The Picture of Dorian Gray

Penguin
In *I*, Tom Horn, originally published in 1975, Will Henry presents a fictional autobiography of Tom Horn that answers decisively the question: did Tom Horn kill fourteen-year-old Willie Kickell, or was he framed? Horn was a cavalry scout in Arizona Territory during the last Apache campaigns, a champion rodeo rider, a Pinkerton, and finally a stock detective in Wyoming. Known and feared as *el hombre de sombra* (the shadow man), Horn's lifetime

(1860-1903) spans one of the most colorful and tumultuous periods of the Old West. In this novel Will Henry provides a multidimensional portrait of Tom Horn as a man capable of humor, compassion, and love, and also one who could kill without the least remorse. This figure is set against equally compelling portraits of Al Sieber, chief of scouts under General Crook, and apache leaders in the Four Families of the Chiricahuas, names now fabled in American frontier history: Nana, Chato, and Geronimo. No Remorse, No Regret Penguin
Fandom and first love collide in in this joyful, feminist contemporary romance from acclaimed author Cory McCarthy—perfect for fans of Rainbow Rowell and Ashley Poston Iris

Thorne wants to blaze her own path. That's easier said than done when you're the granddaughter of M. E. Thorne, famous author of the Elementia series, hailed as the feminist response to J. R. R. Tolkien's *Lord of the Rings*. And with a major motion picture adaptation of her grandmother's books in the works, Iris can say goodbye to her dream of making her own way in the music industry. When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. And brushing shoulders with the hot, young cast isn't awful, especially the infuriatingly charming lead actor, Eamon O'Brien. Iris even finds the impassioned female director inspiring. But when the filming falls into jeopardy, everything Iris thought she knew about Elementia—and herself—is in question. Will making a film for the big screen help Iris to see the big picture?

Is the price of eternal

youth worth a man's soul?

The exceptionally handsome Dorian Gray is a model—and the muse—for a young artist, Basil Hallward. Through Basil, Dorian meets Lord Henry Wotton, who values only the pleasurable things in life with no regard for morality. He makes Dorian realize that one day his famed beauty will fade, and he will be left with nothing. Dorian decides to sell his soul so that a portrait of him will age in his place. As he indulges in every vice and selfish whim, his portrait grows increasingly hideous. But will he learn the true cost of his corruption in time to change his ways? This unabridged edition of British playwright Oscar Wilde's only novel, first published in 1891, begins with his famous preface, in which he justifies his artistic philosophy.

parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society—not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. Observations, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

 "The world needs this book." —Brené Brown,

Ph.D., New York Times bestselling author of *Dare to Lead* and *Atlas of the Heart* An instant New York Times bestseller As featured in *The Wall Street Journal* and *The Washington Post* Named a Best Book of 2022 by NPR and *Financial Times* From the #1 New York Times–bestselling author of *When and Drive*, a new book about the transforming power of our most misunderstood yet potentially most valuable emotion: regret. Everybody has regrets, Daniel H. Pink explains in *The Power of Regret*. They're a universal and healthy part of being human. And understanding how regret works can help us make smarter decisions, perform better at work and school, and bring greater meaning to our lives. Drawing on research in social psychology, neuroscience, and biology, Pink debunks the myth of the "no regrets" philosophy of life. And using the largest sampling of American attitudes about regret ever conducted as well as his own *World Regret Survey*—which has collected regrets from more than 15,000 people in 105 countries—he lays out the four core regrets

that each of us has. These deep regrets offer compelling insights into how we live and how we can find a better path forward. As he did in his bestsellers *Drive*, *When*, and *A Whole New Mind*, Pink lays out a dynamic new way of thinking about regret and frames his ideas in ways that are clear, accessible, and pragmatic. Packed with true stories of people's regrets as well as practical takeaways for reimagining regret as a positive force, *The Power of Regret* shows how we can live richer, more engaged lives.

