The Day Of The Pelican Penguin

This book is a study, in research-based narrative form, of one middle school's implementation of a new portfolio

assessment plan in response to statewide policy changes in California. The book highlights the interactions of state, district, and local forces as teachers work to implement a portfolio-assessment plan that collects student work and evaluates it systematically. It examines a portfolio-assessment project that views student work through three progressive lenses: warm, value free; cool, analytical; and hard, critical. The plot of the book traverses a 15-year period in California during which assessment drove instruction across the state, often in unexamined and contradictory ways, always in powerful ways. The book traces the ebb and flow of a variety of assessment philosophies located in living rooms, classrooms,

principals' offices, district headquarters, and in downtown Sacramento (the state capital)--a variety of philosophies coming and going that left behind fixed, predictable histories of conflict in classrooms. Its story appears to have parallels in the recent history of schools all over the United States. Chapters in the book are: (1) "Washers, Dryers, and School Reformers"; (2) "The Portfolio-Assessment System as an Innovation at Charles Ruff"; (3) "Portfolios in Review"; (4) "The Seeds of Change in California, 1983-1994"; (5) "Ruff Unified School District"; (6) "Inside the Middle (School)"; (7) "Ruff Instruction"; (8) "Ruff Students and Their Portfolios"; and (9) "Conclusions and Implications." Contains an Epilogue, an Appendix giving

the research method, and an extensive list of works cited. (NKA)

Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, "But Easter is coming!" By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Before there was Lois Lowry's *The Giver* or M. T. Anderson's *Feed*, there was Robert Cormier's *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy's search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. "An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do."—The New York Times Book Review "A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . Revisiting once again the world of Raymie Nightingale, two-time Newbery Medalist Kate DiCamillo turns her focus to the tough-talking, inescapably tenderhearted Beverly. Beverly put her foot down on the gas. They went faster still. This was what Beverly wanted -- what she always wanted. To get away. To get away as fast as she could. To stay away. Beverly Tapinski has run away from home plenty of times, but that was when she was just a kid. By now, she figures, it's not running away. It's leaving. Determined to make it on her own, Beverly finds a job and a place to live and tries to forget about her dog, Buddy, now buried underneath the orange trees back home; her friend Raymie, whom she left without a word; and her mom, Rhonda, who has never

cared about anyone but herself. Beverly doesn't want to depend on anyone, and she definitely doesn't want anyone to depend on her. But despite her best efforts, she can't help forming connections with the people around her -- and gradually, she learns to see herself through their eyes.
