Travel back in time with Doctor Who, the Terminator, the X-Men, and all your favorite time travelers! Science fiction is the perfect window into the possibilities and perils of time travel. What would happen if you went back in time and killed your own grandparent? If you knew how to stop a presidential assassination, would time travel allow you to make your wish come true? Can we use time travel as a tool to escape the destiny of our future or mistakes of the past? The Science of Time Travel explores time travel through your favorite science-fiction franchises, from the classic time travel paradoxes of Star Trek to the universe-crossing shenanigans of Doctor Who. Discover the real science behind questions such as: Can time travel really erase our past regrets like in A Christmas Carol? Is it worth killing people in the past to prevent a horrible future like in Terminator? What can we learn from living the same day over and over again like in Groundhog Day? Could time travel destroy our right to privacy like in Deja Vu? And so much more! It's time to fire up the DeLorean to 88 mph, jump into the TARDIS hiding in plain sight, or warp space with the USS Enterprise to explore what time travel means for us.

Time and the literary: the immediacy of information technology has supposedly annihilated both. Email, cell phones, satellite broadcasting seem to have ended the long-standing tradition of encoding our experience of time through writing. Paul de Man's seminal essay "Literary History and Literary Modernity" and newly commissioned essays on everything from the human genome to grammatical tenses argue, however that the literary constantly reconstructs our understanding of time. From eleventh-century France or a science-fiction future, Time and the Literary shows how these two concepts have been and will continue to influence each other.

Midnight Mystique ABC-CLIO

The forceful music that rolled out of Muscle Shoals in the 1960s and 1970s shaped hits by everyone from Wilson Pickett and Aretha Franklin to the Rolling Stones and Paul Simon. Christopher M. Reali's in-depth look at the fabled musical hotbed examines the events and factors that gave the Muscle Shoals sound such a potent cultural power. Many artists trekked to FAME Studios and Muscle Shoals Sound in search of the sound of authentic southern Black music--and at times expressed shock at the mostly white studio musicians waiting to play it for them. Others hoped to draw on the hitmaking production process that defined the scene. Reali also chronicles the overlooked history of Muscle Shoals's impact on country music and describes the region's recent transformation into a tourism destination. Multifaceted and informed, Music and Mystique in Muscle Shoals reveals the people, place, and events behind one of the most legendary recording scenes in American history.

A Time for Heroes DigiCat

A definitive collection of time-travel stories from more than a century of literature features pieces by such leading authors as Douglas Adams, Isaac Asimov and Ray Bradbury and is complemented by a selection of informative nonfiction articles, including Charles Yu's "Top Ten Tips For Time Travelers."

The Putin Mystique Basic Books

In 1963, Betty Friedan unleashed a storm of controversy with her bestselling book, The Feminine Mystique. Hundreds of women wrote to her to say that the book had transformed, even saved, their lives. Nearly half a century later, many women still recall where they were when they first read it. In A Strange Stirring, historian Stephanie Coontz examines the dawn of the 1960s, when the sexual revolution had barely begun, newspapers advertised for "perky, attractive gal typists," but married women were told to stay home, and husbands controlled almost every aspect of family life. Based on exhaustive research and interviews, and challenging both conservative and liberal myths about Friedan, A Strange Stirring brilliantly illuminates how a generation of women came to realize that their dissatisfaction with domestic life didn't't reflect their personal weakness but rather a social and political injustice.

All Woman Macmillan

"If you've never read it, read it now."—Arianna Huffington, O, The Oprah Magazine Landmark, groundbreaking, classic—these adjectives barely do justice to the pioneering vision and lasting impact of The Feminine Mystique. Published in 1963, it gave a pitch-perfect description of “the problem that has no name”: the insidious beliefs and institutions that undermined women’s confidence in their intellectual capabilities and kept them in the home. Writing in a time when the average woman first married in her teens and 60 percent of women students dropped out of college to marry, Betty Friedan captured the frustrations and thwarted ambitions of a generation and showed women how they could reclaim their lives. Part social chronicle, part manifesto, The Feminine Mystique is filled with fascinating anecdotes and interviews as well as insights that continue to inspire. This 50th-anniversary edition features an afterword by best-selling author Anna Quindlen as well as a new introduction by Gail Collins.

The Career Mystique Dafina Young Adult

Secrets and lies kept Ally and Jonah apart. Now he’s back with a confession that could change the way she feels—or cost him everything. Jonah McCabe has no time for love. As one of L.A.’s hottest record producers, his long days and short nights keep his schedule full and his bed empty. When his current project leads him home to Savannah, a last-minute favor forces him to face his past. He never expected to run into Ally. He sure as hell didn't plan to win her back. Ally Jacobs worked her ass off to get her new promotion. She had no clue it would require her to return to Savannah, the place she was desperate to leave six years ago. Time away hasn't helped her forget Jonah. Though she claims she’s over him, a girls’ night out brings them face to face. Ally vows to keep Jonah at a safe distance, but his southern charm draws her back into his world. When Ally feels her resistance faltering, she must decide if Jonah is worth getting her heart broken again. He isn’t making it easy. Jonah refuses to back down until Ally knows the truth, but it could be the one thing that breaks her. Can the past change the future? Find out in Only in Time, the Prequel to the Touched by Magic Series, a steamy, second-chance, rock star romance.

