Life is all about choices. You choose where to live, your occupation, spouse, and the names of your children - just to highlight a few. Some choices are easy to make, while others are difficult and require a lot of thought and consideration. Some choices lead to good outcomes while others do not. The best choice an individual could ever make is to receive Christ as personal Savior. That decision guarantees the believer a home in Heaven with God for eternity. Although the eternal issue is settled, there are many choices that face the believer during his/her journey through life. These choices will not alter the believer's eternal destiny, but can have a major impact on the quality and effectiveness of the Christian life. Wrong choices made by the believer can result in a life that is marred by defeat and unhappiness. This book is about personal choices for the believer. Although the principles presented in this book are for all Christians, the words are directed to you for self-examination. Victory in your Christian life will be determined by the choices you make. God has a plan for your life and a way to achieve it, but Satan also has a plan. Whose plan you follow depends on your choices. This battle over control of your life will continue until you are finally at home in Heaven. The goal of this book is to equip you with guiding principles from God's Word to explain how you can have God's promised victory and live a meaningful and fruitful Christian life. You can follow God's plan and experience this victory or choose Satan's plan and live defeated. The choice is yours.

Have you ever asked yourself, "Why did my life have to turn out like this?" After losing her husband to cancer and becoming a widow at age thirty-nine, it was a question Tiffany L. Nelson asked herself often. She didn't sign up to be a widow or a single mother for that

matter—and she didn't know if she could do it. It would have been easy for her to become frustrated, angry, and stuck in her circumstances—and easier still to resolve that things would never change. But the reality of it is when you face an obstacle in life, things do not have to stay the same. You do not have to stay the same. Believe it or not, you actually have a say in the matter. Even when you find yourself facing the unexpected, you can overcome it with will, tenacity, and prayer. You can begin living the life God intended for you to live. You can release the pain of heartache and begin your life anew. You can put the past behind you, where it belongs. But it's up to you. **The Choice is Yours!**

When we purposefully change our handwriting, we introduce attitudes that can improve our relationships, give us the impetus to achieve and take risks, and simply bring out the best in us. This is because our handwriting is a reflection of our innermost thoughts and feelings. When we fall in love, survive a serious illness, or change careers, our view of life is dramatically altered and, as a result, our handwriting patterns change. Conversely, desired transformations can result from intentionally changing the way specific letters are written: * Stick to that diet by changing the letter T. * Avoid being overlooked for that well-deserved promotion by changing the letter G. * Reduce stress and cease juggling too many things at once by changing the letter S. * Overcome shyness or stage fright by changing the letter A. Included is an enlightening assessment test that identifies those personality traits requiring attention. **Your Handwriting Can Change Your Life** profoundly reveals that the key to making dreams come true is as simple as putting pen to paper.

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

DO YOU WANT TO GET WELL? The power to heal—physically, mentally, emotionally, spiritually—is in God's hands. But the choice to be healed is yours. Everyone, at some level, needs healing. You may have prayed for healing many times, for many years. Perhaps you have lived with your brokenness so long that you have become accustomed to it. Maybe you wonder just when God is going to take all the hurt

away. He can. But you also must choose to let the hurt go and let the healing begin. In this special edition of *Healing Is a Choice*, author Stephen Arterburn offers a unique combination of book and workbook, outlining ten choices crucial to receiving healing. Embracing these choices means rejecting the lies we often tell ourselves. These are not hoops God requires you to jump through to earn your miracle; they form, instead, the journey He desires for you. He can—and will—walk with you. But you must put one foot in front of the other and choose to let the hurt go and let the healing begin. “His Word affirms that God wants us to experience His healing, but many times we make choices that stand in the way. *Healing Is a Choice* is a helpful resource that lays out the path of healing God’s way.” —JACK HAYFORD Founding pastor, The Church on the Way, Van Nuys, CA “When we look back at the past turns and twists in the pathways of our lives, we can see significant choices we made, which helped create the lives we have now. Stephen Arterburn has provided us with a guide for making the right decisions today to provide a redemptive path for tomorrow.” —JOHN TOWNSEND Coauthor of the bestseller *Boundaries* “I am asking you to give up your life as you know it so that you can find the life God has for you. Take hold of your future today and make the choices that will lead to your healing.” —STEPHEN ARTERBURN “He heals the brokenhearted and binds up their wounds.” —Psalm 147:3
