*The Summer of Broken Rules* Agate Publishing

Full-tilt, hardcore, down-home, and groundbreaking, the women of country music speak volumes with every song. From Maybelle Carter to Dolly Parton, k.d. lang to Taylor Swift—these artists provided pivot points, truths, and doses of courage for women writers at every stage of their lives. Whether it's Rosanne Cash eulogizing June Carter Cash or a seventeen-year-old Taylor Swift considering the golden glimmer of another precocious superstar, Brenda Lee, it's the humanity beneath the music that resonates. Here are deeply personal essays from award-winning writers on femme fatales, feminists, groundbreakers, and truth tellers. Acclaimed historian Holly George Warren captures the spark of the rockabilly sensation Wanda Jackson; Entertainment Weekly's Madison Vain considers Loretta Lynn's girl-power anthem "The Pill"; and rocker Grace Potter embraces Linda Ronstadt's unabashed visual and musical influence. Patty Griffin acts like a balm on a post-9/11 survivor on the run; Emmylou Harris offers a gateway through paralyzing grief; and Lucinda Williams proves that greatness is where you find it. Part history, part confessional, and part celebration of country, Americana, and bluegrass and the women who make them, *Woman Walk the Line* is a very personal collection of essays from some of America's most intriguing women writers. It speaks to the ways in which artists mark our lives at different ages and in various states of grace and imperfection—and ultimately how music transforms not just the person making it, but also the listener.

*Taylor Swift* Oxford University Press, USA

Named One of the Most Anticipated Books of 2022 by Vogue, BuzzFeed, Bustle, Marie Claire, Harper's Bazaar, Electric Lit, Thrillist, Glamour, CNN, and Shondaland "Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance." —Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a funny, whip-smart collection of personal essays exploring the intersection of queerness, relationships, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz's life—for better and worse—has always been on a collision course with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us

make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near—and very queer—future.

*Why I Sued Taylor Swift* Simon Pulse

An instant #1 New York Times bestseller! Shanghai is under siege in this captivating and searingly romantic sequel to *These Violent Delights*, which New York Times bestselling author Natasha Ngan calls "deliciously dark." The year is 1927, and Shanghai teeters on the edge of revolution. After sacrificing her relationship with Roma to protect him from the blood feud, Juliette has been a girl on a mission. One wrong move, and her cousin will step in to usurp her place as the Scarlet Gang's heir. The only way to save the boy she loves from the wrath of the Scarlets is to have him want her dead for murdering his best friend in cold blood. If Juliette were actually guilty of the crime Roma believes she committed, his rejection might sting less. Roma is still reeling from Marshall's death, and his cousin Benedikt will barely speak to him. Roma knows it's his fault for letting the ruthless Juliette back into his life, and he's determined to set things right—even if that means killing the girl he hates and loves with equal measure. Then a new monstrous danger emerges in the city, and though secrets keep them apart, Juliette must secure Roma's cooperation if they are to end this threat once and for all. Shanghai is already at a boiling point: The Nationalists are marching in, whispers of civil war brew louder every day, and gangster rule faces complete annihilation. Roma and Juliette must put aside their differences to combat monsters and politics, but they aren't prepared for the biggest threat of all: protecting their hearts from each other.

*Girls Can Kiss Now* Little Book Of

In her fiercely beautiful memoir, Jeannine Ouellette recollects fragments of her life and arranges them elliptically to witness each piece as torn and whole, as something more than itself. Caught between the dramatic landscapes of Lake Superior and Casper Mountain, between her stepfather's groping and her mother's erratic behavior, Ouellette lives for the day she can become a mother herself and create her own sheltering family. But she cannot know how the visceral reality of both birth and babies will pull her back into the body she long ago abandoned, revealing new layers of pain and desire, and forcing her to choose between her idealistic vision of perfect marriage and motherhood, and the birthright of her own awakening flesh, unruly and alive. *The Part That Burns* is a story about the tenacity of family roots, the formidable undertow of trauma, and the rebellious and persistent yearning of human beings for love from each other.

