The Dangerous Case of Donald Trump  
Createspace Independent Publishing  
Platform

New York Times Bestseller The Trump administration is remaking the government. It's Even Worse Than You Think: What the Trump Administration Is Doing to America tells us exactly how it is making America worse again. Bestselling author and longtime Trump observer David Cay Johnston shines a light on the political termites who have infested our government under the Trump Administration, destroying it from within and compromising our jobs, safety, finances, and more. No journalist knows Donald Trump better than David Cay Johnston, who has been following him since 1988. It's Even Worse Than You Think: What the Trump Administration Is Doing to America goes inside the administration to show how the federal agencies that touch the lives of all Americans are being undermined. Here is just some of what you will learn: The Wall. Mexican President Enrique Peña Nieto told President Trump that Mexico will never pay for the border wall. So, Trump is proposing putting a tariff on Mexican imports. But a tariff will simply raise the price of Mexican goods in the US, meaning American consumers will end up paying for the wall—if it ever gets built. Climate Change. Welcome to the new EPA, run by Scott Pruitt, a lawyer who has spent much of his career trying to destroy the agency he now heads. Secrecy reigns at the new EPA because Pruitt meets with industry executives to find out which clean air and clean water provisions they most want to roll back, and keeps staffers in the dark to make sure these pro-pollution plans don't leak prematurely. Stocking the Swamp. Contrary to his promise to "drain the swamp" in Washington, DC, Trump has filled his cabinet with millionaires and billionaires, from Treasury Secretary Steven Mnuchin, a Goldman Sachs and hedge fund veteran who made much of his

fortune foreclosing on homeowners to billionaire heiress Education Secretary Betsy DeVos, who has already put the interests of bankers ahead of debt-burdened students and their families. The Kleptocracy. Under Donald Trump conflict of interest is passé. When Trump isn't in Washington, he stays at one of his properties, where the taxpayers pick up the tab for staffers, Secret Service, and so on, all at full price. And back in Washington, everyone now knows that the Trump International Hotel is the only place to stay if you want to do business with the administration. Meanwhile sons Donald Jr. and Eric run an eyes-wide-open blind trust of Trump holdings to avoid the appearance of conflict of interest—but not the reality.

\*\*\*THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER\*\*\* An NPR Book of the Day Picking up where the New York Times bestselling Front Row at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl

finds himself in a singular position to deliver the truth.

Born Trump Henry Holt and Company Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of Fear: Trump in the White House, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the "dynamite behind every door." At key decision points, Rage shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, Rage reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. Rage draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a "fantasy film." Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. "Don't worry about it, Bob. Okay?" Trump told the author in July. "Don't worry about it. We'll get to do another book. You'll find

I was right.”

*Trump and His Generals* Center Street  
The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making *Peril* an unparalleled history. It is also the first inside look at Biden’s presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

Rage Princeton University Press  
THE TRUMP REVOLUTION CANNOT SUCCEED WITHOUT TRUMP. Will he run in 2024? YOU BET HE WILL. Will he be the GOP nominee? ABSOLUTELY. Will he win the election? YES! DICK MORRIS – New York Times bestselling author, winning presidential strategist & the man Time magazine dubbed “the most influential private citizen in America” – lays-out Trump’s secret plan to return to power in 2024. His new book: THE RETURN: TRUMP’S BIG 2024 COMEBACK. Since 2016 Dick Morris has been a behind-the-scenes adviser to Donald Trump. Dick played a key role in Trump’s surprise 2016 win. Dick Morris reveals first time President Trump’s strategy to win in 2024. And yes, he’s running! Dick Morris says the stakes of the next elections could not be higher. “President Trump knows the future of America rests on his shoulders,” Morris says bluntly. In his new bestseller THE RETURN Morris explains that we cannot repeat 2020—and we can’t let the Democrats get away with it again or America is lost. Dick Morris provides the road map that Trump is prepared to implement in his effort to take-back the

