*A Balanced Christian Life* Christian Fellowship Publishers

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Another book in the Ron Cottle Teaches the Masters series, *The Work and Responsibility of the Ekklesia* draws from the writings of the Watchman Nee book, *The Glorious Church*. Dr. Cottle shows that the Ekklesia is best suited and set in place for reinforcing and maintaining the Lord's redemptive victory in the earth! The Ekklesia's assignment is to execute the Lord's victory and bring in the Kingdom. When all has been done that will be done in the earth to bring about the ultimate defeat of Satan and his power, God will bring to Himself one glorious Church, the predetermined Ekklesia, arrayed in all the glory and honor determined before the fall.

*The Communion of the Holy Spirit* Living Stream Ministry

What is God's ultimate intention? Ask most Christians this question, and you'll likely hear something like this: To save us, to glorify Himself, or to make disciples of Jesus in the nations. But what if there is something deeper? What if God has a master plan, a blueprint from which He operates, that has been hidden from many believers for centuries? The apostle Paul unveiled this mysterious plan almost 2,000 years ago in the book of Ephesians, but unfortunately, it has become a mystery once again in the church. If you've ever felt a sense of unrest over the often-shallow, man-centered modern approach to Christianity, you know there must be more. And there is. God has an ultimate intention, an original plan and purpose from which we've strayed . . . and we need to find our way back. As you will see in *The Eternal Blueprint*, the way back begins with rediscovering God's eternal purpose, which has driven the ages of history and will drive the eternal ages to come. Before creation, before the garden, and before the fall, the triune God had a vision for the world—a vision that includes you. What's the purpose of life? Where do you fit into God's plans for the world? For eternity? When you discover God's original intention, you will find your true purpose and meaning in life. When you understand the magnificent plan that God established before the foundation of the world, you will know the reason why you were created. As *The Eternal Blueprint* explains, God has issued you the invitation of a lifetime . . . literally. You were created to be the Father's, the Son's, and the Spirit's eternal inheritance. Once you understand this life-transforming truth, which is at the center of God's eternal purpose, you will never be the same.

**The Renewing of the Mind** Living Stream Ministry

The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established word. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if our person is not proper before the Lord.

*A Life-Changing Book on Christian Virtues* from the Author of *Sacred Marriage* "When we practice the virtues of Christ," writes bestselling author Gary Thomas, "we become who God created us to be." In this classic book of spiritual formation, we encounter true discipleship—the life we were made for—by observing Jesus in his daily life: his interactions with the people around him, his reactions and responses to spiritual warfare, his thoughtful engagement of complicated questions about faith and profound temptations. Jesus embodied the virtues that God has invited us all to cultivate. This book becomes instrumental to our spiritual growth. There aren't a lot of books that focus squarely on classical Christian virtues; those that do often approach the topic in a scholarly, detached fashion. Gary Thomas has a deep concern for the spiritual vitality of his audience, and that concern comes through in this book. Gary Thomas is one of the most celebrated writers on spiritual formation, with beloved books sitting alongside other contemporary classics by authors such as Dallas Willard, James Bryan Smith, and Richard Foster. In his distinct style, he provides a heartfelt survey of humility, chastity, generosity, patience, perseverance, and more, as demonstrated in the life of Jesus. These virtues are for us, and this book draws lines from our lived experience to the lived experience of Christ, and back to us, pointing the way to a more vibrant faith and a more fulfilling life.

*Practical Issues of This Life* Christian Fellowship Publishers

"Ephraim is a cake not turned" (Hosea 7.8). This is a figurative way of saying 'not balanced'. The cake is burned on the one side, uncooked on the other; on one side it is overdone, on the other, totally undone. The cake is unfit to be eaten and is thus destined to be cast out. Our God is most balanced. He is love and He is light. Our Lord Jesus is full of grace and full of truth. The Holy Spirit is the Spirit of wisdom as well as of revelation. In creation, God "hath measured the waters in the hollow of his hand, and meted out heaven with a span, and comprehended the dust of the earth in a measure, and the hills in a balance" (Is. 40.12). Concerning redemption, it is said that "mercy and truth are met together, righteousness and peace have kissed each other. Truth springeth out of the earth; and righteousness hath looked down from heaven" (Ps. 85.10,11). The new creation, therefore, must be well balanced. In this present volume, Watchman Nee attempts to show from God's word the perfect equilibrium of divine truth. Human nature, however, is prone to emphasize one side to the exclusion of the other side of truth. This has caused much confusion and many problems among God's people. It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained. The contents of the book opens with a treatment of the balance between the gate and the way; continues with a presentation of the balance between the objective and the subjective; includes a discussion on the work inward and the work outward in the Christian life, as well as on the rest given and the rest found as promised by Christ; contemplates the other side of prayer frequently neglected, namely, to watch; and concentrates on the other less emphasized aspect of the trespass-offering, that of restoration. The book then provides a commentary on the contrast between the truly meek and the spiritually poor, and finally concludes with a consideration of the equilibrium that is so necessary between the believer's faith and the believer's walk. May all who read this volume be brought into a balanced Christian life.

**The Overcoming Life** Independently Published

**Mystery of Christ** Christian Fellowship Publishers

"Every Christian who has believed into Christ and received Him has a desire to grow in Him. The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships; rather, they are a mind in need of renewing, a will in need of submission to God, and an emotion in need of stability. In *The Breaking of the Outer Man and the Release of the Spirit* Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God. In a new and revised translation of this spiritual classic, Watchman Nee provides crucial insight into the Biblical revelation of the necessity of the dividing of our soul from our spirit"--Back cover