*Taylor Swift* JG Press

Encyclopaedic in its scope, this is the ultimate tribute to the life and music of Taylor Swift. No need for glossy images here, the narrative says it all - a chronological account of her mercurial rise to fame; the stories that inspire the songs; an in-depth look at those much-publicised battles with the media, music industry and fellow artists, and all recounted with well-chosen words from the artist herself and dozens of others who have played a part in her incredible story. Put together, we have the definitive record. If

not already a fan, reading this may very well change your opinion. "I really do try to be a nice person...but if you break my heart, hurt my feelings, or are really mean to me, I'm going to write a song about you" This is how Taylor Swift once explained the meaning behind one of her earliest songs. Never one to mince her words when it comes to sharing her thoughts, she has achieved legendary status in the music world with a career built largely on her personal feelings, ever since the day one particular teenage boy made her cry. Now barely into her third decade, her songs have taken her fans on an emotional journey that encompasses both the elation of young love and the heartbreak of fallen relationships. As always, fame courts controversy, and Taylor has had her fair share - long-standing feuds with fellow artists; harrowing claims of sexual harassment; deeply personal accusations over her own authenticity, and those headline-making, all-too public breakups with a catalog of celebrity lovers - all subjects covered in detail within these pages. This book strips away the sometimes-mythical veneer of superstardom and lays bare the real Taylor as the songwriting genius she was born to be; a young woman who, after all, is as human as the rest of us, doing amazing things as well as making incredible gaffes. But with dogged determination and staying true to herself, she has been able to drive her own destiny. Love her or hate her (maybe, better to love her), she has inspired a generation of young fans across the globe, not only with her music, but with heartfelt words of wisdom. Taylor's girl-next-door public image remains intact, at least for now, and she stands firm by one of her own mantras: "No matter what happens in life, be good to people. Being good to people is a wonderful legacy to leave behind". For a simple good lesson in life, that ain't bad.

*Our Violent Ends* Lulu.com

A romance novel inspired by the songs of Taylor Swift! \*NOW A USA TODAY BESTSELLER\* This BookTok sensation is perfect for fans of Jenny Han's *The Summer I Turned Pretty* and Sarah Dessen's *Along for the Ride*. Meredith's family's annual game of assassin at Martha's Vineyard during a summer wedding is the perfect chance to honor her sister's legacy, and finally join the world again. But when she forms an alliance with a cute groomsman, she's at risk of losing both the game ... and her heart. When Meredith Fox lost her sister, Claire, eighteen months ago, she shut everyone out. But this summer she's determined to join the world again. The annual family vacation to Martha's Vineyard seems like the perfect place to reconnect. Her entire extended family is gathering for a big summer wedding, and although Meredith is dateless after being unexpectedly dumped, she's excited to participate in the traditional Fox family game of assassin that will take place during the week of wedding festivities. Claire always loved the game, and Meredith is determined to honor her legacy. But when Meredith forms an assassin alliance with a cute groomsman, she finds herself getting distracted. Meredith tries to focus on the game and win it for her sister, but she can't help falling for him. And as the week progresses, she realizes she's not only at risk of losing the game, but also her heart. "The feel-good summer read of my dreams!"—Alicia, Goodreads Reviewer "Boy, did it also give me all the summer feels."—Larissa, Goodreads Reviewer "This book is bound to become a favorite of all who love contemporary romance."—Kelly, Goodreads Reviewer "If beachy contemporary romances are your jam, then trust me—you do NOT want to miss this book."—Jessica, Goodreads Reviewer

*Taylor Swift* Hal Leonard

What would Taylor do? Songwriting genius, poised performer, warm-hearted friend—we'd all love to be a bit more like Taylor Swift. This brilliant guide will show you how. Whether it is standing up for yourself and your friends, opening your heart to

love, or refusing to let others write your reputation, these life lessons will help you shake off your troubles and become folklore for Swifties everywhere. Containing advice on love, friendship, overcoming fears, being yourself, and finding creative inspiration, *Be More Taylor Swift* is the perfect gift for Taylor Swift fans.