White House and the nation. It’s all in THE RETURN. Conservatives and MAGA supporters must realize that there are new rules. The Democrats, Big Media, Soros, and the Deep State have decided Trump must be stopped at any cost. In THE RETURN Morris reveals how to beat the Democrats and the radical left at their own game – and getting freedom-loving Americans to rise up for Trump and our democracy. Morris outlines the strategy for victory on three fronts: MAKE CERTAIN(!) more legal, eligible voters cast ballots for Republicans, and that their votes are not offset by a torrent of illegal ballots. Morris says a new group of Trump voters are emerging who will create a New Majority. The Republican candidate in 2024 will be, AND MUST BE, Donald J. Trump. Accept no substitutes. DeSantis is not ready for prime time. Morris explains why. THE WINNING (TRUMP) MESSAGE: The Democrats will transform America into a nation none of us will recognize by destroying social, cultural, economic, and political freedoms. Morris says time is short. This election really is critical. With the election of 2020, everything pundits knew—or thought they knew—is obsolete in this new era of massively higher turnout. Read THE RETURN to find out how conservatives can take advantage of the new rules to make America great again! [Front Row at the Trump Show](#) Atria/One Signal Publishers

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald’s only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world’s health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents’ large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald’s place in the family spotlight and Ivana’s penchant for regifting to her

grandmother’s frequent injuries and illnesses and the appalling way Donald, Fred Trump’s favorite son, dismissed and derided him when he began to succumb to Alzheimer’s. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump’s lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider’s perspective but also because she is the only Trump willing to tell the truth about one of the world’s most powerful and dysfunctional families. *Confidence Man* HarperCollins  
THE NEW YORK TIMES BESTSELLER “The story Unger weaves with those earlier accounts and his original reporting is fresh, illuminating and more alarming than the intelligence channel described in the Steele dossier.”—The Washington Post  
House of Trump, House of Putin offers the first comprehensive investigation into the decades-long relationship among Donald Trump, Vladimir Putin, and the Russian Mafia that ultimately helped win Trump the White House. It is a chilling story that begins in the 1970s, when Trump made his first splash in the booming, money-drenched world of New York real estate, and ends with Trump’s inauguration as president of the United States. That moment was the culmination of Vladimir Putin’s long mission to undermine Western democracy, a mission that he and his hand-selected group of oligarchs and Mafia kingpins had ensnared Trump in, starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City. This book confirms the most incredible American paranoias about Russian malevolence. To most, it will be a hair-raising revelation that the Cold War did not end in 1991—that it merely evolved, with Trump’s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union. In *House of Trump, House of Putin*, Craig Unger methodically traces the deep-rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia. He traces Donald Trump’s sordid ascent from foundering real estate tycoon to leader of the free world. He traces Russia’s phoenix like rise from the ashes of the post-Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower. Without Trump, Russia would have lacked a key component in its

attempts to return to imperial greatness. Without Russia, Trump would not be president. This essential book is crucial to understanding the real powers at play in the shadows of today's world. The appearance of key figures in this book—Paul Manafort, Michael Cohen, and Felix Sater to name a few—ring with haunting significance in the wake of Robert Mueller's report and as others continue to close in on the truth.

*The Making of Donald Trump* Ballantine Books

NEW YORK TIMES BESTSELLER • With unparalleled reporting, a Pulitzer Prize-winning New York Times reporter chronicles the clash between a president and the officials of his own government who tried to stop him. "A meticulously reported volume that clearly benefits from the author's extraordinary access . . . [a] startling dissection of the Trump presidency."—The New York Times Donald Trump v. The United States tells the dramatic, high-stakes story of those who felt compelled to confront and try to contain the most powerful man in the world as he shredded norms and sought to expand his power. Michael S. Schmidt takes readers inside the defining events of the presidency, chronicles them up close, and records the clash between an increasingly emboldened president and those around him, who find themselves trying to thwart the president they had pledged to serve, unsure whether he is acting in the interest of the country, his ego, his family business, or Russia. Through their eyes and ears, we observe an epic struggle. Drawing on secret FBI and White House documents and confidential sources inside federal law enforcement and the West Wing, Donald Trump v. The United States is vital journalism from a Pulitzer Prize-winning reporter that records the shocking reality of a presidency like no other. It is a riveting contemporary history and a lasting account of just how fragile and vulnerable the institutions of American democracy really are.

