M.T. Anderson: Exclusive Candlewick Press Sampler Random House Digital, Inc.

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble. Stay with Me Candlewick Press National Book Award Winner! This deeply provocative novel reimagines the

past as an eerie place that has startling resonance for readers today. It sounds like a fairy tale. He is a boy dressed in silks and white wigs and given the finest of classical educations. Raised by a group of rational philosophers known only by numbers, the boy and his mother — a princess in exile from a faraway land — are the only persons in their household assigned names. As the boy's regal mother, Cassiopeia, entertains the house scholars with her beauty and wit, young Octavian begins to question the purpose behind his guardians' fanatical studies. Only after he dares to open a forbidden door does he learn the hideous nature of their experiments — and his own chilling role in them. Set against the disquiet of Revolutionary Boston, M. T. Anderson's extraordinary novel takes

place at a time when American Patriots rioted and battled to win liberty while African slaves were entreated to risk their lives for a freedom they would never claim. The first of two parts, this deeply provocative novel reimagines the past as an eerie place that has startling resonance for readers today.

Superbugs Penguin

At a new school where no one knows him, Cody Lee Carson has resolved to become cool—but as it turns out, that may be harder than he thought Cody Lee Carson is a changed man. When his parents move him to Benton, Oregon, for

his fifth grade year, Cody is determined to stop being his boring, bozo-brained old self and start being the supercool, supersmart, superawesome guy he knows he can be—especially since no one in Benton knows about the incident in fourth grade when his pants fell down during a school play and everyone saw his Tweety Bird underwear. And Cody's plan works! His new teacher loves him, he gets in the top reading group, and the prettiest girl in class wants to be his friend. It seems like everything is going Cody's way. But when the old, bozo-brained Cody starts slipping out, will he lose everything he's worked for? Becoming cool was easy, but staying cool is a little more difficult.

49 Rules for Writing a Stupendously Awesome Novel That You Will Love

Forever Houghton Mifflin Harcourt
Author and former literary agent Nathan Bransford shares his secrets for creating killer plots, fleshing out your first ideas, crafting compelling characters, and staying sane in the process. Read the guide that New York Times bestselling author Ransom Riggs called "The best how-to-write-a-novel book I've read."
Retribution Rails Simon and Schuster
Now a Streaming Series! Blake Crouch's Recursion meets Mad Max and The Girl with All the Gifts in this startling and timely debut that explores what it is to be human and what it truly means to be connected in the digital age. The Feed is accessible everywhere, by everyone, at any time. It instantaneously links us to all information and global events as they break. Every interaction, every emotion,

every image can be shared through it; it is the essential tool everyone relies on to know and understand the thoughts and feelings of partners, parents, friends, children, colleagues, bosses, employees . . . in fact, of anyone and everyone else in the world. Tom and Kate use the Feed, but Tom has resisted its addiction, which makes him suspect to his family. After all, his father created it. But that opposition to constant connection serves Tom and Kate well when the Feed collapses after a horrific tragedy shatters the world as they know it. The Feed's collapse, taking modern society with it, leaves people scavenging to survive. Finding food is truly a matter of life and death. Minor ailments, previously treatable, now kill. And while the collapse has demolished the trappings of

the modern world, it has also eroded trust. In a world where survival of the fittest is a way of life, there is no one to depend upon except yourself . . . and maybe even that is no longer true. Tom and Kate have managed to protect themselves and their family. But then their six-year-old daughter, Bea, goes missing. Who has taken her? How do you begin to look for someone in a world without technology? And what happens when you can no longer even be certain that the people you love are really who they claim to be?

Brave New Teenagers Routledge
Nick Hornby's second bestselling novel is about sex, manliness and fatherhood. Will is thirty-six, comfortable and child-free. And he's discovered a brilliant new way of meeting women - through single-

parent groups. Marcus is twelve and a little bit nerdish: he's got the kind of mother who made him listen to Joni Mitchell rather than Nirvana. Perhaps they can help each other out a little bit, and both can start to act their age.

Dustborn Feed

Out-of-this-world antics in this hysterical middle-grade adventure! Sixth-grader Jacob Wonderbar is a master when it comes to disarming and annihilating substitute teachers. But when he and his best friends, Sarah and Dexter, swap a spaceship for a corn dog, they embark on an outer space adventure. And between breaking the universe with an epic explosion, being kidnapped by a space pirate, and surviving a planet that reeks of burp breath, Jacob and his friends are in way over their heads.

Action packed with an added dose of heart, *Jacob Wonderbar and the Cosmic Space Kapow* is sure to captivate middlegrade readers all over the universe.

