But while the year is filled with mystical dates, we don't always know when and how to celebrate them. By knowing and preparing for these special days we can use their inherent power to change our lives. *Daily Magic* is a perpetual calendar

focused on days of spiritual and magical significance. April 30th for example, is perfect for spellcasting—especially spells for love, romance, fertility, and prosperity. Illes offers guidance on when to perform a spell—whether it's best to conjure now or to wait for a special power date later in the year. *Daily Magic* is a spiritual daily calendar that give us the power and the tools we need to take control of our destiny!
