Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

The challenge is clear and the question is pressing: How will universities respond? This book presents in-depth case narratives of ten universities from Norway, Finland, Sweden, UK, and the U.S. that have overcome significant challenges to develop programs and activities to commercialize scientific research, launch entrepreneurial degree programs, establish industry partnerships, and build entrepreneurial cultures and ecosystems. Each case narrative describes challenges overcome, actions taken, and resulting accomplishments. The most widely known English translation of the Kama Sutra was privately printed in 1883. It is usually attributed to renowned orientalist and author Sir Richard Francis Burton, but the chief work was done by the Indian archaeologist Bhagwan Lal Indraji, under the guidance of Burton's friend, the Indian civil servant Forster Fitzgerald Arbuthnot, and with the assistance of a student, Shivaram Parshuram Bhide.[18] Burton acted as publisher, while also furnishing the edition with footnotes whose tone ranges from the jocular to the scholarly. Burton says the following in its introduction:

The Complete Guide to Becoming Pregnant Simon and Schuster
Dealers of sex toys rake in billions of dollars every year. Their products are so diversified and today are available in every part of the world. Now, it looks like this business of artificially or technologically satisfying sexual desires is in vogue. The single, married, old, young today patronize sex toy shops and the manufacturers, wisely too, are steadily churning out more alluring and sophisticated ones. It seems like there will be no end to their innovative ingenuity to inventing these new instruments of sexual

pleasure. Today some of these toys act and behave exactly like opposite sex partners in the act. True. But here, we want to look at the origin, intentions, and effects of these toys on the users, especially the spiritual and psychological implications. Sex toys are not new. They have a long history that started with the use of carved objects that represented the penis. The ancient Roman, Greek, Chinese, Asian, Indian had these objects carved out of stones, iron, gold, wood and other materials that were used to drive masturbation. Some of them (like the Greek) also had worship of sex gods and goddesses where these objects are displayed, used and other sexually immoral acts were extensively promoted, including sex with demons and spirits. So, we can rightly say that the foundation of sex toys was that of the desire for 'unlimited' pleasure and the worship of demonic gods. This invention metamorphosed into other objects and in the 20th century, we saw the first electric vibrator invented. Since then, it has been a deluge of these manual and later sophisticated instruments of sexual pleasure. Some of them winking and talking! Wow! Now, is sex toy in the original plan of God? And since sexual relationship is a physical, emotional and spiritual connection, does it have any spiritual and emotional side effect? First, sex toys were not in the original plan of God. What is the connection between using these toys and encounters with sex demons - Incubus and Succubus, 'spirit wives and husbands' demonic and dream sex attacks, problems in relationship and life, etc. This book will open your eyes to all these.

The four-year long Eastern Front campaign fought between Germany and the Soviet Union produced not only the greatest number of aces, but also the highest individual and unit scores ever recorded in the history of aerial warfare. An ideal complement to its bestselling predecessor, this fully illustrated volume covers the Luftwaffe fighter pilots credited with scores of between 50 and 100; every single one of them amassing a greater number of victories than the highest and most celebrated of any British or American World War II ace. Despite these huge personal totals, the names of these pilots who fought against the Red Air Force remain almost unknown to many English speaking readers. More Bf 109 Aces of the Russian Front rectifies that omission, providing first-hand accounts from the combat veterans themselves, as well as never-before published photographs,

vividly conveying the terrible experiences of the protagonists in this difficult theatre of war.

In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to create a life of joy, contentment and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone as they are, at every moment, in every situation. This book is a medium for the

awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from holding on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a 'decision', not a 'consequence'.

Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory,

Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.
