The Pretender's Gold (Ben Hope, Book 21)  
Penguin

It is a truth universally acknowledged that a good white person of liberal leanings must be in want of a Black friend. In the biting, hilarious vein of *What Doesn't Kill You Makes You Blacker* and *We Are Never Meeting in Real Life* comes Ben Philippe's candid memoir-in-essays, chronicling a lifetime of being the Black friend (see also: foreign kid, boyfriend, coworker, student, teacher, roommate, enemy) in predominantly white spaces. In an era in

which "I have many black friends" is often a medal of Wokeness, Ben hilariously chronicles the experience of being on the receiving end of those fist bumps. He takes us through his immigrant childhood, from wanting nothing more than friends to sit with at lunch, to his awkward teenage years, to college in the age of Obama, and adulthood in the Trump administration—two sides of the same American coin. Ben takes his role as your new black friend seriously, providing original and borrowed wisdom on stereotypes, slurs, the whole "swimming thing," how much Beyoncé is too much Beyoncé, Black Girl Magic, the rise of the Karens, affirmative action, the Black Lives Matter movement, and other

conversations you might want to have with your new BBFF. Oscillating between the impulse to be "one of the good ones" and the occasional need to excuse himself to the restrooms, stuff his mouth with toilet paper, and scream, Ben navigates his own Blackness as an "Oreo" with too many opinions for his father's liking, an encyclopedic knowledge of CW teen dramas, and a mouth he can't always control. From cheating his way out of swim tests to discovering stray family members in unlikely places, he finds the punchline in the serious while acknowledging the blunt truths of existing as a Black man in today's world. Extremely timely, *Sure, I'll Be Your Black Friend* is a conversational take on topics both light and heavy,

universal and deeply personal, which reveals incisive truths about the need for connection in all of us.

'Deadly conspiracies, bone-crunching action and a tormented hero with a heart . . . packs a real punch' Andy McDermott *Terrene* Penguin

A riveting work of narrative nonfiction centering on the unsolved disappearance of an American backpacker in India--one of at least two dozen tourists who have met a similar fate in the remote and storied Parvati Valley. For centuries, India has enthralled Westerners looking for an exotic getaway, a brief immersion in yoga and meditation, or, in rare cases, a true

pilgrimage to find spiritual revelation. Justin Alexander Shetler, an inveterate traveler trained in wilderness survival, was one such seeker. In his early thirties, Justin quit his job at a tech startup and set out on a global journey-across the United States by motorcycle, then down to South America, and on to the Philippines, Thailand, and Nepal--in search of authentic experiences and meaningful encounters while documenting his travels on Instagram. His enigmatic character and magnetic personality gained him a devoted following who lived vicariously through his adventures. But the ever-restless explorer was driven to seek out ever-greater extremes, and greater risks, in what had become a personal quest--his own hero's journey. In 2016, he made his way to the Parvati Valley, a remote and rugged corner of the Indian Himalayas steeped in mystical tradition and shrouded in darkness and danger. There he spent weeks studying under the guidance of a sadhu, living and meditating in a cave. At the end of August, accompanied by the sadhu, he set off on a spiritual journey to a holy lake--one from which he would never return. Lost in the Valley of Death is about

Justin's search to find himself, in a country where, for many Westerners, the path to spiritual enlightenment can prove fraught, even treacherous. But it is also a story about all of us and the ways, sometimes extreme, we seek fulfillment in life.

**The Wild Places** HarperCollins UK

Conventional wisdom holds that same-sex marriage is a purely modern innovation, a concept born of an overtly modern lifestyle that was unheard of in nineteenth century America. But as Rachel Hope Cleves demonstrates in this eye-opening book, same-sex marriage is hardly new. Born in 1777, Charity Bryant was raised in Massachusetts. A brilliant and strong-willed woman with a clear attraction for her own sex, Charity found herself banished from her family home at age twenty. She spent the next decade of her life traveling throughout Massachusetts, working as a teacher, making intimate female friends, and becoming the subject

