BookCaps Study Guides  
This book gathers  
together for the first time  
the editors of some of the

most prestigious Translation Studies journals, and serves as a showcase of the academic and geographical diversity of the discipline. The collection includes a discussion on the intralinguistic translation of *Romeo and Juliet*; thoughts on the concepts of adaptation, imitation and pastiche with regards to Japanese manga; reflections on the status of the source and target texts; a study on the translation and circulation of Inuit-Canadian literature; and a

discussion on the role of translation in Latin America. It also contains two chapters on journalistic translation – linguistic approaches to English-Hungarian news translation, and a study of an independent news outlet; one chapter on court interpreting in the US and a final chapter on audio-description. The book was originally published as a special issue in 2017 to mark the twenty-fifth anniversary of *Perspectives: Studies in Translation Theory and Practice*.

A classic Shakespearean tragedy, Romeo and Juliet is the tale of two star-crossed young lovers who dare to defy their feuding families, put aside all obstacles, and find happiness together - but at a tremendous cost. This grimly beautiful tale, set in Renaissance Italy, follows Romeo and Juliet from their fateful first meeting to their last. Manga Classics brings you this incredible manga version of William Shakespeare's most popular play, with FULL, ADAPTED MODERN

ENGLISH text for easy reading!  
*An Index to the Shakespeare Memorial Library, by A. Capel Shaw: Foreign section* Perfection Learning  
 The essays collected here derive in part from a series of lectures, "International Perspectives on Shakespeare," delivered at the University of Delaware during the academic year 1992-93 and partially supported by the Delaware Humanities Forum. By coincidence, three of the six scholars

chose one of Shakespeare's most enduring and beloved tragedies, Romeo and Juliet, for their subject, but each approached the play from different points of view. All the essays are published here for the first time in English. They offer new perspectives on Romeo and Juliet that all students of the play will find both illuminating and useful.

 The History of English: A Linguistic Introduction is for anyone interested in the history of the English language. While leading the reader through the pre-history of English, through Germanic times, Old English, Middle English, Early Modern

English, and Modern English, the book also introduces the reader to concepts in theoretical and historical linguistics. It includes authentic texts from each period of the language, from Beowulf to the King James Bible. This book is a great introduction to the field of linguistics for anyone interested in language!  
**Shakespeare's Romeo and Juliet** Cambridge University Press  
 "Those at the periphery of society often figure obsessively for those at its center, and never more

so than with the rogues of early modern England. Whether as social fact or literary fiction-or both, simultaneously-the marginal rogue became ideologically central and has remained so for historians, cultural critics, and literary critics alike. In this collection, early modern rogues represent the range, diversity, and tensions within early modern scholarship, making this quite simply the best overview of their significance then and now." -Jonathan Dollimore, York University

"Rogues and Early Modern English Culture is an up-to-date and suggestive collection on a subject that all scholars of the early modern period have encountered but few have studied in the range and depth represented here." -Lawrence Manley, Yale University "A model of cross-disciplinary exchange, Rogues and Early Modern English Culture foregrounds the figure of the rogue in a nexus of early modern cultural inscriptions that reveals the provocation a seemingly marginal figure

offers to authorities and various forms of authoritative understanding, then and now. The new and recent work gathered here is an exciting contribution to early modern studies, for both scholars and students." -Alexandra W. Halasz, Dartmouth College Rogues and Early Modern English Culture is a definitive collection of critical essays on the literary and cultural impact of the early modern rogue. Under various names-rogues, vagrants, molls, doxies,

vagabonds, cony-catchers, masterless men, caterpillars of the commonwealth-this group of marginal figures, poor men and women with no clear social place or identity, exploded onto the scene in sixteenth-century English history and culture. Early modern representations of the rogue or moll in pamphlets, plays, poems, ballads, historical records, and the infamous Tudor Poor Laws treated these characters as harbingers of emerging social, economic, and cultural

changes. Images of the early modern rogue reflected historical developments but also created cultural icons for mobility, change, and social adaptation. The underclass rogue in many ways inverts the familiar image of the self-fashioned gentleman, traditionally seen as the literary focus and exemplar of the age, but the two characters have more in common than courtiers or humanists would have admitted. Both relied on linguistic prowess and social

dexterity to manage their careers, whether exploiting the politics of privilege at court or surviving by their wits on urban streets. Deftly edited by Craig Dionne and Steve Mentz, this anthology features essays from prominent and emerging critics in the field of Renaissance studies and promises to attract considerable attention from a broad range of readers and scholars in literary studies and social history.

Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young

star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. Its plot is based on an Italian tale, translated into verse as *The Tragical History of*

*Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1567.

Shakespeare borrowed heavily from both but, to expand the plot, developed supporting characters, particularly Mercutio and Paris.

Believed to have been written between 1591 and 1595, the play was first published in a quarto version in 1597. This text was of poor quality, and later editions corrected it, bringing it more in line with Shakespeare's

original.

Cambridge University Press

The Routledge Companion to Applied Performance provides an in-depth, far-reaching and provocative consideration of how scholars and artists negotiate the theoretical, historical and practical politics of applied performance, both in the

academy and beyond.

These volumes offer insights from within and beyond the sphere of English-speaking scholarship, curated by regional experts in applied performance. The reader will gain an understanding of some of the dominant preoccupations of performance in specified regions, enhanced by contextual framing. From the dis(h)arming of the human body through dance in Colombia to clowning with dementia in Australia, via challenges

to violent nationalism in the Balkans, transgender performance in Pakistan and resistance rap in Kashmir, the essays, interviews and scripts are eloquent testimony to the courage and hope of people who believe in the power of art to renew the human spirit. Students, academics, practitioners, policy-makers, cultural anthropologists and activists will benefit from the opportunities to forge new networks and develop in-depth comparative research offered by this bold,

global project.

### **Romeo and Juliet**

Routledge

The essays in *Word and Self Estranged in English Texts, 1550-1660*, consider diverse historical contexts for writing about 'strangeness'. They draw on current practices of reading to present contrasts and analogies within and between various social understandings. In so doing they reveal an interplay of thematic and stylistic modes that tells us a great deal about how, and why, certain

aspects of life and thinking were 'estranged' in sixteenth and seventeenth century thinking. The collection's unique strength is that it makes specific bridges between contemporary perspectives and early modern connotations of strangeness and inhibition. The subjects of these essays are 'strange' to our ways of thinking because of their obvious distance from us in time and culture. And yet, curiously, far from being entirely alien to these texts, some of the most

modern thinking-about paradigms, texts, concepts-connects with the early modern in unexpected ways. Milton meets the contemporary 'competent reader', Wittgenstein meets Robert Cawdrey, Shakespeare embraces the teenager, and Marvell matches wits with French mathematician René Thom. Additionally, the

early modern texts posit their own 'others', or sites of estrangement-Moorishness, Persian art, even the human body-with which they perform their own astonishing maneuvers of estrangement and alignment. In reading Renaissance works from our own time and inviting them to reflect upon our own time, Word and Self

Estranged in English Texts, 1550-1660 offers a vital reinterpretation of early modern texts.
