Exploring Genesis Wm. B. Eerdmans Publishing

Are you struggling today? Do you look back and long for what used to be, or are you looking ahead and have no idea what's coming? Are you stuck in the middle of a mess because life has not turned out as you expected? When you run to God for answers, do you often feel like you aren't getting them--or at least aren't getting the answers you want? Are you holding on . . . but not sure how much longer you can? In times of not knowing, Sheila Walsh offers a lifeline of hope. With great compassion born of experience and hardship, Walsh comes alongside the hurting, fearful, and exhausted to remind us that we serve a God who is so much greater than our momentary troubles, no matter how insurmountable they feel. She doesn't offer a quick fix. She offers a God fix. Sharing from her own painful struggles and digging deep into biblical stories of rescue, hope, and miracles, she gives you the strength to keep going, to keep holding on to God in a

world turned upside down. The accompanying study includes 10 lessons to help individuals or groups dive deeper.

Exploring Romans Kregel Academic

"Even by the Psalms' high standards, the poems of Books 3 and 4 are extraordinary in their insight and inspiration-inspiring beloved hymns and offering remedies to life's fiercest struggles"--

Psalms 73-150 Kregel Academic

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

Preliminary biblical studies Baker Books

This commentary on the book of Psalms by Robert Davidson seeks to show how a knowledge of the place the psalms originally had in the worship of ancient Israel enables them to come alive in worship within believing communities today.

Sermons on the Book of Job Kregel Academic

The Psalms possess an enduring fascination for us. For frankness, directness, intensity and intimacy, they are unrivaled in all of Scripture. Somehow the psalmists seem to have anticipated all our awe, desires and frustrations. No wonder Christians have used the Psalms in worship from the earliest times to the present. Yet the Psalms cause us difficulties when we look at them closely. Their poetry is unfamiliar in form. Many images they use are foreign to us today. And the psalmists sometimes express thoughts that seem unworthy of Scripture. Tremper Longman gives us the kind of help we need to overcome the distance between the psalmists' world and ours. He explains the various kinds of psalms, the way they were used in Hebrew worship and their relationship to the rest of the Old Testament. Then he looks

at how Christians can appropriate their message and insights today. Turning to the art of Old Testament poetry, he explains the use of parallelism and imagery. Step-by-step suggestions for interpreting the psalms on our own are followed by exercises for further study and reflection. Also included is a helpful guide to commentaries on the Psalms. Here is a book for all those who long to better understand these mirrors of the soul.

Bible Explorer's Guide Kregel Academic

Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures with The Wiersbe Bible Commentary New Testament, the trusted reference you'll love to read.

Exploring the Gospel of Matthew Kregel Academic & Professional
 Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

Exploring the Pastoral Epistles Kregel Academic

Thomas Manton's collections of 158 sermons on Psalm 119 is one of the lasting works of the Puritan era. Here's what Spurgeon said on Manton's exposition of Psalm 119: "Fully up to Manton's highest mark, and he is well known to have been one of the chief of the Puritan brotherhood. The work is long, but that results only from the abundance of matter." J.C. Ryle championed the

republication of Manton's works in the 19th century. He wrote, "Manton's chief excellence as a writer, in my judgment, consists in the ease, perspicuousness, and clearness of his style. I find it easier to read fifty pages of Manton's than ten of some of his brethren's; and after reading, I feel that I carry more away. Let no one, moreover, suppose that because Manton's style is easy, his writings show any lack of matter and thought. Nothing of the kind. The fertility of his mind seems to have been truly astonishing. Every page in his books contains many ideas, and gives you plenty to think about. If Manton never soars so high as some writers, he is, at any rate, never trifling, never shallow, never wearisome, and never dull." On Manton's practical commentary on James, Spurgeon notes: "In Manton's best style. An exhaustive work, as far as the information of the period admitted. Few such books are written now."

Sound Biblical Preaching Kregel Academic

Effective sermon exposition is based not only on the preacher's understanding of the text of Scripture, but also upon a clear and

concise communication of that meaning to God's people. A clear and concise outline is indispensable for communicating with confidence and conviction.