of gossip wherever she lived. At age twenty-nine, still defiantly single, Charity visited friends in Weybridge, Vermont. There she met a pious and studious young woman named Sylvia Drake. The two soon became so inseparable that Charity decided to rent rooms in Weybridge. In 1809, they moved into their own home together, and over the years, came to be recognized, essentially, as a married couple. Revered by their community, Charity and Sylvia operated a tailor shop employing many local women, served as guiding lights within their church, and participated in raising their many nieces and nephews. Charity and Sylvia is the intimate history of their extraordinary forty-four year union. Drawing on an array of original documents including diaries, letters, and poetry, Cleves traces their lives in sharp detail. Providing an illuminating glimpse into a relationship that turns conventional notions of same-sex marriage on their head, and reveals early America to be a place both more diverse and more accommodating than modern society might imagine, Charity and Sylvia is a significant contribution to our limited knowledge of LGBT history in

early America.

**The Final Case** HarperCollins UK

The #1 INTERNATIONAL BESTSELLER!!! AN ANCIENT TREASURE: While visiting the scenic country of Malta, Jonathon Payne and David Jones bump into an old friend, who has come to the islands to search for a long-lost treasure of the Knights Hospitallers, an organization that dates back to the First Crusade in 1099 AD. A VENGEFUL CRIMINAL: When Ivan Volkov—the ruthless leader of a Russian crime syndicate—is betrayed, he is willing to do anything to get retribution. Protected by a team of hackers and henchmen, he travels to the Mediterranean where he leaves a trail of bodies in his wake. A FINAL SHOWDOWN: Before returning home, Volkov learns about the ancient hoard, one with possible ties to Paul I and the Russian Empire. With pride and riches on the line, he focuses his wrath on the only people who stand in his way, but Payne and Jones refuse to back down as they try to locate one of the most important treasures of antiquity, while battling one of the world's most dangerous criminals in a deadly fight to the finish. *The Malta Escape* Knopf

From the award-winning, best-selling author of *Snow Falling on Cedars*—a moving father-son story that is also a taut courtroom drama and a bold examination of privilege, power, and how to live a meaningful life. A girl dies one late, rainy night a few feet from the back door of her home. The girl, Abeba, was born in Ethiopia. Her adoptive parents, Delvin and Betsy Harvey—conservative, white fundamentalist Christians—are charged with her murder. Royal, a Seattle criminal attorney in the last days of his long career, takes Betsy Harvey's case. An octogenarian without a driver's license, he leans on his son—the novel's narrator—as he prepares for trial. So begins *The Final Case*, a bracing, astute, and deeply affecting examination of justice and injustice—and familial love. David Guterson's first courtroom drama since *Snow Falling on Cedars*, it is his most compelling and heartfelt novel to date.

**Valley of Death (Ben Hope, Book 19)**

Severn House Publishers Ltd

Hoping to free his father from an unjust imprisonment, Druet the blacksmith sets out on a quest that will solve an ancient riddle and crown a man as Arcrea's first

king. A host of memorable characters join Druet on his mission of justice, but opposition quickly rises to test their level of commitment and their faith in God. Will the dangerous wilds of Arcrea and her seven oppressive lords succeed in bringing an end to Druet's quest? Will they crush forever the kingdom's hopes for a just king?

*The Girl I Used to Be* HarperCollins UK  
Technology and increasing levels of education have exposed people to more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols' *The Death of Expertise* shows how this rejection of experts has occurred: the openness of the internet, the emergence

of a customer satisfaction model in higher education, and the transformation of the news industry into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017 breakout hit, the paperback edition of *The Death of Expertise* provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump's election. Judging from events on the ground since it first published, *The Death of Expertise* issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today.