**Best of Taylor Swift (Songbook)** Buster Books

Taylor Swift is one of the world's most idolized stars and this gift set is packed with facts about the superstar. This beautifully designed book tells the story of Taylor Swift, one of America's biggest stars. When Taylor Swift's fourth full-length album 'Red' sold 1.2 million copies in autumn 2012, it was her second consecutive album to top a million in its debut week. The daughter of an investment banker, she emerged from a small town in Pennsylvania to become a star by sheer force of will. Her girl-next-door image was no pretence, but her most impressive achievement was crossing over from the country market and making inroads on the mainstream charts. This small-town girl with the big talent has become America's sweetheart and seems set to remain so. Included in this high-quality gift pack are 6 free 10 x 8 prints.

*The Little Book of Taylor Swift* Hal Leonard Corporation

"Funny and smart" (The New Yorker) criticism of why we turn to art—specifically to poetry and popular music—and how it serves as an essential tool to understanding life. How can art help us make sense—or nonsense—of the world? If wrong life cannot be lived rightly, as Theodor Adorno had it, what weapons and strategies for living wrongly can art provide? With the same intelligence that animates his poetry, Michael Robbins addresses this weighty question while contemplating the idea of how strange it is that we need art at all. Ranging from Prince to Def Leppard, Lucille Clifton to Frederick Seidel, Robbins's mastery of poetry and popular music shines in *Equipment for Living*. He has a singular ability to illustrate points with seemingly disparate examples (Friedrich Kittler and Taylor Swift, to W.B. Yeats and Anna Kendrick's "Cups"). Robbins weaves a discussion on poet Juliana Spahr with the different subsets of Scandinavian black metal music, illuminating subjects in ways that few scholars can achieve. As Dwight Garner said in The New York Times about Robbins: "This man can write." *Equipment for Living* is a "freakishly original" (Elle) look at how works of art, specifically poetry and popular music, can help us understand our own lives.

*Where the Crowds Sing (Movie Tie-In)* Sole Books

(Big Note Personality). Big-note arrangements of a dozen top tunes from this crossover sensation: Fearless \* Fifteen \* Forever & Always \* Hey Stephen \* Love Story \* Our Song \* Picture to Burn \* Should've Said No \* Teardrops on My Guitar \* White Horse \* You Belong with Me \* You're Not Sorry.

*Be More Taylor Swift* In Their Own Words

The full story of Taylor Swift's stratospheric rise to fame; all any dedicated Swiftie needs to know about the pop superstar who's taking over the world.

*Taylor Swift - Lover* Scholastic Inc.

Meeting a friend after many years' separation, the narrator wonders whether the events they both lived through in Lebanon really took place. Time and distance give a sense of unreality but when the narrator and Ali meet at Heathrow Airport, after seventeen years, the past slowly begins to unfold. Like so many other Palestinians who were born in the Lebanon, they had to leave in the mid-1980s, when it became a battlefield for different militias and armies - Lebanese, Palestinian, Israeli and Syrian. Ali leaves for America and, two years later, the narrator leaves for London. Their memories are concentrated on one fatal night when they and two other friends are together for the last time, before tragedy strikes. But for the narrator, a personal tragedy had struck much earlier, one which he would never forget and

could not share.

A book about Taylor. Made with love. By fans. For fans.

“Delightful...A rich and exhaustive production...Swifties have gotten their bible.” —The New Yorker Ten years ago, an unknown sixteen-year-old released a self-titled debut country album. A decade later, Taylor Swift has reached record-breaking, chart-topping heights. A ten-time Grammy winner, Swift has been hailed for her songwriting talent, crossed effortlessly from country to pop, and established herself as a musician who can surprise, delight, and inspire, all while connecting with her fans in a way that only she can. Amazingly, after all these years, there is no great, comprehensive book about Swift for her fans. Until now. This book, a fan-generated celebration of Swift’s first decade as an artist, collects the best writing and images from the past ten years in one gorgeous volume. From preface interviews with Swift in local Pennsylvania newspapers to major profiles in The New Yorker and Rolling Stone; from album reviews by top critics such as Robert Christgau, Sasha Frere-Jones, and Ann Powers to essays by beloved novelists like Maggie Shipstead; from Tavi Gevinson’s classic ode to Swift in The Believer to Q&As with Chuck Klosterman and humorous analysis from McSweeney’s and The Hairpin; from album-themed crossword puzzles and adult coloring pages to profiles of Taylor’s biggest fans; from an excerpt of the soon-to-be-published novel Taylor Swift: Girl Detective to a “book within a book” of Swift’s most inspiring quotations titled (naturally) The Tao of Tay, this book is the vital collection of all things Taylor. Here, finally, is the must-have book for every Swiftie and every music lover. For, as Klosterman wrote in GQ, “If you don’t take Swift seriously, you don’t take contemporary music seriously.” \* This book is a tribute to Taylor Swift, but she was not involved in its creation. \*

