The Crumb Jar

Theatre
Communications Grou
With praise from Dorie
Greenspan, Jim Lahey,
and David Lebovitz, the
definitive bread-baking
book for a new
generation. But this
book isn't just about
baking bread-- it's
about what to do with

the slices and heels
and nubs from those
many loaves you'll
bake. Alexandra
Stafford grew up eating
her mother's peasant
bread at nearly every
meal—the recipe for
which was a closely-
guarded family secret.
When her blog,
Alexandra's Kitchen,
began to grow in
popularity, readers
started asking how to
make the bread they'd

heard so much about; the bread they had seen peeking into photos. Finally, Alexandra's mother relented, and the recipe went up on the internet. It has since inspired many who had deemed bread-baking an impossibility to give it a try, and their results have exceeded expectations. The secret is in its simplicity: the no-knead dough comes together in fewer than five minutes, rises in an hour, and after a second short rise, bakes in buttered bowls. After you master the famous peasant bread, you'll work your way through its many variations, both in flavor (Cornmeal, Jalapeno, and Jack; Three Seed) and form (Cranberry Walnut Dinner Rolls;

Cinnamon Sugar Monkey Bread). You'll enjoy bread's usual utilities with Food Cart Grilled Cheese and the Summer Tartine with Burrata and Avocado, but then you'll discover its true versatility when you use it to sop up Mussels with Shallot and White Wine or juicy Roast Chicken Legs. Finally, you'll find ways to savor every last bite, from Panzanella Salad Three Ways to Roasted Tomato Soup to No-Bake Chocolate-Coconut Cookies. Bread, Toast, Crumbs is a 2018 nominee for The IACP Julia Child First Book Award, and Alexandra's Kitchen was a finalist for the Saveur Blog Awards Most Inspired Weeknight Dinners 2016 [Bread Toast Crumbs](#)

The life of a Christian is often a balancing act. It is a constant battle between the flesh and the spirit. Pastor Spotts has provided the reader with more than a series of meditations. The 60 daily readings encompassed in this book are instead, teachings from a pastor to his flock on

how to live a balanced and healthy life in the Lord. These Crumbs from the Master's Table are just that, tiny pieces of the Word of the Lord, that bring healing to the hungry soul.

These two complementary works give the reader a unique insight into the breadth and substance of Kierkegaard's thought. One reads like a novel and the other a Platonic dialogue but both concern the nature of love, faith, and happiness. These are the first translations to convey the literary quality and philosophical precision of the originals.

Curtis Hinshaw argues that we must make a

concerted effort to give to the poor, though not for the reasons you may think. As a lifelong conservative himself, he expects some conservatives may think he's selling out—or even that he's a closet liberal trying to pilfer everyone out of money by selling a book. There could be nothing further from the truth. The reality is he's concluded that we need to do more for the least of these. The Bible tells us so and is downright serious about it. The Bible doesn't say it's the government's job to give to the poor and needy—it says it's our job. Since government programs help our less privileged quite a bit, it makes our job easier because there aren't as many desperately poor, like Lazarus, or at

least they aren't as obvious as Lazarus with all his sores laying at the gate. However, we must help them. The rich man in this book is more like you than you'd like to believe. He, like many of us, thinks he can ignore the poor without consequence.

Set in an Iraqi village during the Iran-Iraq war, *Scattered Crumbs*

critiques a totalitarian dictatorship through the stories of an impoverished peasant family. A father, a fierce supporter of Saddam Hussein - here called only the Leader - clashes with his artist son, who loves his homeland but finds himself literally unable to paint the Leader's portrait for his father's wall. The novel evokes the deterioration both of the country and of the individual characters caught up in the maelstrom. Scattered Crumbs was first published in Arabic in Cairo in 2000. This translation captures the subtle sarcasm of the original text and its elliptical rhythms.

BESTSELLER A superb love story from Anna Quindlen, the #1 New York Times bestselling author of *Rise and Shine*, *Blessings*, and *A Short Guide to a Happy Life* Still Life with Bread Crumbs begins with an imagined gunshot and

ends with a new tin roof. Between the two is a wry and knowing portrait of Rebecca Winter, a photographer whose work made her an unlikely heroine for many women. Her career is now descendent, her bank balance shaky, and she has fled the city for the middle of nowhere. There she discovers, in a tree stand with a roofer named Jim Bates, that what she sees through a camera lens is not all there is to life. Brilliantly written, powerfully observed, *Still Life with Bread Crumbs* is a deeply moving and often very funny story of unexpected love, and a stunningly crafted journey into the life of a woman, her heart, her mind, her days, as she discovers that life is a story with

many levels, a story that is longer and more exciting than she ever imagined. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "There comes a moment in every novelist's career when she . . . ventures into new territory, breaking free into a marriage of tone and style, of plot and characterization, that's utterly her own. Anna Quindlen's marvelous romantic comedy of manners is just such a book. . . . Taken as a whole, Quindlen's writings represent a generous and moving interrogation of women's experience across the lines of class and race. [*Still Life with Bread Crumbs*] proves all the more moving because

of its light, sophisticated humor. Quindlen's least overtly political novel, it packs perhaps the most serious punch. . . . Quindlen has delivered a novel that will have staying power all its own."—The New York Times Book Review "[A] wise tale about second chances, starting over, and going after what is most important in life."—Minneapolis Star Tribune "Quindlen's astute observations . . . are the sorts of details every writer and reader lives for."—Chicago Tribune "[Anna] Quindlen's seventh novel offers the literary equivalent of comfort food. . . . She still has her finger firmly planted on the pulse of her generation."—NPR "Enchanting . . . [The

