He's been a legend for over a hundred years, but did anyone really know Doc Holliday? His cousin did, the girl who was his first love and the model for Melanie in *Gone with the Wind*. Her personal recollections combine with eighteen years of original research in *Southern Son: The Saga of Doc Holliday*, a trilogy of historical fictions that sweep from the Old South to the Wild West, from the cowboy capital of Dodge City to the silver boomtown of Tombstone, from Leadville at the top of the Rocky Mountains to New Orleans on the Mississippi River, as John Henry Holliday goes from Southern gentleman to outlaw to lawman to legend. It's an epic tale of heroes and villains, dreams lost and found, families broken and reconciled, of sin and recompense and the redeeming power of love. The Southern Son trilogy includes: *Inheritance* *Gone West* *The Last Decision*

Juluka Newsletter Hoover Press

On Route in South Africa is an invaluable guide and companion to travel in this country. The book tours the length and breadth of South Africa, recouting the stories and legends, both amusing and tragic, of every hamlet, village, town and city.

Koevoet One Billion Knowledgeable

First published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Adventure Guide to Mexico's Pacific Coast Cambridge University Press

Woorden weven gaat over het vergelijken van belangrijke begrippen in het Nederlands en verwante talen. Woorden als 'duurzaamheid', 'echtheid', 'kunst', 'liefde', 'natuur', 'recht', 'trouw', 'vrijheid' en 'waarheid', en ook woordparen zoals 'hoog' en 'laag', 'links' en 'rechts', blijken niet overal precies hetzelfde te betekenen. De verschillen worden vaak duidelijk als er oudere talen bij worden betrokken, bijvoorbeeld het Grieks, en uiteindelijk ook de Indo-Europese oertaal. Deze vergelijkingen leveren vaak fascinerende resultaten op. Zo blijken 'vrijheid' en 'liefde' met elkaar verwant te zijn, en ook 'waarheid' en 'trouw'. Vandaar het motto "Lees maar, er staat niet wat er staat". Op deze manier biedt dit boek verrassende perspectieven op de cultuur en de omgang met de natuur van de Indo-Europeanen. Via onze woordenschat blijkt hoe nauw we nog steeds met elkaar verbonden zijn. Het boek is vooral bedoeld voor mensen met een brede belangstelling voor de samenleving en enige talenkennis, voor lezers die zich willen laten meeslepen door de meest uiteenlopende maatschappelijke en cultuurhistorische beschouwingen, over oorlog en vrede, landbouw en milieubeheer, land en water, macht en gelijkheid, concurrentie en samenwerking, kunst en kitsch. Het bestaat uit 60 opzichzelfstaande essays die je goed afzonderlijk en in een zelfgekozen volgorde kunt lezen. Eddy van der Maarel heeft biologie gestudeerd aan de Universiteit van Amsterdam en is gepromoveerd aan de Universiteit van Utrecht. Ook studeerde hij piano aan het toenmalige Muzieklyceum in Amsterdam. Hij spreekt vijf talen en kan zes andere lezen. Hij is emeritus professor aan de Universiteiten van Uppsala en Groningen, publiceert veel over ecologie en natuurbeheer, en voert af en toe pianomuziek uit.

The Smell of Apples Routledge

Instead of immediately focusing on what to do, the first section of the book ('Principles') asks detailed, probing questions about you. Knowing yourself and what makes you tick is the first step to getting the career you want. Using the unique 'Ego Styles Theory', which the author has used to great success with her own clients, the book can identify the ways in which you could be blocking your own success in life and career.

White Paper on Defence Better English Language Teaching a great resource anywhere you go; it is an easy tool that has just the words you want and need! The entire dictionary is an alphabetical list of Law words with definitions. This eBook is an easy-to-understand guide to Law terms for anyone anyways at any time. The South African Law of Persons and Family Law London U. of London

The Pacific coast of Mexico is a playground for active travelers. Warm waves and sunny skies attract the beach crowd with watersports, while volcanoes, mountains and jungles appeal to hikers, naturalists and the culturally curious. Visit a pearl farm in San Carlos, ride a train through Copper Canyon, go crocodile hunting on La Tovar River, surf the big waves at Playa Las Islitas, or visit the village of Ajejic, where DH Lawrence once got inspiration. We travel to grow ndash; our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise ndash; sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique.

