Berlitz Cruising & Cruise Ships 2021 (Berlitz Cruise Guide with Free Ebook) Easy Guides

This recognized bible of the cruise industry is a one-stop source for both veteran and novice cruise-goers, packed with everything they need to know to plan the perfect

trip. Internationally celebrated cruise expert Douglas Ward -- president of the Maritime Evaluations Group and veteran of more than 800 cruises -- offers descriptions, information, and recommendations for every imaginable type of ship. Updated annually, the Berlitz Complete Guide to Cruising & Cruise Ships 2001 features reviews of 260 ships -- including more than a dozen new to this edition - and cruise lines; fully updated ship ratings; and facts on giant full-service cruise ships, tall ships with windsails, and specialty cruises, such as coastal river, barge, and nature cruises. Must-know details, from the number of dining facilities to cabin amenities, are presented through comments and

easy-to-use chaffs. This comprehensive guide -- complete with a sample cruise-ship menu and sample cabin diagrams -- also includes expert advice for all ages and interests, with special sections for singles, families, and the physically challenged. Practical information on how to choose a ship, how to book a trip, and what to know before going makes planning the perfect cruise a breeze. With more than 275,000 copies sold since its first publication in 1986, it is no wonder that the Berlitz Complete Guide to Cruising & Cruise Ships is hailed as the definitive cruising guide by the cruise industry and travelers alike. *Selling the Sea* Berlitz Publishing

If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.

[1996 Berlitz Complete Guide to Cruising and Cruise Ships](#) Apa Publications (UK) Limited River Cruising in Europe & the USA A river cruise is

undoubtedly the most civilised way to see the best of a region; you can relax in the comfort of a small vessel as you glide through beautiful towns and spectacular scenery. But how do you choose which cruise company, which kind of rivership, and where to go? This new edition of River Cruising in Europe & the USA will tell you everything you need to know about taking a cruise along the rivers and waterways of both Europe and - for the first time - the USA. Written by cruise expert Douglas Ward, the guide gives you unbiased advice on the different kinds of river vessels and the facilities they offer, helping you to make an informed choice. We take you on a journey along Europe's rivers and waterways, describing the highlights along the way - the historic cities and majestic scenery of the Danube, the castles of the romantic Rhine, and much more. This is followed by a brand new section on cruising the USA's rivers from the Mississippi to the Columbia and Snake, with detailed information on steamboats and the unique aspects of American river cruising. Also included are listings for over 300 river vessels,

which are impartially rated, so that you can easily compare ships. - Unique product - this is the only full-colour guide to both European and American river cruising available - Detailed listings of over 300 riverships - Full-colour photography and mapping throughout

Frommer's EasyGuide to River Cruising is the first book on the market to cover this wildly popular vacation activity. The book contains opinionated, no-holds-barred reviews of all of the major, and many of the smaller, river cruise lines (including specific reviews of their varying ship classes). These include advice on which boats offer the best value, which are best for luxury seekers, which will do the trick for foodies, which have high tech amenities, and which don't. One

chapter is only on booking: where can one find discounts, why one should use a travel agent, what's the timing for reserving your cruise and more. In addition, the book will aid cruisers trying to choose the right river to sail, in chapters that span the globe. What are the highlights of the Amazon, the Irawaddy (in Myanmar), the Mississippi, the Nile, the Seine, the Volga or the Upper Danube (to name just a few)? The book answers these questions and many others, discussing what are the best shore excursions along all the major waterways of the world; what are the most rewarding destinations to add on, either before or after a cruise; and what are the most fun off-the-beaten-path activities and *Frommer's Caribbean* Fodor's Travel

In *Cruise Confidential*, Brian David Bruns spills the dirt — or in this case, the dirty water — on those romantic, fun-filled vacations at sea. His hilarious chronicle of the year he spent working for Carnival Cruise Lines takes readers down into the areas where the crew works and lives, leaving readers gasping with laughter as they're assaulted nonstop with

events that range from the absurd to the utterly bizarre. Stewards fighting over food. Cutlery allowances and other nonsensical rules. What the crew calls those onboard (no, it's not "passengers"). And of course, the sex. An abundance of ready, willing, and able bodies eager for action on a vessel replete with nooks and crannies leads to love in some mighty strange, and seemingly impossible, places. Breezy, entertaining, and informative, *Cruise Confidential* is essential reading for those planning a cruise or for anyone who just needs a good laugh.

Ocean Fleets is the new name for what was originally intended to be the 18th edition of *Ocean Ships*, a series that has charted the changing European Shipping Scene for over 50 years. The new book is again in two sections, the first providing details of the major cruise ships operating world-wide and the second, the fleets of major shipping companies operating deep-sea routes to major European ports.

As previously, IMO numbers, expanded vessel descriptions and cargo capacities have been retained.
