Authored by members of the American Heart Association's Clinical Cardiology Council, The AHA Clinical Cardiac Consult, Second Edition is the perfect source of fast, reliable guidance on diagnosis and management of both common and rare cardiovascular problems. It covers more than 160 problems, diseases, syndromes, and chief complaints in the popular, easy-to-read, two-page 5-Minute Consult format. This thoroughly updated edition incorporates current American Heart Association and American College of Cardiology guidelines. New topics covered include cardiovascular preventive care (primary and secondary prevention); metabolic syndrome; sexual dysfunction and the heart; and stem cells and the heart. A revised appendix contains relevant Web addresses.

Curating Live Arts Pendulum Press

Situated at the crossroads of performance practice, museology, and cultural studies, live arts curation has grown in recent years to become a vibrant interdisciplinary project and a genuine global phenomenon. Curating Live Arts brings together bold and innovative essays from an international group of theorist-practitioners to pose vital questions, propose future visions, and survey the landscape of this rapidly evolving discipline. Reflecting the field's characteristic eclecticism, the writings assembled here offer practical and insightful investigations into the curation of theatre, dance, sound

art, music, and other performance forms—not only in museums, but in community, site-specific, and time-based contexts, placing it at the forefront of contemporary dialogue and discourse.