****THE BOOK THAT INSPIRED SACRED LIES, NOW STREAMING ON FACEBOOK WATCH**** A Morris Award finalist and Golden Kite Honor Book! A hard-hitting and hopeful story about the dangers of blind faith—and the power of having faith in yourself. The Kevinian cult has taken everything from seventeen-year-old Minnow: twelve years of her life, her family, her ability to trust. And when she rebelled, they took away her hands, too. Now their Prophet has been murdered and their camp set aflame, and it's clear that Minnow knows something—but she's not talking. As she languishes in juvenile detention, she struggles to unlearn everything she has been taught to believe, adjusting to a life behind bars and recounting the events that led up to

her incarceration. But when an FBI detective approaches her about making a deal, Minnow sees she can have the freedom she always dreamed of—if she's willing to part with the terrible secrets of her past. Gorgeously written, breathlessly page-turning and sprinkled with moments of unexpected humor, this harrowing debut is perfect for readers of Emily Murdoch's *If You Find Me* and Nova Ren Suma's *The Walls Around Us*, as well as for fans of *Orange Is the New Black*.

The Pox Party HMH Books For Young Readers

International Bestseller "An amazing, informative book that changes our perspective on medicine, microbes and our future." --Siddhartha Mukherjee, MD, New York Times bestselling author of *The Emperor of All Maladies* A New York

Times bestselling author shares this exhilarating story of cutting-edge science and the race against the clock to find new treatments in the fight against the antibiotic-resistant bacteria known as superbugs. Physician, researcher, and ethics professor Matt McCarthy is on the front lines of a groundbreaking clinical trial testing a new antibiotic to fight lethal superbugs, bacteria that have built up resistance to the life-saving drugs in our rapidly dwindling arsenal. This trial serves as the backdrop for the compulsively readable *Superbugs*, and the results will impact nothing less than the future of humanity. Dr. McCarthy explores the history of bacteria and antibiotics, from Alexander Fleming's discovery of penicillin, to obscure sources of innovative new medicines

(often found in soil samples), to the cutting-edge DNA manipulation known as CRISPR, bringing to light how we arrived at this juncture of both incredible breakthrough and extreme vulnerability. We also meet the patients whose lives are hanging in the balance, from Remy, a teenager with a dangerous and rare infection, to Donny, a retired New York City firefighter with a compromised immune system, and many more. The proverbial ticking clock will keep readers on the edge of their seats. Can Dr. McCarthy save the lives of his patients infected with the deadly bacteria, who have otherwise lost all hope?

Rebel Faerie Simon and Schuster
The Secret Garden meets Miss Peregrine's Home for Peculiar Children in this rich, charming middle grade

adventure about a girl determined to infiltrate her grandmother's enchanted garden with the help of some magically gifted friends. Mallory Estate is the last place twelve-year-old Piper Peavey wants to spend her summer vacation. The grounds are always cold, the garden out back is dead, a mysterious group of children call the property home, and there's a rumor that Melena M. Mallory—the owner of the estate and Piper's wealthy grandmother—is a witch. But when Piper's father falls ill, Mallory Estate is exactly where she finds herself. The grand house and its garden hold many secrets—some of which may even save her father—and Piper will need to believe in herself, her new friends, and magic if she wants to unlock them before it's too late.

How to Write a Novel Penguin

In this biography, the man who would later compose some of the world's most beautiful music is shown to have once been a stubborn little boy with a mind of his own.

An Atlantis-like city from Celtic legend is

the setting of *The Daughters of Ys*, a mythical graphic novel fantasy from National Book Award winner M. T. Anderson and artist Jo Rioux. *Ys*, city of wealth and wonder, has a history of dark secrets. Queen Malgven used magic to raise the great walls that keep Ys safe from the tumultuous sea. But after the queen's inexplicable death, her daughters drift apart. Rozenn, the heir to the throne, spends her time on the moors communing with wild animals, while Dahut, the youngest, enjoys the splendors of royal life and is eager to take part in palace intrigue. When Rozenn and Dahut's bond is irrevocably changed, the fate of Ys is sealed, exposing the monsters that lurk in plain view. M. T. Anderson and Jo Rioux reimagine this classic Breton folktale of

love, loss, and rebirth, revealing the secrets that lie beneath the surface.

Whales on Stilts! Candlewick Press

The Sacred Lies of Minnow Bly

Independently Published

A 2019 Michael L. Printz Award Honor Book A dark, twisted, unforgettable fairy tale from Elana K. Arnold, author of the National Book Award finalist *What Girls Are Made Of*. The rite has existed for as long as anyone can remember: When the king dies, his son the prince must venture out into the gray lands, slay a fierce dragon, and rescue a damsel to be his bride. This is the way things have always been. When Ama wakes in the arms of Prince Emory, she knows none of this. She has no memory of what came

before she was captured by the dragon or what horrors she faced in its lair. She knows only this handsome young man, the story he tells of her rescue, and her destiny of sitting on a throne beside him. It's all like a dream, like something from a fairy tale. As Ama follows Emory to the kingdom of Harding, however, she discovers that not all is as it seems. There is more to the legends of the dragons and the damsels than anyone knows, and the greatest threats may not be behind her, but around her, now, and closing in.
