### The Train Rolls On

Penguin

Engineer Small at the throttle takes the little train on its run from Tiny Town to the big city.

Steam Train, Dream Train 1-2-3 Candlewick Press

"The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings." -

Lisa Wingate, #1 New York Times Bestselling Author of *Before We Were Yours* and *The Book of Lost Friends* "Ardone's beautifully crafted story explores the meaning of identity and belonging...recommended to fans of Elena Ferrante's Neapolitan novels." - *The Library Journal* "[The Children's Train] leaves you with a great sense of the importance of family and the tough decisions that must be faced as a result of that love." - *Shelf Awareness* Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with

the heart of *Orphan Train* and *Before We Were Yours*—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the

north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious, innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family.

Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford

In this hilarious and wacky picture book, Shark and Train egg each other on for one competition after another, including burping, bowling, Ping Pong, piano playing, pie eating, and many more! Who do YOU think will win, Shark or Train? [star] "This is a genius concept." -- Publishers Weekly, starred review [star] "Lichtenheld's snarling

shark and grimacing train  
are definitely ready for a  
fight, and his scenarios  
gleefully play up the

absurdity. The  
combatants' expressions  
are priceless when they  
lose. A glum train in  
smoky dejection, or a

bewildered, crestfallen  
shark? It's hard to choose;  
both are winners." --
