This collection of informal counsel provides intimate glimpses into the mind of one of the great spiritual figures of our time. In answering the questions of those who turned to him for guidance, Yogananda

expressed himself with candor, spontaneity, and insight. He knew when to relieve a somber situation with a flash of wit, and was able to transform philosophical truths into simple precepts for everyday living.

Living Fearlessly Self Realization Fellowship Pub

With over four million copies in print, Paramahansa Yogananda's autobiography has served as a gateway into yoga and alternative spirituality for North American practitioners since 1946. Balancing traditional yoga, metaphysical spirituality, and a flair for the stage, Yogananda inspired countless people to practice Yogoda, his own brand of yoga. His

method combined the spiritual and superhuman aspirations of Indian traditions with the health-oriented sensibilities of Western practice. Because the Yogoda program does not rely on recognizable postures and poses, it has remained under the radar of yoga scholarship. Biography of a Yogi examines Yogananda's career and Yogoda in the wider context of the development of yoga in the twentieth century. Focusing on Yogis during this early period of transnational popularization, Foxen highlights the continuities in the concept of the Yogi as superhuman and traces the transformation of yoga from a holistic and

spiritual practice to its present-day postural practice.

Songs of the Soul

Prabhat Prakashan

This book is an early collection of reminiscences of wisdom and wit of the great Kriya Yoga Master Paramhansa Yogananda. The book was abandoned by Self-Realization Fellowship, Publishers, after they dismissed its author, Bro Kriyananda, from the organization. Out of publication now for 39 years (at a minimum), and also abandoned by Kriyananda's publishers, Ananda Publishing, the editor is happy to make this wonderful book available once again to a world-wide audience. Boxed/Second Coming of Christ UNC Press Books

Kriya Yoga is an instrument through which human evolution can be quickened.

Learn the essence of this spiritual science from its greatest proponent, Paramhansa Yogananda, in his own words. Heed his vibrant call, "Awaken! Arise from dreams of littleness to the realization of the vastness within you." A compilation and selection of the original writings of the a spiritual Master whose life-work was to spend over 30 years in the West as the Fountain of Life, from which countless have drunk. This volume consists of the complete 1925 versions of "The Science of Religion" and "Songs of the Soul" as well as critical excerpts from the 1946

1st edition of the "Autobiography of a Yogi." Included are also other excerpts from his writings in the 1920's which are still helpful to the spiritual seekers of the world.

Autobiography of a Yogi Lulu Press, Inc

This collection debates the path and purpose of life. The author discusses such topics as whether it is possible to hasten human evolution, the possibility of a scientific method to ensure a pathway to life's highest fulfilments and what guidelines help mediators find genuine spiritual progress.

Sayings of Paramahansa

Yogananda Xiaomina
If a swami clad in ochre robes told you to forsake your family and study yoga to achieve

eternal enlightenment, would you do it? In Autobiography of a Yogi (1946), Indian monk and guru Paramahansa Yogananda describes the spiritual path that led him to leave India for the United States to spread the practice of kriya yoga in the early twentieth century... Summary of Paramahansa Yogananda's Autobiography of a Yogi by Milkyway Media Self Realization Fellowship Pub

This is the 70th-anniversary edition of Autobiography of a Yogi. Designated one of the 100 most important spiritual books of the 20th century, this book is the reprint of the 1946

first edition, with all its intact inherent power. Autobiography of a Yogi is the autobiography of the realized master Paramahansa Yogananda and his encounters with spiritual figures of both the East and the West. The autobiography begins with Yogananda's childhood family life, to finding his guru, to becoming a monk and establishing his teachings of Kriya Yoga meditation. The book continues in 1920 when Yogananda accepts an invitation to speak in a religious congress in Boston, Massachusetts, USA. He then travels across America lecturing and establishing his teachings in Los Angeles, California. Autobiography of a Yogi is both an

