Presenting the stories of Zeus and Europa, Theseus and Ariadne, the birth of Athens and the fall of Troy, in all their variants, Calasso also uncovers the distant origins of secrets and tragedy, virginity, and rape. "A perfect work like no other. (Calasso) has re-created . . . the morning of our world."--Gore Vidal. 15 engravings.

Modernité et ruralité dans la littérature occitane contemporaine. Gardy. Philippe4070.

Dictionnaire historique de la Corse K G Saur Verlag Gmbh & Company

L'auteur revient sur les caractéristiques historiques et sociologiques de la société corse contemporaine et fait le point sur les idées préconçues concernant l'île : la violence, la loi des clans, l'idée d'une nation corse indépendante. Avec la construction européenne, la Corse est confrontée à un nouveau débat démocratique.

A noted Italian archaeologist describes Sicilian culture from Palaeolithic times to the arrival of Greek colonists in the 8th century B. C.

Revue française d'études méditerranéennes Walter de Gruyter

Brief Lives (1669-1697) is a collection of short biographical sketches on famous British figures by author, antiquarian, and archaeologist John Aubrey. The work is significant for its unique style, a blend of facts—names, dates, family, important works—and personal anecdotes for which Aubrey combined his skills for research and conversation to compile. Unpublished during his lifetime, the text was pieced together from extensive handwritten manuscripts by numerous editors and scholars, and over the centuries has become a beloved cultural artifact of early-modern Britain. A fascinating figure and gifted researcher in his own right, John Aubrey sought to capture the significance of his era and the people whose contributions to art, politics, science, and philosophy were not only changing Britain, but the world, forever. As a historical record, his Brief Lives provides

valuable information on such figures as poet John Milton, playwright William Shakespeare, philosopher Thomas Hobbes, and chemist Robert Boyle. But as a work of art, the text humanizes them, reminding its readers that these were people whose desires, imperfections, and day-to-day lives were not unlike our own. We turn to his works to discover that Sir Walter Raleigh was a "poor" scholar "immerst...in fabrication of his owne fortunes," or to read that Shakespeare, the son of a butcher who worked for his father as a youth, was known to "make a speech" while slaughtering a calf. At times straightforwardly factual, at others filled with gossip, Brief Lives is a document of its time that attempts to record a living history of knowledge and influence. Whether it succeeds is beside the point—that it speaks to us centuries on is the heart of the matter, the reason it must be read. A well-known man in his lifetime, Aubrey moved between cultural and political circles with ease, compiling the sources that would later become Brief Lives. Although a tireless writer and scholar, he published little during his life. His work, including Brief Lives, is thus the product of centuries of diligent research and editing from numerous scholars who understood, as the reader of this volume surely will, that Aubrey's work deserved to reach the public. With a beautifully designed cover and professionally typeset manuscript, this edition of John Aubrey's Brief Lives is a classic of British literature and biography reimagined for modern readers.

Das LRL (8 Bände mit Halbbänden, 1988-2005) beschreibt zum ersten Mal in einem einzigen, einheitlich konzipierten Werk ausführlich alle romanischen Sprachen, ihre Dialekte und die von ihnen abgeleiteten Kreolsprachen in der Gesamtheit ihrer Aspekte: Darstellung des Sprachsystems in Gegenwart und Geschichte, Funktionieren des Systems in den Texten und in der Gesellschaft. Hinzu kommen die historisch-vergleichenden, die kontrastiven und die sprachtypologischen, also einzelsprachenübergreifenden Beschreibungen, die für das Verständnis des Faches Romanistik, aber auch für die Allgemeine Sprachwissenschaft und die Anthropologie und die Ethnologie von besonderer Bedeutung sind. Ähnlich fachübergreifende Bedeutung haben die Bände I,1 und I,2 mit der Darstellung vergangener und heutiger sprachwissenschaftlicher Methoden und der Vorstellung der verschiedenen Bereiche einer Sprache im allgemeinen. Das LRL bietet für jeden einzelnen Bereich eine erste inhaltliche terminologische und bibliographische Orientierung und weist zugleich auf mögliche Themen für weitere Forschungen (insbesondere im jeweiligen Schlußkapitel "Desiderata") hin.

Réalités

Vivid eyewitness accounts from 43 survivors from the Italian army's short-lived and disastrous

campaign on the Eastern Front. Recaptures in the words and sober reflections of the men who fought there the harrowing experience of this lunatic mission in which the Italians suffered roughly 75,000 dead."
