Aimed at theologians, philosophers of religion, scholars and students, Peter Hodgson provides a study of Hegel and of 19th century religious thought

We Make the Road by Walking Convergent Books

This Handbook surveys the complex history of Trinitarian theology and reveals the Nicene unity still at work among Christians today despite ecumenical differences. Forty-five contributors examine doctrinal developments and variations from biblical times to the present day.

The Divine Dance Convergent Books

Father, Son, and Holy Spirit. In this formula that Christians recite as though on autopilot lie the secrets for healing our world, rekindling our visionary imagination, and manifesting the Kingdom of Heaven on earth. It's an astonishing claim, but one that is supported by Cynthia Bourgeault's exploration of Trinitarian theology—and by her bold work in further articulating the deep truth it contains. She looks to the ancient concept in light of the ideas of G. I. Gurdjieff and Jacob Boehme to reveal the Trinity as the "hidden driveshaft" within Christianity: the compassionate expression of the Uncreated Reality in creation.

The Shack Revisited SPCK

Dissolve the distractions of ego to find our authentic selves in God In his bestselling book *Falling Upward*, Richard Rohr talked about ego (or the False Self) and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves Written by Father Richard Rohr, the bestselling author of *Falling Upward* Examines the fundamental issues of who we are and helps us on our path of spiritual maturity *Immortal Diamond* (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style.

The Oxford Handbook of the Trinity Oxford University Press

Tim Keller's name is known across the evangelical world. His work as a pastor-teacher has found expression both in the urban ministries of Redeemer Presbyterian Church in New York, and in his many writings. Keller's books, in turn, have spawned Bible study courses and generated a great measure of discussion about key biblical concepts, as he has sought to make the gospel relevant for a modern generation. In this collection of essays, written from within the same evangelical constituency, several writers engage with different aspects of Keller's thought. While indebted to Keller in many ways, they also wish to examine his position in the light of Scripture and to work constructively as well as critically with his published works. That such an influential figure should be the subject of discussion is not surprising; what will be surprising to many is that not all evangelicals are prepared to accept without question all of Keller's conclusions or formulations. This is a book to stimulate discussion and to remind us that God's Word must always be our final judge in matters of theology, evangelism and apologetics. Book jacket.

God, Belief, and Perplexity Wipf and Stock Publishers

The following dissertation concerning the Trinity, as the reader ought to be informed, has been written in order to guard against the sophistries of those who disdain to begin with faith, and are deceived by a crude and perverse love of reason. Now one class of such men endeavor to transfer to things incorporeal and spiritual the ideas they have formed, whether through experience of the bodily senses, or by natural human wit and diligent quickness, or by the aid of art, from things corporeal; so as to seek to measure and conceive of the former by the latter. Aeterna Press

The Trinitarian Theology of St Thomas Aquinas Fortress Press

Classical Trinitarianism holds that every action of Trinity in the world is inseparable. That is, the divine persons are equally active in every operation. But then, in what way did the Father create the world through Christ? How can only the Son be incarnate, die, and be resurrected? Why does Christ have to ascend before the Spirit may come? These and many other questions pose serious objections to the doctrine of inseparable operations. In the first book-length treatment of this doctrine, Adonis Vidu takes up these questions and offers a conceptual and dogmatic analysis of this essential axiom, engaging with recent and historical objections. Taking aim at a common "soft" interpretation of the inseparability rule, according to which the divine persons merely cooperate and work in concert with one another, Vidu argues for the retrieval of "hard inseparability," which emphasizes the unity of divine action, primarily drawing from the patristic and medieval traditions. Having probed the biblical foundations of the rule and recounted the story of its emergence in nascent Trinitarianism and its neglect in modern theology, Vidu builds a constructive case for its retrieval. The rule is then tested precisely on the battlegrounds that were thought to have witnessed its defeat: the doctrines of creation, incarnation, atonement, ascension, and the indwelling of the Spirit. What emerges is a constructive account of theology in which the recovery of this dogmatic rule shines fresh light on ancient doctrines.

Holy Trinity, Perfect Community Oxford University Press

The doctrine of the Trinity is taught and believed by all evangelicals, but rarely is it fully understood or celebrated. In *The Deep Things of God*, systematic theologian Fred Sanders shows why we ought to embrace the doctrine of the Trinity wholeheartedly as a central concern of evangelical theology. Sanders demonstrates, engagingly and accessibly, that the doctrine of the Trinity is grounded in the gospel itself. In this book, readers will understand that a robust doctrine of the Trinity has massive implications for their lives, restoring depth to prayer, worship, Bible study, missions, tradition, and understanding of Christianity's fundamental doctrines. This new edition includes a study guide with discussion questions, action points, recommended reading, and more.

Dancing Standing Still Franciscan Media

NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find

encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

Immortal Diamond OUP Oxford

Perichoresis (mutual indwelling) is a concept used extensively in the so-called Trinitarian revival; and yet no book-length study in English exists probing how the term actually developed in the "classical period" of Christian doctrine and how it was carefully deployed in relation to Christian dogma. Consequently, perichoresis is often used in imprecise and even careless ways. This path-breaking study aims at placing our understanding of the term on firmer footing, clarifying its actual usage in relation to doctrines of God, Christ, and salvation in the thought of John of Damascus, the eighth-century theologian, monk, and hymn writer who gave it its historically influential application. Since John summed up a whole theological tradition, this work provides not only an introduction to his theological vision but also to the key themes of Greek patristic thought generally and thereby lays an essential foundation for those who would dig deeper into the present-day usefulness of perichoresis.