*White House, Inc.* Singel Uitgeverijen  
THE NEW YORK TIMES BESTSELLER that connects the dots from Donald Trump's racist background to the Russian scandals "A searing indictment." — Michiko Kakutani, The New York Times "Johnston has given us this year's must-read Trump book." — Lawrence O'Donnell, host of MSNBC's The Last Word with Lawrence O'Donnell The international bestseller that brought Trump's long history of racism, mafia ties, and shady business dealings into the limelight. Now with a new introduction and epilogue. Pulitzer Prize-

winning investigative journalist David Cay Johnston, who had spent thirty years chronicling Donald Trump for the New York Times and other leading newspapers, takes readers from the origins of the Trump family fortune—his grandfather's Yukon bordellos during the Gold Rush—to his tumultuous gambling and real estate dealings in New York and Atlantic City, all the way to his election as president of the United States, giving us a deeply researched and shockingly full picture of one of the most controversial figures of our time.

*Trump: America First* Penguin

The instant #1 New York Times bestseller. "This is the book Trump fears most." - Axios "Will be a primary source about the most vexing president in American history for years to come." - Joe Klein, The New York Times "A uniquely illuminating portrait." - Sean Wilentz, The Washington Post "[A] monumental look at Donald Trump and his presidency." — David Shribman, Los Angeles Times From the Pulitzer-Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist, Confidence Man is a magnificent and disturbing reckoning that chronicles his life and its meaning from his rise in New York City to his tortured post-presidency. Few journalists working today have covered Donald Trump more extensively than Maggie Haberman. And few understand him and his motivations better. Now, demonstrating her majestic command of this story, Haberman reveals in full the depth of her understanding of the 45th president himself, and of what the Trump phenomenon means. Interviews with hundreds of sources and numerous interviews over the years with Trump himself portray a complicated and often contradictory historical figure. Capable of kindness but relying on casual cruelty as it suits his purposes. Pugnacious. Insecure. Lonely. Vindictive. Menacing. Smarter than his critics contend and colder and more calculating than his allies believe. A man who embedded himself in popular culture, galvanizing support for a run for high office that he began preliminary spadework for 30 years ago, to ultimately become a president who pushed American democracy to the brink. The through-line of Trump's life and his presidency is the enduring question of what is in it for him or what he needs to say to survive short increments of time in the pursuit of his own interests. Confidence Man is also, inevitably, about the world that produced such a singular character, giving rise to his career and becoming his first stage. It is also about a series of relentlessly

transactional relationships. The ones that shaped him most were with girlfriends and wives, with Roy Cohn, with George Steinbrenner, with Mike Tyson and Don King and Roger Stone, with city and state politicians like Robert Morgenthau and Rudy Giuliani, with business partners, with prosecutors, with the media, and with the employees who toiled inside what they commonly called amongst themselves the "Trump Disorganization." That world informed the one that Trump tried to recreate while in the White House. All of Trump's behavior as President had echoes in what came before. In this revelatory and newsmaking book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history.

**Confidence Man** CLAIRVIEW BOOKS

\*The Instant New York Times Bestseller\* "A book historians will relish." —Peggy Noonan, Wall Street Journal "Must read. I've read every book about the Trump presidency. This is the best." —Bill Press An account like no other, from the White House reporter who has known President Donald Trump for more than 25 years. We have never seen a president like this...norm-breaking, rule-busting, dangerously reckless to some and an overdue force for change to others. One thing is clear: We are witnessing the reshaping of the presidency. Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration. He's known and covered Donald Trump longer than any other White House reporter. With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue, Karl delivers essential new reporting and surprising insights. These are the behind-the-scenes moments that define Trump's presidency—an extraordinary look at the president, the person, and those closest to him. This is the real story of Trump's unlikely rise; of the struggles and battles of those who work in the administration and those who report on it; of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability. Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high-powered reelection campaign set to change the country's course. He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital. Above all, this book is only possible because of the surprisingly open relationship Donald

Trump has had with Jonathan Karl, a reporter he has praised, fought, and branded an enemy of the people. This is Front Row at the Trump Show.