protagonist's] photographs are celebrated for turning the 'minutiae of women's lives into unforgettable images,' and Quindlen does the same here with her enveloping, sure-handed storytelling."—People "Charming . . . a hot cup of tea of a story, smooth and comforting about the vulnerabilities of growing older . . . a pleasure."—USA Today "With spare, elegant prose, [Quindlen] crafts a poignant glimpse into the inner life of an aging woman who discovers that reality contains much more color than her own celebrated black-and-white images."—Library Journal "Quindlen has always excelled at capturing telling details

in a story, and she does so again in this quiet, powerful novel, showing the charged emotions that teem beneath the surface of daily life.”—Publishers Weekly “Quindlen presents instantly recognizable characters who may be appealingly warm and nonthreatening, but that only serves to drive home her potent message that it’s never too late to embrace life’s second chances.”—Booklist “Profound . . . engaging.”—Kirkus Reviews

Here are five first books for fledgling readers that offer the enjoyment of a good story along with the thrill of accomplishment that comes from independent reading. Written in short, easy phrases with carefully selected vocabulary and plentiful illustrations, each book helps youngsters achieve success as they have fun. The series follows three friends who love to share stories. In each book, one is reminded of a well-known story: Little Red Riding Hood

in It's Not About the Hunter!, Beauty and the Beast in It's Not About the Rose!, Snow White in It's Not About the Apple!, Cinderella in It's Not About the Pumpkin!, and Hansel and Gretel in It's Not About the Crumbs! As one friend starts, the others are reminded of versions they know so each volume has three stories within one framework. The stories come from around the world, and Veronika Martenova Charles provides a note at the end of each book to describe the origins. Easy-To-Read Wonder Tales is a great first step in developing a lifelong love of reading, and it makes a fine companion to Veronika Martenova Charles's series, Easy-To-Read Spooky Tales. Imagine this: You're at a campsite 10,000 feet up in the Third Mono Creek Recess of the high Sierras. You have

no refrigerator, no food processor, no non-stick cookware, no measuring spoons, no pepper mill, no sea salt. How are you going to cook a meal that is imaginative, delightful, and delicious? That's what *The Leave-No-Crumbs Camping Cookbook* is all about. Rick Greenspan and Hal Kahn show anyone who loves the outdoors how to make homemade pizza, braid challah, wrap poached trout in a sushi roll, and even make dumplings for Chinese dim sum at their campsite. Campers who have never cooked anything more complicated than s'mores might feel uncertain about tackling chocolate mousse in the wild, but Greenspan and Kahn have three decades of

experience teaching camp-out cooking. "We've taught people who could barely boil water," they say. And they are reassuring about trailside mishaps. If your grilled trout falls into the fire, take it out, brush off the ash, and rename the dish Cajun Blackened Trout. If the eggs break in their plastic container, make a dinner of crêpes, huevos rancheros, and a cake. "The point of wilderness cooking is to have fun," say Greenspan and Kahn, "not worry if the Académie Française is looking over your shoulder." You'll find recipes for soups and stews; fruit, vegetable, and tofu dishes; pilafs, risottos, and polenta; pasta, noodles, and dumplings; sauces and schmeers (that's

Yiddish for spreads); pancakes, crêpes, and soufflés; pizza and quiche. An entire chapter is devoted to trout, and the book even includes a recipe for chocolate cake. There are instructions and tips for all sorts of cooking techniques, including dehydrating, baking in coals or on a camping stove, grilling, frying, and steaming. And several pages are devoted to trip planning: how much food to bring, what to look for in a camp stove, how long you can expect your cooking fuel to last. This book is perfect for car campers, backpackers, bikers, canoeists, tail-gaters, and day picnickers who want good food to be part of the outdoor experience

Trail of Crumbs
Bloomsbury Publishing
Already hailed as "brave, emotional, and gorgeously written" by Frances Mayes and "like a piece of dark chocolate -- bittersweet, satisfying, and finished all too soon" by Laura Fraser, author of *An Italian Affair*, this is a unique memoir about the search for identity through love, hunger, and food. Jim Harrison says, "Trail of Crumbs reminds me of what heavily costumed and concealed waifs we all are. Kim Sunv©e tells us so much about the French that I never learned in 25 trips to Paris, but mostly about the terrors and

pleasure of that infinite octopus, love. A fine book." When Kim Sunv©e was three years old, her mother took her to a marketplace, deposited her on a bench with a fistful of food, and promised she'd be right back. Three days later a policeman took the little girl, clutching what was now only a fistful of crumbs, to a police station and told her that she'd been abandoned by her mother. Fast-forward almost 20 years and Kim's life is unrecognizable. Adopted by a young New Orleans couple, she spends her youth as one of only two Asian children in her entire community. At the age of 21, she becomes involved with a famous French businessman and

suddenly finds herself living in France, mistress over his houses in Provence and Paris, and stepmother to his eight year-old daughter. Kim takes readers on a lyrical journey from Korea to New Orleans to Paris and, along the way serving forth her favorite recipes. A love story at heart, this memoir is about the search for identity and a book that will appeal to anyone who is passionate about love, food, travel, and the ultimate search for self.