Metaphysics and the Tri-Personal God Zondervan Academic

What if changing our perception of God has the potential to change everything? God is not what you think. Visions of an angry, distant, moral scorekeeper or a supernatural Santa Claus handing out cosmic lottery tickets to those who attend the right church or say the right prayer dominate our culture. For many others, God has become irrelevant or simply unbelievable. In *The Divine Dance*, Fr. Richard Rohr (with Mike Morrell) points readers to an unlikely opening beyond this divinity impasse: the at-times forgotten, ancient mystery of the Trinity—God as utterly one, yet three. Drawing from Scripture, theology, and the deepest insights of mystics, philosophers, and sages throughout history, Fr. Rohr presents a compelling alternative to aloof and fairytale versions of God: One God, belovedly in communion, as All-Vulnerable, All-Embracing, and All-Given to you and me. *The Divine Dance* makes accessible and practicable the Christian tradition's most surprising gift... God as Community...as Friendship...as Dance. Are you ready to join in?

Perichoresis and Personhood Aeterna Press

Offers a well-nuanced and well-grounded constructive theology of Trinitarian atonement.

Reading Revelation Responsibly Chalice Press

Dancing With God is an exploration of the divine gifts of courage and grace in the face of evil. Moreover, it is a doctrine of God as the source of that courage. Baker-Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion, a metaphor she uses for unnecessary violence. She develops a process of relational, womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit. She engages the contributions of a diversity of theologians like Paul Tillich, Karl Barth, Gordon Kaufman, John Cobb, Jr., Majorie Suchocki, Charles Hartshorne, Andrew Sung Park, and Katie Cannon in her discussion of the dance of the Trinity in creation, and the problem of sin, evil, and suffering. Through creative works like that of Alice Walker's *The Color Purple* and journalist Joyce King's account of the James Byrd, Jr. murder in Jasper County, Texas, Baker-Fletcher reveals the healing, encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence.

The Reason for God Paulist Press

In this companion to *The Universal Christ*, Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live "in Christ." In his landmark book *The Universal Christ*, Richard Rohr articulated a transformative view of what it means to recognize Jesus as "Christ"—as a portrait of God's constant, unfolding work in the world. Now, in partnership with Patrick Boland, a psychotherapist and member of Rohr's Center for Action and Contemplation community, he invites readers to engage with the themes of the book through spiritual practice. Each reflection in this book draws on a key passage of *The Universal Christ*, paired with prayers, journal prompts, and embodied exercises that invite readers into a more personal encounter with the truth that the presence and compassion of the Christ are in every thing. Whether read daily for the season of Lent or explored over the course of a year, *Every Thing Is Sacred* is a hope-filled journey into the love at the heart of all things.

The Holy Trinity and the Law of Three FaithWords

"An excellent introduction to the prophets and the prophetic literature . . . The goal of the book is to understand the thought of the prophets in their historical contexts, and to communicate that understanding for our time. Its approach, while innovative, builds upon the best of contemporary analysis of the prophetic literature." --Gene M. Tucker Candler School of Theology Emory University "Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap. He displays the individuality of each prophet with perceptive insight, but he also compares and interrelates them in his various summaries. Furthermore, Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades." --Bernhard W. Anderson Princeton Theological Seminary

Falling Upward Franciscan Media

Yes, and...is an excellent daily prayer resource for fans of Richard Rohr's work, and those who are looking for an alternate way to live out their faith--a way centered in the open-minded search for spiritual relevance of a transforming nature. This perennial book features daily meditations, each written by Rohr and adapted or excerpted from his many written and recorded works.

King, Priest, and Prophet John Wiley & Sons

Rev. ed. of: A lever and a place to stand: the contemplative stance, the active prayer. c2011.

Dancing with God Wm. B. Eerdmans Publishing

Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond. Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, “a master of ‘making room for it’ and letting go of that which was tired or empty.” Francis found an “alternative way” to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel. Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. The audio edition of this book can be downloaded via Audible.

Yes, And... Oxford University Press

Every age needs figures of spiritual inspiration, but in times of recession and uncertainty they are essential in helping us to rise above despair and to search for God deep within ourselves. In this new book, Michael Ford invites four spiritual masters onto the same stage for the first time and shows how they speak, not only to our own times, but for all seasons. Thomas Merton, Henri Nouwen, Anthony de Mello and John O'Donohue all died suddenly at the height of their fame as spiritual masters, but they continue to have immense followings. What was their secret and why do their legacies endure? Through unpublished interviews with some of the authors themselves, encounters with their friends, and reflections from readers who have been inspired by their writings, Michael Ford journeys across the United States and Europe to assess their place in the world of contemporary spirituality. He goes behind the scenes of the Abbey of Gethsemani in Kentucky to hear first hand from monks who were novices under Merton; visits Lambeth Palace in London to discover Merton's influence on the Archbishop of Canterbury; talks to people about how Nouwen, the proverbial wounded healer, helped them through depression because he had suffered himself; speaks to Jesuits who worked with de Mello in India and tries to find out how close the international storyteller came to Buddhism; and takes a walk with O'Donohue through landscapes in rural Ireland that feature in such books as *Anam Cara* and discusses the appeal of Celtic spirituality. Blending the spiritual with the journalistic, Michael Ford presents four unique writers as *Spiritual Masters for All Seasons*. +