**The Pandemic Plot (Ben Hope, Book 23)** HarperCollins UK

From the author of the films *Lake Dead*,

(After Dark Film's 8 Films to Die For) and Farmhouse, Daniel P. Coughlin's Ted's Score is a shocking, suspenseful tale of a depraved, ax-wielding serial killer. When beautiful Jules Benton, a seventeen year old senior, goes missing after the spring formal dance in the small town of Watertown, Wisconsin, her father, Richard Benton, becomes suspicious of Jules' boyfriend, David Miller and his involvement with her disappearance. When Richard confirms his suspicions, the brutality of his capability consumes him and soon David will find out what that means. Unbeknownst to David or Richard, a serial killer by the name of Ted Olson has more to do with Jules' disappearance than anyone might suspect. As Jules' whereabouts unfold, the truth begins to bleed from a dark place. And the authorities have begun to smell the criminal acts committed. Murder and mayhem catch up with the slow pace of this ordinary Middle American town when evil, perversion, and death mislead these simple folks into a disastrous wave of crime that spirals out of control. All the while, Ted collects his score.

The Poisonwood Bible Macmillan

"Sixty years later, Jaffe's classic still strikes a chord, this time eerily prescient regarding so many of the circumstances surrounding sexual harassment that paved the way toward the #MeToo movement." - Buzzfeed When Rona Jaffe's superb page-turner was first published in 1958, it changed contemporary fiction forever. Some readers were shocked, but millions more were electrified when they saw themselves reflected in its story of five young employees of a New York publishing company. Almost sixty years later, *The Best of Everything* remains touchingly—and sometimes hilariously—true to the personal and professional struggles women face in the city. There's Ivy League Caroline, who dreams of graduating from the typing pool to an editor's office; naïve country girl April, who within months of hitting town reinvents herself as the woman every man wants on his arm; and Gregg, the free-spirited actress with a secret yearning for domesticity. Jaffe follows their adventures with intelligence, sympathy, and prose as sharp as a paper cut.

**The Sacred Weapon** HarperCollins UK  
"The most shocking fiction I have read in

years. What is shocking about it is both the idea and the sheer imaginative brilliance with which Mr. Shute brings it off." THE SAN FRANCISCO CHRONICLE They are the last generation, the innocent victims of an accidental war, living out their last days, making do with what they have, hoping for a miracle. As the deadly rain moves ever closer, the world as we know it winds toward an inevitable end....

**The Best of Everything** HarperCollins UK  
"Olivia's parents were killed fourteen years ago. Now, new evidence reopens the case . . . and she finds herself involved"--

**The Bach Manuscript (Ben Hope, Book 16)** Simon and Schuster  
FROM THE #1 BESTSELLING AUTHOR - THE ADVENTURE CONTINUES FROM STAR OF AFRICA . . . 'Deadly conspiracies, bone-crunching action and a tormented hero with a heart . . . packs a real punch' Andy McDermott

**The Moscow Cipher (Ben Hope, Book 17)** Vintage  
Ben-Hur is a story of two very different heroes. Judah Ben-Hur, a prince of Jerusalem, is involved in an accident to the Roman procurator which is taken to be intentional. He is seized and sent to the

fleet as a galley-slave, while his family is imprisoned and the family goods confiscated. When Ben-Hur saves the fleet captain from drowning after his ship is sunk in a fight with pirates, that officer adopts him as son and heir. With Roman training, Ben-Hur distinguishes himself in the arena and the palistrae and appears to be on the way to high military command. Wallace's work is part of an important sub-genre of historical fiction set among the characters of the New Testament. The novel was a phenomenal best-seller; it soon surpassed Harriet Beecher Stowe's Uncle Tom's Cabin (1852) as the best-

selling American novel and retained this distinction until the 1936 publication of Margaret Mitchell's *Gone with the Wind*. [Our Country Friends](#) Harper Collins  
In West Bank cities and small villages alike, men and women, young and old--a group of unforgettable characters--share their lives with Ehrenreich and make their own case for resistance and resilience in the face of life under occupation. Ruled by the Israeli military, set upon and harassed constantly by Israeli settlers who admit unapologetically to wanting to drive them from the land, forced to negotiate an ever

more elaborate and more suffocating series of fences, checkpoints and barriers that have sundered home from field, home from home, they are a population whose living conditions are unique, and indeed hard to imagine.

**The Heart of Arcree** Oxford University Press

After a world-famous opera star--and ex-flame--asks him to investigate her brother's mysterious death, British Air Service officer Ben Hope gets caught up in a centuries-old web of intrigue surrounding the death--and possible murder--of Mozart. Reprint.
