**Absorption and Theatricality** University of Chicago Press

First published anonymously in 1678, Madame de Lafayette is generally believed to be the author behind "The Princess of Cleves". Set between October 1558 and November 1559 at the royal court of Henry II of France, the novel is concerned with Mademoiselle de Chartres, a sheltered heiress who is brought to the court by her mother to find her a proper husband. This soon to be princess will find herself caught between her duty as a wife and her untimely love for another man. "The Princess of Cleves" is one of the great classics of French literature, known for its remarkable historical accuracy. The novel which is not only highly evocative of a past era marked a major turning point in world literature. Up to then novels had been highly romanticized whereas "The Princess of Cleves" is noted for having a highly realistic plot with deeply introspective characters. This edition is printed on premium acid-free paper.

*The Unique Collection of Engraved Portraits of Thomas Jefferson, Benjamin Franklin, and Gilbert Mottier de La Fayette ...* Gunter Narr Verlag

This engaging account of Franklin's years in Paris and his numerous friendships and romantic conquests there draws on letters written to and from Franklin. Widely praised when it was first published more than twenty years ago, the book provides intriguing insights into eighteenth-century France and the life and the character of America's first ambassador.

*Alexis de Tocqueville* Hatier

An engaging, highly accessible and informative introduction to French literature from the Middle Ages to the present.

**Portraits-Catalog** Taylor Trade Publishing

Darling of the Jazz Age, the globe-trotting diplomat and acclaimed writer Paul Morand and his literary and political careers underwent a radical shift following his collaboration with the Vichy government during the Occupation of France. Abandoning the terse, glittering portraits of the contemporary era that had garnered him early fame, he turned to the past and to historical fiction, biography and autobiography. Paul Morand: The Politics and Practice of Writing in Post-War France, the first full-length study of Morand in English and the first ever of his post-war works, traces Morand's politically charged explorations of history as he obsessively rewrites the Occupation in historical guise. From Napoleonic Spain to the court of Louis XIV, nineteenth-century California, Revolutionary France and Venice across the ages, Morand probes the limits of historiography and genre as he constructs a curiously Benjaminian model of redemption for his collaborationist heroes. This book analyses Morand's post-war project, placing it within the highly-politicized context of writing during the de Gaullean era. Many issues are at stake in Morand's late oeuvre, from the genres of historical fiction, biography and autobiography, to the very act of historicization itself in the context of the post-war era. Morand's handling of these issues suggests that literature furnishes perhaps the best space within which the complex and highly political question of our ties to the past may be most tellingly examined.

*Histoire et fiction dans la «?Vie de la princesse d'Angleterre?» et «?La Princesse de Clèves?» de Mme de La Fayette* Rodopi

Une analyse comparée de la nouvelle de Mme de Lafayette et du film de B. Tavernier : deux oeuvres au programme du bac 2018-2019 de littérature française en Tle L. Orlando, Florida, may be one of the best places to discuss the subject of creation and re-creation of entertainment: the city lives under the shadow of Disney corporation, whose most celebrated re-creations are based on French texts from the 17th century French literature, and in particular Perraults fairy tales. From this perspective, whether we speak of ?reworks behind a princes castle, a morality tale to entertain children and parents alike, or even a theatrical representation that seems to appear from magic, the three hundred years that separate Orlando and Versailles seem to disappear: the parallels between the 17th and 21st centuries are founded on the same drive to enliven and enlighten ones world.

*Catalogue de la collection des portraits français et étrangers* Profile Books

"Il n'y a pas d'avenir pour une passion déclarée. Elle jouit de tous les droits, hormis celui de s'inscrire dans le mouvement historique, désormais contrôlé par d'autres forces. Mais on n'échappe pas à l'Histoire aussi facilement qu'à l'amour, et ce n'est pas n'importe où, dans quelque endroit désert que la princesse conduit sa fuite: c'est dans les Pyrénées, c'est dans une maison religieuse, c'est du côté de Philippe II, de Catherine de Médicis, des horreurs catholiques de l'Inquisition et de la Saint-Barthélemy, de la paix de 1659, de Mme de Maintenon..." Comment l'historique sert-il de faire-valoir au fictif? La "Vie de la princesse d'Angleterre" et "La Princesse de Clèves" se situent entre les mémoires et le roman, c'est-à-dire entre l'Histoire et la fiction, ce qui permet de s'interroger quant aux différentes postures du narrateur et de conclure au rôle fondateur de l'oeuvre de Mme de La Fayette. Si l'un ne se présente plus, l'autre se révèle plutôt méconnu, mais les deux livres concilient tradition et modernité pour dire la vérité des sentiments au travers d'héroïnes qui se ressemblent plus qu'on ne pourrait le croire. De la cour comme dangereux théâtre du monde à la poétique de Mme de La Fayette, via l'analyse du sentiment amoureux, Stéphanie Couturier présente une étude littéraire aussi riche que fascinante, entre page d'histoire et réflexion sur les genres.