**Trump: The Art of the Deal** Penguin  
The state of New Hampshire has played a pivotal role in Donald Trump's rise. This volume examines how the Granite State incubated Trump's political ambitions as early as the 1988 campaign cycle, how Trump's return to the state in 2014 presaged his 2016 candidacy, and how the state rescued his ambitions after his defeat in the Iowa caucuses. The book also examines how Trump lost the state to Hillary Clinton in the general election, and how the state has in many ways been a microcosm of national politics since Trump's election, as a Republican governor and legislature attempt to pursue their long-deferred agenda in the face of Democratic opposition and as Democrats racked up victories in special and off-year elections. Finally, this book examines what Trump's impact will be on the 2020 presidential primaries.

**Killing the Deep State** Simon and Schuster

An in-depth investigation into Donald Trump's business—and how he used America's top job to service it. White House, Inc. is a newsmaking exposé that details President Trump's efforts to make money off of politics, taking us inside his exclusive clubs, luxury hotels, overseas partnerships, commercial properties, and personal mansions. Alexander tracks hundreds of millions of dollars flowing freely between big businesses and President Trump. He explains, in plain language, how Trump tried to translate power into profit, from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the presidency into a business doesn't necessarily mean you turn it into a good business. After Trump won the White House, profits plunged at certain properties, like the Doral golf resort in Miami. But the presidency also opened up new opportunities. Trump's commercial and residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone, anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president's disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who

came with their own conflict-ridden portfolios. Following the president's lead, they trampled barriers meant to separate their financial holdings from their government roles. White House, Inc. is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now.

**The Book of Tweets** Melville House  
#1 New York Times Bestseller With extraordinary access to the West Wing, Michael Wolff reveals what happened behind-the-scenes in the first nine months of the most controversial presidency of our time in *Fire and Fury: Inside the Trump White House*. Since Donald Trump was sworn in as the 45th President of the United States, the country—and the world—has witnessed a stormy, outrageous, and absolutely mesmerizing presidential term that reflects the volatility and fierceness of the man elected Commander-in-Chief. This riveting and explosive account of Trump's administration provides a wealth of new details about the chaos in the Oval Office, including: -- What President Trump's staff really thinks of him -- What inspired Trump to claim he was wire-tapped by President Obama -- Why FBI director James Comey was really fired -- Why chief strategist Steve Bannon and Trump's son-in-law Jared Kushner couldn't be in the same room -- Who is really directing the Trump administration's strategy in the wake of Bannon's firing -- What the secret to communicating with Trump is -- What the Trump administration has in common with the movie *The Producers* Never before in history has a presidency so divided the American people. Brilliantly reported and astoundingly fresh, *Fire and Fury* shows us how and why Donald Trump has become the king of discord and disunion.

"Essential reading."—Michael D'Antonio, author of *Never Enough: Donald Trump and the Pursuit of Success*, CNN.com "Not since Harry Potter has a new book caught fire in this way...[*Fire and Fury*] is indeed a significant achievement, which deserves much of the attention it has received."—*The Economist*

