The New York Times bestselling author of *Secret Service Dogs* and *Soldier Dogs* delivers the incredible, true story of K-9 Marine hero Lucca, and the handlers who fought alongside her through two bloody wars in Iraq and Afghanistan. "Maria Goodavage knocks it out of the park in this fast paced, spell binding page turner" --John W. Pilley, co-author of *Chaser: Unlocking the Genius of the Dog Who Knows a Thousand Words* Maria Goodavage takes readers into the life of Lucca K458, a decorated and highly skilled military working dog. An extraordinary bond develops between Lucca and Marine Corps dog handlers Chris Willingham and Juan Rodriguez, in what would become a legendary 400-mission career. A specialized search dog, Lucca belongs to an elite group trained to work off-leash at long distances from her handler to sniff out deadly explosives. She served alongside both Special Forces and regular infantry, and became so sought-after that platoons frequently requested her by name. Here, in gritty detail,

is the gripping account of Lucca's adventures on and off the battlefields, including tense, lifesaving explosives finds and rooftop firefights, as well as the bravery of fellow handlers and dogs they served with. Ultimately we see how the bond between Lucca and her handlers overcame the endless brutalities of war and the traumas such violence can inflict. *Top Dog* is a portrait of modern warfare with a heartwarming and inspiring conclusion that will touch dog lovers and the toughest military readers.

It is late July 1979 when a young man interviews with a relatively new fast-food chain. After he is immediately offered a position as a manager trainee, John never realizes that it is an early warning sign of future chaos. A saner man should have turned and ran. After he endures training and is promoted to assistant manager, John is transferred to a new restaurant. Excited and pumped for the challenge, he has no idea what is in store for him on his first day. Just as he begins closing the restaurant for the night, a masked man emerges from the hedges, robs the restaurant, and causes an unpleasant ending to John's first foray in the industry. As he struggles through multiple robberies, corporate intrigue and politics, snow and ice in Atlanta, and questionable decisions from upper management, John somehow finds a way to inject humor into the most stressful and intense situations as he navigates through both good and bad days in an unpredictable business. Behind the Burger is the intriguing and sometimes amusing tale of a restaurant manager's experiences as he does his best to
