MARSHALL AMIYA

Equally Wed Harper Collins

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

"The marriage union is the closest relationship that can exist between two human beings. When a man and woman decide to join together in marriage, they should do so with full realization of their responsibilities. Marriage is serious business. When two born-again believers know it is God's will for them to marry, they come together before God, a minister and witnesses to join their hearts and lives. They make a public profession of their mutual love and devotion, pronouncing vows and pledging their lives to each other. As they pronounce the marriage vows in faith, the power of God goes into operation and a miracle takes place. They are united by God and become as one in His sight. Their union is threefold: They are joined together spiritually by God, legally by the contract they enter into and physically, when the marriage is consummated. A husband and wife are joined together as Jesus is joined to the Church. It is a miraculous union. This booklet contains the wedding ceremony that I use as a minister of God. It is based totally and completely on the Word of God. As you use this ceremony, I add my faith to yours in believing God for lives of love and harmony for the couples you minister to, in Jesus' name." Kenneth Copeland

The Plague Year Kay Burn

Perhaps due to my age—or maybe due to my everyday effort to raise my children—I began to realize the beauty and expectations

of the verse John 3:16. Of course, I have always counted myself fortunate to be a Christian through the work of missionaries in the village where I grew up. I know God loves me and cares for me. But it had never really occurred to me how great that love is—how much I mean to him. He actually wishes more for me than I could ever truly imagine. My everyday walks and talks with children, personally and professionally, have opened a tiny window into the depth and scope of how much God loves me and wishes for me and for all Christians. A primary purpose of this book is to share the lessons learned in those walks and talks.