Militaria Routledge

Koevoet! has been a global bestseller since its release over 20 years ago. This new edition goes far beyond the original in capturing the courage, fear and intensity of South Africa's deadly bush war. Never before had an outsider been given unrestricted access to *Koevoet*, the elite South West African Police counterinsurgency unit - also known as Operation K and officially as the South West Africa Police Counter Insurgency Unit (SWAPOL-COIN). Author Jim Hooper spent a total of five months embedded with the semi-secret and predominantly black 'Ops K', which climaxed with one of the most vicious and determined infiltrations ever mounted by the communist-backed South West Africa People's Organization (SWAPO). Crossing regularly into Angola in pursuit of the insurgents, he saw friends die next to him and was twice wounded himself. This updated edition, drawing on the recollections and diaries of the men he rode with, will fascinate yet another generation of readers. In assembling this work, Jim Hooper had the opportunity to re-connect with so many of the men who allowed this outsider to ride with them. All of which brought a new intensity and poignancy. It also reminded Jim Hooper how privileged he was to have been witness to *Koevoet*'s war. This stunning work is a tribute to *Koevoet* and the legend they created. "Hooper is a careful reporter, but also a born writer; his vivid word-pictures drag you in and hold you. He

skillfully conveys his initially unwelcoming reception by an operational unit; the long, frustrating grind of search operations in punishing terrain and climate; the extraordinary bush skills of the Ovambo policemen; the shock of sudden contact, and its aftermath." Martin Windrow "Jim Hooper's account of South Africa's successful "Ops K" in Namibia against South West Africa's People's Organization guerrillas should be required reading. The classic narrative is as timely today as it was twenty years ago." Charles D. Melson, Chief Historian, U.S. Marine Corps University. "This expanded edition is a skillfully woven mosaic of personal accounts from those involved and what he experienced during combat with *Koevoet*. The use of new material from those he rode with lays bare the realities of war, the fears and emotions that ebb and flow in the heat of combat, and the courage one finds to bring the battle to the enemy" Piet Nortje, Author of *32 Battalion* "*Koevoet* describes in great detail the men, both black and white, and their mine-protected cross-country vehicles which were years ahead of anything in use by other western forces, the dedicated helicopter support units and the tactics used to bring an elusive guerrilla force to battle." Paul French, Author of *Shadows of a Forgotten Past: To the Edge with the Rhodesian SAS and Selous Scouts*.

Women and Justice Eburon Uitgeverij B.V.

Henri-Paul Pellaprat and Jeremiah Tower, master chefs of the nineteenth and twentieth centuries, have created a reference cookbook that will shape great chefs and great cooking in the twenty-first century. The English language edition of Pellaprat's landmark cookbook, *L'Art Culinair Moderne*, when first published by Vendome in 1982, was hailed as "the most comprehensive, authoritative, and up-to-date book on French cooking and gastronomy ever written." Now, after a complete revision and updating by the James Beard award-winning chef Jeremiah Tower, Pellaprat's legendary recipes are again available in a handsome and accessible new edition. Henri-Paul Pellaprat was the first chef to give the vast subject of French cuisine a logical and comprehensive underpinning by offering a complete education in the four basic subdivisions of French cooking, la haute cuisine, la cuisine bourgeoise, la cuisine régionale, and la cuisine impromptue, the inspired cooking that creates memorable dishes with easily available ingredients. Pellaprat and Tower have selected 2,000 recipes covering every aspect of gastronomy from sauces, soups, fish, grillades, and salads, to soufflés, cakes, and traditional French desserts. This new edition includes more than 600 easy-to-follow techniques and timesaving tips, and a complete lexicon of French cooking terms. Unparalleled in its scope and the authenticity of its information, *The Great Book of French Cuisine* remains a definitive work, the perfect reference for both amateurs and professional chefs, to be treasured and consulted throughout a lifetime of cooking.
