The three mock examinations provide ample opportunity for realistic exam rehearsal, with the advantage of fully explained answers and marking guides.

Asian Capitalism and the Regulation of Competition Cambridge University Press

Laytime and Demurrage is the leading authority for all queries pertaining to this vital aspect of maritime law. It has continued to offer reliable, authoritative, and in-depth analysis since the first edition published in 1986. Praised for its unrivalled coverage and lucid writing style, this book provides a comprehensive overview of all aspects of laytime and demurrage, tracing the development of the law from its origins in the nineteenth century right up to the present day. The author delivers an in-depth analysis of both fixed and customary laytime clauses, the rules relating to commencement of laytime in berth, dock and port charters, and discusses under which circumstances laytime can be suspended. Furthermore, it analyses demurrage rules and vital issues such as despatch, detention and frustration. This seventh edition includes all key judicial and arbitral decisions reported since the sixth edition published in 2011. It also covers suffixes in connection with laytime measured in terms of Working days and Weather Working Days, and disputes arising from tender of NORs at the end of the sea passage. Laytime and Demurrage is an invaluable guide for both legal practitioners and maritime professionals worldwide, including commodity traders and brokers, shipping companies, P&I Clubs, shipowners, charterers, and arbitrators.

ACCA P1 Governance, Risk and Ethics BPP Learning Media

FIA Business and Technology FBT (ACCA F1) BPP Learning Media

Financial Accounting and Reporting is the most up to date text on the market. Now fully updated in its fourteenth edition, it includes extensive coverage of International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS). This market-leading text offers students a clear,

well-structured and comprehensive treatment of the subject. Supported by illustrations and exercises, the book provides a strong balance of theoretical and conceptual coverage. Students using this book will gain the knowledge and skills to help them apply current standards, and critically appraise the underlying concepts and financial reporting methods.

Gatley on Libel and Slander BPP Publishing

As Graeme Williams states 'readers of John Milton and Beatrix Potter will know, reading about bad characters tends to be much more fun than reading about good ones. I confess to thinking that Paradise Lost and the Tales of Mr Tod, and of Two Bad Mice are all more entertaining to read than Paradise Regained or the Flopsy Bunnies and I have found that the same is true about writing about judges.' While there are plenty of books about Good English Judges: indeed their 'goodness' may well have been one of their authors' main reasons for writing them, there is as yet no book specifically about Bad Judges in this country, though there are quite a few in the United States. No doubt there are a number of reasons for this: the law of libel, within its limits, protects the living, and the old maxim 'de mortuis nil nisi bonum' may protect the dead, at least for a decent interval 'post mortem'. In recent times there have been fewer Bad Judges than in the past, even though there are now more judges, at every level, than there were fifty years ago. The position today is no doubt the result of our modern, and on the whole very sensible and worthwhile practice, of appointing 'new' permanent judges only after they have attended judicial training, have sat as a judge in a part-time, temporary judicial post before appointment, and have performed in that capacity well enough to justify long-term judicial office.

FIA Foundations of Financial Accounting - FFA -Kit BPP Learning Media
