from Nehru through today. As the former CEO of Proctor & Gamble India, Das offers a unique insider's perspective and he deftly interweaves memoir with history, creating a book that is at once vigorously analytical and vividly written. Impassioned, erudite, and eminently readable, *India Unbound* is a must for anyone interested in the global economy and its future.

**Because India Comes First** Konark Publishers Pvt, Limited  
One day in November 2001, Mukesh Ambani, Chairman of

Reliance Group, the largest private sector enterprise in India, mandated K.V. Subramaniam to build a life sciences business from scratch. With no formal education in biology, he was initially at sea. But, endowed with a corporate business development background and a do-or-die spirit, he set out to systematically understand and create a research-driven, biotechnology-leveraged company with a differentiated footprint and a distinct culture. In the process, in an environment that is severe on performance, which Reliance Group is known for, he defied detractors, fixed snags and surmounted both personal and business setbacks to ring in a successful technology business with sustained high growth, profitability and stature. Apart from giving insights into the Reliance way of building and managing businesses, K.V. Subramaniam goes beyond the narrative of nurturing a life sciences company to step back and derive messages and morals that are applicable to any technology-driven venture. This candid, conversational account of his encounters and excitements holds valuable lessons for those who are either starting a new business or managing an existing one.

*The Insider* Rupa Publications

Deterrence Is A Policy That Fashions A Situation Whereby War Can Be Limited If Not Averted. It Rests On The Capability Of A Nation To Deter The Enemy, Ensure That The Credibility Of The Threat Is Maintained, And Respected, And Use That Capability When Necessary. Nuclear Weapons Deter, But There Is The Pursuit For The Absolute Means To Seek Foolproof Deterrence. Herein Lies The Dilemma. The Stakes Involved In A Nuclear War And The Use Of These Weapons Stimulate Varied And Worried Debates. To Justify A War, Arguments Tend To Get Grounded On

Just War The Doctrine Of Just War Is Concerned Not With What Men Did In War But What They Ought To Do Or Refrain From Doing; The Jus Ad Bellum Or Justification Of War And The Jus In Bello Or The Limitation Of War.

From Narasimha Rao to Narendra Modi Oxford University Press, USA

India's Power Elite is a study of the nature of power and elitism in postcolonial India. Its point of departure is the political transition under way in twenty-first-century India, with the marginalization of the Congress Party and the staging of a cultural revolution symbolized by the rise of Hindu majoritarianism. Baru deconstructs the morphology of the Indian power elite-comprising remnants of a feudal gentry, kulaks, a metropolitan business class, the civil services and a cultural elite of opinion-makers. He also examines the role of caste, class and culture in the emergence of a 'New India'. Aimed at the socially engaged reader, this book will interest both students as well as those who wield power.

The Turbulent Years 1980-1996 Harper Collins

In this biographical study of his own family, Zareer Masani describes in a brutally frank language his own assessment about the intimate life of his parents, the charismatic Indian politician Minoo Masani and his talented wife Shakuntala.

*My Years with Indira Gandhi* Rupa Publications

With the phenomenal growth of newspapers and periodicals in India, their styles have become as unique as the identities of individuals. Keeping track of the changing scenario in the Indian English press, this book presents a critical study of stylistic variations followed by leading dailies and periodicals. The

exposition is supported by an in-depth analysis of historic case studies like Indira Gandhi's assassination, Bhopal gas tragedy and terrorism in Punjab. Also the book tries to answers some critical questions like: \* Will the print media survive the Onslaught of the electronic media? \* Can a journalist be really objective in the present scenario?

Open Secrets University of Michigan Press

The Coalition Years begins its journey in 1996 and explores the highs and lows that characterized sixteen years of one of the most tumultuous periods in the nation's political history. It is an insightful account of the larger governance phenomenon in India-coalition politics-as seen through the eyes of one of the chief architects of the post-Congress era of Indian politics.

*And All is Said* Penguin UK

When *The Accidental Prime Minister* was published in 2014, it created a storm and became the publishing sensation of the year. The Prime Minister's Office called the book a work of 'fiction', the press hailed it as a revelatory account of Prime Minister Manmohan Singh's first term in UPA. Written by Singh's media adviser and trusted aide, the book describes Singh's often troubled relations with his ministers, his cautious equation with Sonia Gandhi and how he handled the big crises from managing the Left to pushing through the nuclear deal. Insightful, acute and packed with political anecdotes, *The Accidental Prime Minister* is one of the great insider accounts of Indian political life.