**Taylor Swift** Hal Leonard Publishing Corporation

(Pro Vocal). Whether you're a karaoke singer or preparing for an audition, the Pro Vocal series is for you. The book contains the lyrics, melody, and chord symbols for eight hit songs. The newest in I Love Mel's pop culture colouring books is Colour Me Swiftly, celebrating pop music's reigning queen, Taylor Swift. 2014 was undoubtedly 'The Year Of The Swift. If she wasn't shakin' it off to one of the best pop tunes in decades, she was offering brilliant feminist sound bites to get her young #swifties feeling strong, independent and powerful. Here's counting the days until Taylor rules the world... but in the meantime, why not use your felt tip pens and this colouring book for hours of fun!

*Girl, Unframed* Penguin

“A swashbuckling adventure.” —Booklist “A rollicking Indiana Jones flick with a female lead.” —BCCB The Last Magician meets A Gentleman’s Guide to Vice and Virtue in this thrilling, “breathless” (Kirkus Reviews) tale filled with magic and set in the mysterious Carpathian Mountains where a girl must hunt down Vlad the Impaler’s cursed ring in order to save her father. Some legends never die... Traveling with her treasure-hunting father has always been a dream for Theodora. She’s read every book in

his library, has an impressive knowledge of the world’s most sought-after relics, and has all the ambition in the world. What she doesn’t have is her father’s permission. That honor goes to her father’s nineteen-year-old protégé—and once-upon-a-time love of Theodora’s life—Huck Gallagher, while Theodora is left to sit alone in her hotel in Istanbul. Until Huck returns from an expedition without her father and enlists Theodora’s help in rescuing him. Armed with her father’s travel journal, the reluctant duo learns that her father had been digging up information on a legendary and magical ring that once belonged to Vlad the Impaler—more widely known as Dracula—and that it just might be the key to finding him. Journeying into Romania, Theodora and Huck embark on a captivating adventure through Gothic villages and dark castles in the misty Carpathian Mountains to recover the notorious ring. But they aren’t the only ones who are searching for it. A secretive and dangerous occult society with a powerful link to Vlad the Impaler himself is hunting for it, too. And they will go to any lengths—including murder—to possess it.

*Taylor Swift* Simon and Schuster

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published What to Listen for in Music, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

*Colour Me Swiftly* Simon and Schuster

“Like so many cultural icons, Ginsberg has doled out some seriously memorable quotes, thoughts, and observations . . . a quick dip of inspiration.” —Bustle As one of only nine women in a class of 500 at Harvard Law School when she enrolled in 1956 and one of only four female Supreme Court justices in the history of the United States, Ruth Bader Ginsburg was frequently viewed as a feminist trailblazer and an icon for civil rights. Ginsburg had always been known as a prolific writer and speaker. Now, Ruth Bader Ginsburg: In Her Own Words offers a unique look into the mind of one of the world’s most influential women by collecting 300 of Ginsburg’s most insightful quotes. Meticulously curated from interviews, speeches, court opinions, dissents, and other

sources, Ruth Bader Ginsburg: In Her Own Words creates a comprehensive picture of Ruth Bader Ginsburg, her wisdom, and her legacy. "The standard of courage and intellect and kindness and heart." —Gloria Steinem

Taylor Swift Hal Leonard Corporation

The world's most popular pop star moonlights as a Girl Detective in THE SECRETS OF THE STARBUCKS LOVERS--a thrilling and

illustrated tale that depicts the hilarious (and high fashion) hijinks that ensue when Taylor Swift: Girl Detective takes on the case of a struggling actress receiving threatening messages on her skinny mochas. Set against the glamorous backdrop of New York City (and even Brooklyn) there is no shortage of intrigue, love interests, sisterhood, and Starbucks jokes in this captivating caper.