 The terrorist leaders from the Middle East were upset their jihadist sleepers in the United States had failed miserably to eliminate FBI Special Agent Chad Winters, a recurring thorn

on their side. After having financed numerous failures, the ISIS leader, Abu Bakr al-Baghdadi, decided to go after Winters' family instead, emulating the words of the Republican presidential candidate that said, if elected, he would have the families of the terrorists kill. A Canadian sleeper received the ISIS leader's assignment and set out to execute the holy mission in the United States. The sleeper found out Winters had no immediate family, only the Knights, a retired Army couple. The elderly Knights were the parents of Nora Knight, Chad's lovely fiancé, but she was killed before their planned wedding many years before. Chad became extremely angered after the appalling murders of the elderly Knights, whom he considered family, and now vow to seek revenge to its fullness. But, his revenge plan was impeded by someone else also trying to kill the murderer, but for other unknown reasons. Chad was not going to let that happen; seeking revenge against the Knight's murderer was his and only his. The race between Chad and the unknown tracker to find the killer of the Knights

was on. Who would get to kill the murderer first, Chad or the unknown tracker, as a path of death was left behind from Toronto, Canada to Denver, Colorado. Following both, the Knight's killer and the unknown tracker, Chad had to use all of his experience and even resort to some unorthodox methods to accomplish his goal. But, would Chad get the tracker first before the Knight's killer? This is the exciting and final book of FBI Special Agent Chad Winters' trilogy, 'Revenge Without Remorse', by author Alex Salaiz. *Carrier* PTS Professional NEW YORK TIMES BESTSELLER • From the author of *Relationship Goals* . . . Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark . . . until it started raining. It was crazy for Moses to lead a nation of people into the desert away from Egypt . . . until the Red Sea parted. It was crazy to believe that a fourteen-year-old virgin would give

birth to the Son of God . . . until Mary held Jesus in her arms. There are many things that seem normal or average today that at one point in time seemed absolutely crazy. Smartphones, Wi-Fi, and even the electric light bulb were all groundbreaking, history-making inventions that started out as crazy ideas. Our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines, but it's crazy faith that helps us see God move and reveals His promises. In *Crazy Faith*, Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible. Even if you have to start with baby faith or maybe faith, you can become empowered to let go of your lazy faith, trust God through your hazy faith, and learn to live a lifestyle of crazy faith. With powerful stories of modern-day faith warriors who take their cues from biblical heroes, Michael Todd equips you to • believe for the impossible • choose hope over fear •

be alert to the voice of God • cope with loss and doubt • develop a deeper level of trust in God • speak faith-filled declarations • inspire crazy faith in others God's not looking for somebody to give Him all the reasons why His plans can't happen. He's looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is, Are you crazy enough to believe it?

Lord of the Flies Penguin UK

Every novel by Tom Clancy has been "a jaw-tightener and a nail-biter of the first order, " as the San Diego Union described *Without Remorse*. But *Debt of Honor* surpasses them all, with Jack Ryan facing his greatest challenge - against a peril that may become all too real. In retrospect, it would seem an odd way to start a war. . . . The end of history. The new world order. Fine phrases, but as Jack Ryan is about to discover, history isn't dead yet - and only the nature of the threat is new. On the Pacific island of Saipan, a wealthy Japanese businessman regards his new-bought land with satisfaction. In the Indian

Ocean off Sri Lanka, a foreign navy begins a series of highly unusual exercises. At the headquarters of America's major stock-clearing corporation, an engineer brings a customized computer program on-line for the first time, and smiles at his own private joke. Three seemingly unrelated incidents, but all just the first links in a chain of events that will stun the world. Called out of retirement to serve as the new President's National Security Advisor, Jack Ryan quickly realizes that the problems of peace are fully as complex as those of war. Enemies have become friends, friends enemies, and even the form of conflict has changed. What he cannot realize, however, is just how close the next conflict is. And when one of those new enemies readies a strike not only at America's territory, but at the heart of her economy, it is Ryan, with the help of CIA officers John Clark and Domingo Chavez, who must prepare an untested President to meet the challenge, if Ryan can only figure out how. For there is a debt of honor to be paid - and the price will be terrifyingly high. . .

One of Elizabeth Bowen's

most artful and psychologically acute novels, *The House in Paris* is a timeless masterpiece of nuance and atmosphere, and represents the very best of Bowen's celebrated oeuvre. When eleven-year-old Henrietta arrives at the Fishers' well-appointed house in Paris, she is prepared to spend her day between trains looked after by an old friend of her grandmother's. Henrietta longs to see a few sights in the foreign city; little does she know what fascinating secrets the Fisher house itself contains. For Henrietta finds that her visit coincides with that of Leopold, an intense child who has come to Paris to be introduced to the mother he has never known. In the course of a single day, the relations between Leopold, Henrietta's agitated hostess Naomi Fisher, Leopold's mysterious mother, his dead father, and the dying matriarch in bed upstairs, come to light slowly and tantalizingly. And when Henrietta leaves the house that evening, it is in possession of the kind of grave knowledge usually reserved only for adults.