engaging narrative of Yogananda's life, as well as a monumental work of spiritual teaching. It has been in print for seventy years and has been highly acclaimed as a spiritual classic. A timeless masterpiece. One Volume, 502 pages. *Key to Self-Realization: Paramahansa Yogananda Collection* Milkyway Media Paramahansa Yogananda (1893–1952), a Hindu missionary to the United States, wrote one of the world's most highly acclaimed spiritual classics, *Autobiography of a Yogi*, which was first published in 1946 and continues to be one of the best-selling spiritual philosophy titles of all time. In this critical biography, David Neumann tells

the story of Yogananda's fascinating life while interpreting his position in religious history, transnational modernity, and American culture. Beginning with Yogananda's spiritual investigations in his native India, Neumann tells how this early "global guru" emigrated to the United States in 1920 and established his headquarters, the Self-Realization Fellowship, in Los Angeles, where it continues today. Preaching his message of Hindu yogic philosophy in a land that routinely sent its own evangelists to India, Yogananda was fueled by a religious nationalism that led him to conclude that Hinduism could uniquely fill a spiritual

void in America and Europe. At the same time, he embraced a growing belief that Hinduism's success outside South Asia hinged on a sincere understanding of Christian belief and practice. By "universalizing" Hinduism, Neumann argues, Yogananda helped create the novel vocation of Hindu yogi evangelist, generating fresh connections between religion and commercial culture in a deepening American religious pluralism.

God Talks With Arjuna Self-Realization Fellowship Publishers Where There is Light has sold over 200,000 copies since it was first published nearly thirty years ago. Its appeal and success stems from the fact that it

provides a popular overview into the writings and teachings of Paramahansa Yogananda and is often considered a second book to read after *Autobiography of a Yogi*. This New Expanded Edition includes two new chapters, including one offering beginner's instructions on how to meditate. Topics include: [[Finding wisdom and strength to make life's decisions [[The antidote for stress, worry, and fear [[Transforming our failures into success [[Security in an uncertain world [[Understanding death

Paramahansa Yogananda in Memoriam Self Realization Fellowship Pub

Albert Einstein once declared: "Science

without religion is lame, and religion without science is blind." In *The Science of Religion* Paramahansa Yogananda (author of the acclaimed spiritual classic *Autobiography of a Yogi*) reveals why the answers to the ultimate questions of both science and religion do not lie in scholarly research or blind belief, but in direct personal experience of a higher Reality that underlies and sustains all life. With compelling logic, he explores the relative effectiveness of various approaches to this goal - from traditional intellectual and religious disciplines to metaphysical practices that lead beyond the conscious and subconscious mind to a

superconscious awareness. Stripping away the cloaks of dogma and doctrine, he redefines religion on a basis at once universal and intensely personal.

 hands into healing
 batteries of life force:
 healing like Jesus by
 the laying on of hands
 healing stricken people
 from a distance
 XII. Esthetic way of

developing cosmic
 consciousness.
 Yogananda
 emphasized the
 underlying unity of the
 world's great religions,
 and taught universally
 applicable methods for
 attaining direct
 personal experience of
 God. To serious
 students of his
 teachings he
 introduced the soul-
 awakening techniques
 of Kriya Yoga, a sacred
 spiritual science
 originating millenniums
 ago in India, which had
 been lost in the Dark
 Ages and revived in
 modern times by his
 lineage of enlightened
 masters. Among those
 who became his
 students were many
 prominent figures in
 science, business, and
 the arts, including
 horticulturist Luther
 Burbank, operatic
 soprano Amelita Galli-

Curci, George Eastman (inventor of the Kodak camera), poet Edwin Markham, and symphony conductor Leopold Stokowski. In 1927, he was officially received at the White House by President Calvin Coolidge, who had become interested in the newspaper reports of his activities. In the hundred years since the birth of Paramahansa Yogananda, this world teacher has come to be recognized as one of the greatest emissaries to the West of India's ancient wisdom. His

life and teachings continue to be a source of light and inspiration to people of all races, cultures and creeds.