War makes heroes of men, but at what price? As the twentieth century dawns, Guv Sutro, against his father's will, becomes a pioneer of aviation, a fighter ace on the Western Front during the Great War and a record-breaker between the wars. From his first flight in a primitive glider over the fields of Sussex, helped by the dogged loyalty of his friend Stan Kemp, he charts his ruthless course to fame and adulation. But with the outbreak of World War Two 'the best of Old England' begins to crumble. Guv's son Tim is fighting a more covert war, desperate to shed the burden of his father's reputation, while Tim's childhood companion Will Kemp, the son Guv felt he deserved, is fighting heroically, against overwhelming odds, as a Spitfire pilot. The fates of the men are bound together in the monumental ambitions and terrible tragedies of an age of heroes.

Dakota needs help. Badly. The last thing she expects is for the Bad Boy of Eternal Eros to step in, sweep her off her feet, and offer his protection. Maybe she accepts because they were matched up at the last singles night. Maybe it was the scorching passion she experienced at his skilled hands. Maybe it’s the way he dotes on her daughter. All she knows is that the more the lines between reality and fantasy blur, the harder it will be to let him go. The more time he spends posing as her fake fiancé, the more she realizes she’s no longer faking her feelings. With every touch, every kiss, every heated glance, she realizes she wants more than one night. She wants the scarred bad boy’s heart to be hers for all time.

There are no paradoxes in time, only looped back versions of history we call alternate realities. Under the sands of Egypt and near the Sphinx, two amateur archeologists make a most unexpected find. Instead of a Pharaohs tomb, they uncover an ancient, dust-choked room filled with books, computers and modern equipment. The tomb is least five thousand years old. Slowly, the young spelunkers unravel the mystery of the apparent paradox. They also discover a working Time Machine. Time itself has taken an alternate course. The powerful European Trade Confederation bullies a depressed, non-nuclear United States. The British Empire controls their colonial possessions with an iron fist. Time for the young discoverers is running out. Global events are slowly colliding where retaining the secret of their discovery is almost impossible. A race develops to get the secrets of time travel out of the country.

Not A Good Look iUniverse

A tantalizing tale of a legendary knight and a headstrong lady whose daring quest for a mysterious crystal will draw them into a whirlwind of treachery—and desire. When the fearsome knight called Hugh the Relentless swept into Lingwood Manor like a storm, everyone cowered—except Lady Alice. Sharp-tongued and unrepentant, the flame haired beauty believed Sir Hugh was not someone to dread but the answer to her dreams. She knew he had come for the dazzling green crystal, knew he would be displeased to find that it was no longer in her possession. Yet Alice had a proposition for the dark and forbidding knight: In return for a dowry that would free Alice and her brother from their uncle's grasp, she would lend her powers of detection to his warrior's skills and together they would recover his treasured stone. But even as Hugh accepted her terms, he added a condition of his own: Lady Alice must agree to a temporary betrothal—one that would soon draw her deep into Hugh's great stone fortress, and into a battle that could threaten their lives...and their only chance at love.

From beyond the boundaries of infinity and the vastness of immortal consciousness, a prophecy had been conceived within the majestic expanse of the unbound universe. As a result, the Mystique have sprung from the womb of Mother Earth like the phoenix rising up from the still burning embers of "The Desert of Reality." Upon the death of his beloved Cortessa, Demonno was literally drove beyond the brink of insanity, and throughout the ageless millenniums, he had taken it upon himself to single-handedly wipe his own species off the face of the planet. Violet, nearly the last living Mystique in existence, has finally come upon the end of her inevitable journey. Despite the destruction of her species, bitter betrayals, and malignant diversities, Violet has still managed to fulfill a prophecy that is perhaps as ancient as the universe herself. Violet must ultimately pass Samantha Jean Doven--the mothering host of a new breed of Mystique--the proverbial scepter to continue the self-sacrificing journey that she cannot continue. However, in the aftermath of Demonno's reign of terror, he continues his contaminated trail of destruction and will stop at absolutely nothing to finish what he has started and destroy all Mystiques, along with anything or anyone, who is unfortunate enough to cross his path. Samantha must stop this insane beast of hatred and rage and save humankind not only from themselves but Demonno as well. Samantha must find the strength within to carry the Mystique and humankind alike into a new age and a new millennium, because a new time and existence is about to begin. What is life? Life is the decisions we choose to make woven among our destiny and, in the end, all is as it should be.
