Real Life Love Stories of Conscious Relationships Co-Created with the Universe Independently Published  
Discover the secret to manifesting and maintaining the Honeymoon Effect—a state of bliss, passion, energy, and health in the early stages of a great love—throughout your entire life Think back on the most spectacular love affair of your life—the Big One that toppled you head over heels. For most, it was a time of heartfelt bliss, robust health, and abundant energy. Life was so beautiful that you couldn't wait to bound out of bed in the morning to experience more Heaven on Earth. It was the Honeymoon Effect that was to last forever. Unfortunately for most, the Honeymoon Effect is frequently short lived. Imagine what your planetary experience would be like if you could maintain the Honeymoon Effect throughout your whole life. Bruce H. Lipton, Ph.D., best-selling author of *The Biology of Belief*, describes how the Honeymoon Effect was not a chance event or a coincidence, but a personal creation. This book reveals how we manifest the

Honeymoon Effect and the reasons why we lose it. This knowledge empowers readers to create the honeymoon experience again, this time in a way that ensures a happily-ever-after relationship that even a Hollywood producer would love. With authority, eloquence, and an easy-to-read style, Lipton covers the influence of quantum physics (good vibrations), biochemistry (love potions), and psychology (the conscious and subconscious minds) in creating and sustaining juicy loving relationships. He also asserts that if we use the fifty trillion cells that live harmoniously in every healthy human body as a model, we can create not just honeymoon relationships for couples but also a "super organism" called humanity that can heal our planet.

Manifesting Love Real Life Love Stories of Conscious Relationships Co-Created with the Universe In Manifesting Love Dr. Andrea Pennington presents real life love stories of people from various backgrounds and cultures who have dug deep within themselves to find self-love, heal from past trauma, and define what they really want in a romantic relationship. Some have created elaborate rituals and ceremonies to ask the Universe to unite them with their ideal partner. Some have totally surrendered to the process, faithfully opening their heart to true love. While another has used the powerful art of Feng Shui to make her home inviting and inspiring for a new partner. What these stories have in common is how they illustrate common strategies and techniques for manifesting a soul-aligned relationship no matter our age or stage of life. There is great hope and inspiration to be found here. Manifesting Love How to Attract Your Soul Mate with the Law of Attraction This book includes 250 affirmations for manifesting love AND it includes a number of visualization scripts and success stories that will empower you to manifest your soul mate! If you have read my other books you know that I am a firm believer in the fact that the Law of Attraction always responds to persistent, committed action. It does so because it is a spiritual law that responds to human belief in the same way that the laws of nature respond to all who use them. And being a spiritual law, it works for everyone in the same way no matter how young or old a person is, or how rich or poor. Daily, committed action is the single factor that will determine your success with the Law of Attraction, whether you choose to manifest financial abundance, a

satisfying career, or the love of your life. In fact, the phrase "Law of Attraction" contains the word ACTION, which means that your success with this spiritual power requires you to take committed, daily action by aligning your thoughts, words and feelings to your intention. Once you have transformed your beliefs about what is possible, your desire will show up in your life. Unfortunately, many people on this spiritual path read book after book about the Law of Attraction, yet they fail to take the daily, committed action that will help them manifest their desires. My goal is that you succeed with your intention to manifest true and lasting love, so I wrote this book as a clear guide that will provide you with easy-to-use, practical tools that will help you manifest your soul mate. In fact, the information in this book has helped many people attract a soul mate, and it can work for you, too. WHAT THIS BOOK CONTAINS This is not another Law of Attraction book filled with fluff and filler. It's an instruction manual that gets right to the point by explaining exactly what you must do to manifest your soul mate with the Law of Attraction. Using proven metaphysical practices, spiritual insights, and success stories, I explain how you can create your intention and then manifest your soul mate by using the tools of manifestation correctly and consistently. By the time you finish reading this book, you will know exactly what you must do to manifest a loving relationship. PART 1 of this book discusses the creative power of feelings and how you can use them to create the things and conditions you desire. This section also explains how to get clear about what you want by creating an Intention Statement and a list of desirable qualities that reflect your specific desires. PART 2 discusses the

dynamic power of the spoken word and explains how you can use your words to shape your destiny. It also contains a list of 250 spoken affirmations that will enable you to harness the power of the spoken word to manifest the love of your life. PART 3 explains how you can use visualization to manifest your soul mate. It also contains a number of detailed visualization scripts and success stories that will inspire you to use your imagination to create the life of your dreams. PART 4 includes a detailed question and answer section that addresses some of the most important questions that relate to manifesting love. And PART 5 explains how you can implement a Law of Attraction action plan for love and romance.

A Novel Crossway

Script Switching in Roman Egypt studies the hieroglyphic, hieratic, demotic, and Old Coptic manuscripts which evidence the conventions governing script use, the domains of writing those scripts inhabited, and the shift of scripts between those domains, to elucidate the obsolescence of those scripts from their domains during the Roman Period.

Utilising macro-level frameworks from sociolinguistics, the textual culture from four sites is contextualised within the priestly communities of speech, script, and practice that produced them.

Utilising micro-level frameworks from linguistics, both the scripts of the Egyptian writing system written, and the way the orthographic methods fundamental to those scripts changed, are typologised. This study also treats the way in which morphographic and

alphabetic orthographies are deciphered and understood by the reading brain, and how changes in spelling over time both resulted from and responded to dimensions of orthographic depth.

Through a cross-cultural consideration of script obsolescence in Mesoamerica and Mesopotamia and by analogy to language death in speech communities, a model of domain-by-domain shift and obsolescence of the scripts of the Egyptian writing system is proposed.

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me

as a writer and still remains hugely inspirational.” —Kevin Kwan, author of Crazy Rich Asians Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who’s “saying” the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. “To despair was to wish back for something already lost. Or to prolong what was already unbearable.” Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.
