Following on from a consultation paper (Consultation paper 174; ISBN 0117302562) published in January 2004, this report contains proposals for reform of the law regarding the termination of a tenancy during its term, by a landlord, due to the tenant having broken the terms of the tenancy agreement. It sets out, in the form of a draft Bill, a new statutory scheme for the termination of tenancies, including a new concept of 'tenant default', to replace the current law of forfeiture. The proposed scheme would define the circumstances in which a landlord may seek to terminate a tenancy early, require the landlord to warn the tenant of the impending action by giving a written notice, and confers enhanced protection on those with interests deriving out of the tenancy. The report is divided into eight parts with three appendices, and issues considered include: problems with the current law of forfeiture of tenancies and the case for reform; the various components of the proposed scheme, including the concept of tenant default and the stages of a landlord's 'termination claim'; and the role of the court.

The Landlord's Guide to Minnesota Law

addresses every landlord-tenant legal issue that is likely to arise over the

course of a lease. From how to find a

tenant to what to do once they leave, it

is a practical and thorough legal analysis

of what Minnesota landlords need to

know about complying with the relevant

federal, state and local laws. At the end

of each chapter you'll find "Tips from a

Tenant Attorney." These tips offer more

creative advice on how landlords can

solve difficult legal situations or prevent

them from ever occurring. Also included

is our exclusive line-by-line analysis of

the Minnesota State Bar Association's

Model Residential Lease. Instead of

guessing what your lease terms mean,

this guide tells you why each term exists

and how it applies to your situation. This

book was written by practicing attorneys

in Minnesota who work exclusively in

landlord-tenant law. There are dozens of

legal guides available online for

landlords, but none of them focus on

Minnesota statutes and regulations, and

when it comes to landlord-tenant legal

issues, state law is key. Both authors are

currently practicing attorneys with over

25 years of experience in tenant landlord

law, advising over 39,000 renters on

HOME Line's tenant hotline. They also

train a wide variety of audiences in

tenant landlord law, including over 100

trainings to landlord groups throughout

Minnesota.