*1991* Harper Collins

Political situation in Sri Lanka before and after the signing of the Indo-Sri Lanka agreement of July 1987.

Conflict Communication Penguin Enterprise

Autobiography of a politician.

**Assignment Colombo** Viking Books

Start-ups are the fountainheads of innovation that power this world. However, they lose the plot when they do not have access to timely, contextual and good quality advice based on a deep understanding of the real issues on the ground that comes with experience in the trenches. It is sad to see intrepid and tenacious entrepreneurs fail because of small things. This book is as much about these as it is about some of the more complex navigational skills required to avoid major pitfalls. A practical book for every entrepreneur, *Cut the Crap and Jargon* will make an interesting read for a global audience.

*Modernity At Large* Inst of Southeast Asian Studies

When P.V. Narasimha Rao became the unlikely prime minister of India in 1991, he inherited a nation adrift, violent insurgencies, and economic crisis. Despite being unloved by his people, mistrusted by his party, and ruling under the shadow of 10 Janpath, Rao transformed the economy and ushered India into the global arena. With exclusive access to Rao's never-before-seen personal papers and diaries, this definitive biography provides new revelations on the Indian economy, nuclear programme, foreign policy and the Babri Masjid. Tracing his early life from a small town in Telangana through his years in power, and finally, his humiliation in retirement, it never loses sight of the inner man, his difficult childhood, his corruption and love affairs, and his lingering loneliness. Meticulously researched and brutally honest, this landmark political biography is a must-read for anyone interested in knowing about the man responsible for transforming India.

The Man Who Remade India Viking

This is the first easy-to-read book about recent Indian political history. Pegged on the general elections that shaped today's India, *Mandate: Will of the People* tells the story of Indian politics in a gripping, pageturning style. Vir Sanghvi, the well-known journalist and TV anchor, draws on his personal experiences and memories as well as scores of interviews to piece together an incisive and candid account of what went on behind the scenes. Peppered with little-known details and insider information, this book tells the stories behind the story and brings alive the men and women behind the headlines. *Mandate: Will of the People* contains the real story of the declaration of the Emergency, the rise and fall of Sanjay Gandhi, the Punjab insurgencies, the assassination of Indira Gandhi and the bloody riots that followed her death. It tracks the emergence of Rajiv Gandhi, and explains the Bofors scandal that contributed to his defeat. Many of the questions that linger over Indian politics are answered here: how did Narasimha Rao become Prime Minister? Why did he liberalise the economy? What was the Ram Mandir agitation really about? Why didn't Sonia Gandhi agree to be PM? And how did Manmohan Singh's weakness clear the way for Narendra Modi. If you have to read one book about Indian politics - then this is it.

Through the Corridors of Power Penguin UK

Novel set against the contemporary political situation in India.

**Back Stage** Penguin Random House India Private Limited

Summary: Novel set against the contemporary political situation in India.

*A Place in My Heart* Penguin Group

Dr. P.C. Alexander *Stands Out As One Of The Most Distinguished*

And Respected Indians In The Post-Independence Era. He Has Held, With Great Distinction, Several Top Positions In Public Life Both At A National And International Level Over A Period Of More Than Five Decades. The Author Traces The Career Graph As It Developed Over The Years And Highlights Various Incidents That Left An Indelible Mark On His Mind. For Instance, He Recounts His Bitter Experiences During His Interaction With Prime Minister Moraji Desai During The Late 1970S Due To His Principled Stand On Certain Issues. As Principal Secretary To Prime Minister Indira Gandhi And Later To Her Successor, Rajiv Gandhi, During

1981-85, He Played A Crucial Role In The Momentous Developments Of That Period, Such As Operation Blue Star And The Dismissal Of Farooq Abdullah As The Chief Minister Of Jammu And Kashmir. His Tenures As Governor Of Tamil Nadu And Maharashtra Along With The Turbulent Events Of The Time Have Been Described In A Fortright Manner. Throughout His Narrative, Dr. Alexander Highlights How He Tried To Maintain The Highest Standards Of Integrity And Impartiality In All His Dealings In The Service Of The Nation.