**One Damn Thing After Another** Penguin

The truth behind how well-funded hard-left extremists, the mainstream media, and Obama/Clinton holdovers in the government bureaucracy have combined with clandestine forces within the US intelligence apparatus - the "Deep State" - to block and undermine Trump's every move. At 2:45 a.m. ET on Nov. 8, 2016, television networks announced to a stunned nation that Pennsylvania's 20

electoral had gone for Donald Trump, making him the president-elect of the United States, defying all odds in a surreal victory that sent the Deep State into an immediate sense of panic. By dawn on Nov. 9, 2016, the Deep State forces that expected Hillary Clinton to continue the leftist politics of Barack Obama were already planning Donald Trump's demise. What emerged from the hard left was a political strategy calculated to block Donald Trump from being inaugurated, and if that failed, to make sure Donald Trump would not long serve out his term as 45th President of the United States. Investigative journalist and conspiracy expert Jerome Corsi goes into shocking detail about how this Deep State or Shadow Government secretly wields power in Washington, and why the Deep State is dangerous - capable of assassinating Trump, if efforts to impeach him or to force him to resign fail. Corsi will also define a three-point strategy Trump -- as a political independent, opposed both by Democratic Party enemies and GOP establishment -- must employ to stay in office and have a chance of a successful first term in office.

*Triggered* Simon and Schuster

In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

*The Trumps* Simon and Schuster

An investigative journalist and author since 1960, Michael Knight digs deep to expose the tyrants who have spent generations trying to destroy America and its people. Their plan was working. The New World Order agenda was very close to fulfillment. Until Ramtha - and Donald Trump - came along. "They" - the Deep State - the Cabal - assassinated President Kennedy. Will President Trump survive. Will his family? Will he successfully Drain The Swamp? From among the hundreds who have already bought this one-of-a-kind book, just three verified customer

reviews: - "Wow what an amazing true history lesson interspersed with gems of deeper knowledge." "This book is great, I bought 5 more to share with friends." "Thank you Michael, This is a great work and should read by everyone." Learn the truth about 666 - the number of man - the Mark of the Beast. Learn too about Divine Intervention - and the coming Golden Age. If you're tired of fake news. If you like to dig deep for truth. If you want to understand the Pyramid of Power - and how President Trump is bringing it down - you'll love this book.

**President Donald Trump: The New America** Ft Press

INSTANT NEW YORK TIMES BESTSELLER An NPR Best Book of the Year "A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel." —The New York Times "A Rosetta Stone for stuff about this presidency that doesn't otherwise make sense to normal humans." —Rachel Maddow, MSNBC "Stelter's critique goes beyond salacious tidbits about extramarital affairs (though there are plenty of those) to expose a collusion that threatens the pillars of our democracy." —The Washington Post The urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of Top of the Morning. While other leaders were marshaling resources to combat the greatest pandemic in modern history, President Donald Trump was watching TV. Trump watches over six hours of Fox News a day, a habit his staff refers to as

"executive time." In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked "coronavirus hysteria" as a "new hoax" from the left. Millions of Americans took Hannity and Trump's words as truth—until some of them started to get sick. In Hoax, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. "We don't really believe all this stuff," a producer says. "We just tell other people to believe it." At the center of the story lies Sean Hannity, a college dropout who, following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said "if I stay here I'll get cancer;" and how Trump has exploited the leadership vacuum at the top to

effectively seize control of the network. Including never before reported details, Hoax exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President's propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen? [Too Much and Never Enough](#) Humanix Books

These are the Tweets of President Donald J. Trump ... We are now engaged in a great struggle to determine the future of America, and no one communicates the #MakeAmericaGreatAgain agenda better than our President, Donald J. Trump. That is why this book was created. President Trump's plans for returning power to We the People, re-establishing the Constitution, rebuilding America's economic and military might, defending our borders, and restoring of Founding Principles are here to read, share, treasure, and live! In this book, President Trump's Tweets are chronicled from the period January 20, 2017 (the day he took office) through July 4, 2018. It is a unique and captivating insight into our 45th POTUS and the social media revolution he championed to usher in America's new birth of freedom.

**House of Trump, House of Putin**

HarperCollins

Presents a life of the New York real-estate magnate, with an analysis of his gift for self-promotion, his hands-on management style, and his deft use of the media to boost the ratings of his popular TV show, "The Apprentice."