**The Century Illustrated Monthly Magazine** Routledge

Weighing debates over reasons for the inclusion of apparently extraneous narratives in the 1678 novel by Comtesse Marie- Madelaine de Lafayette, the author presents her case that details on historical personages such as Anne Boleyn, Henry VIII, Henri II, and Catherine de Medici were intended to influence readers rather than convey "a sort of sentimental education for the heroine." She relies primarily on French language references, passages she excerpts and translates, the literary information base of early readers, and a 16th-century chronology. Annotation copyrighted by

**Mon Cher Papa** Connaissances et Savoirs

Die vorliegende Bibliographie möchte allen an der französischen Literatur Interessierten einen schnellen Zugriff auf Sekundärliteratur zu französischsprachigen Autorinnen und Autoren bieten. Da der Verfasser 26 Jahre in der Referendarausbildung tätig war, wird es nicht verwundern, wenn ein Schwerpunkt auf Schulautoren wie z. B. Maupassant, Mérimée, Camus, Sartre, Ionesco u.v.a. liegt. Um eine sinnvolle didaktische Analyse zu erstellen, war in der Regel eine eingehende Sachanalyse eben unter Berücksichtigung der entsprechenden Sekundärliteratur Voraussetzung. In den letzten Jahren weitete sich das Spektrum wesentlich aus, so dass Autorinnen und Autoren, bekannte und weniger bekannte, aus allen Epochen der Neuzeit und aus der gesamten Frankophonie berücksichtigt wurden. Um einen ersten, zeitsparenden Zugang zu einzelnen Monographien zu ermöglichen, wird sehr häufig auf Rezensionen hingewiesen. Insgesamt dürfte diese Bibliographie ein sehr nützliches Hilfsmittel für die Literaturrecherche sein, und zwar nicht nur für Französischlehrerinnen und -lehrer, sondern auch für alle, die sich mit französischsprachiger Literatur beschäftigen.

*University of Florida Monographs* New York Review of Books

As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic, Alexis de Tocqueville had a front seat at the revolutionary drama of his time. In 1831 Tocqueville made the famous voyage to the United States which led to his masterpiece, *Democracy in America*, one of the most vital works in the history of democratic thought. 'One of the delights of this remarkable biography is to let its readers see the past as if it were the present, through the eyes of civilised Frenchmen like Tocqueville ... A biography as humane, learned, humorous and perceptive as this extends our knowledge of ourselves and where we came from, as well as painting an incomparable portrait of one of the sharpest and most sympathetic writers of all time' Hilary Spurling, *Observer* A magisterial book by an eminent scholar of both European and American history, this will stand as the standard biography of Tocqueville for years to come.

**Literary Culture and U.S. Imperialism** Walter de Gruyter GmbH & Co KG

This book aims to study the departure and reception of refugees in 19th-century Europe, from the Congress of Vienna to the 1870-1880s. Through eight chapters, it draws on a transnational approach to analyze migratory movements across European borders. The book reviews the chronology of exile and shows how European states welcomed, selected, and expelled refugees. In addition to presenting the point of view of nation-states, it reflects the experience of those migrating. The book addresses departure into exile, captured through the material circumstances of crossing borders in the 19th century, and examines the emergence of new ways to pursue political commitments from abroad. The outcasts are considered in all their diversity, with a prominent place accorded to women and children, many of whom also moved under duress. The book aims to shed light on the forced migrations of Europeans across Europe, while also considering the global dimension, looking at exile to the Americas or the French colonies. A final chapter examines the impossibility or difficulty of returning from exile to one's country of origin, as well as the a posteriori memorial constructs around that crucial experience.

Tous les outils pour comprendre et maîtriser La Princesse de Clèves, au programme du nouveau bac français • Le résumé du roman • Des repères pour la lecture • Des clés pour analyser : - le contexte, - les différents thèmes et procédés, - la visée de l'œuvre...

**The Century** U of Nebraska Press

Now in paperback, an award-winning look at French salons and the women who presided over them In the seventeenth and eighteenth centuries, between the reign of Louis XIII and the Revolution, French aristocratic society developed an art of living based on a refined code of good manners. Conversation, which began as a way of passing time, eventually became the central ritual of social life. In the salons, freed from the rigidity of court life, it was women who dictated the rules and presided over exchanges among socialites, writers, theologians, and statesmen. They contributed decisively to the development of the modern French language, new literary forms, and debates over philosophical and scientific ideas. With a cast of characters both famous and unknown, ranging from the Marquise de Rambouillet to Madame de Sta'l, and including figures like Ninon de Lenclos, the Marquise de Sevigne, and Madame de Lafayette, as well as Pascal, La Rochefoucauld, Diderot, and Voltaire, Benedetta Craveri traces the history of this worldly society that carried the art of sociability to its supreme perfection-and ultimately helped bring on the Revolution that swept it all away.

*French Women Writers* Rookwood Press

This biography of French liberator Marquis de Lafayette (1757-1834) reveals not only how the nineteen-year-old bravely ventured to the infant United States to serve in its War of Independence, but also the iconoclast's enormous contribution to the causes of social and economic justice in France, Italy, Spain, Greece, and Poland. The Marquise (1759-1807), born Adrienne de Noailles, shared the same controversial beliefs as her husband, supporting and defending him wholeheartedly despite ongoing political persecution-including the Marquis's exile in an Austrian dungeon and her own imprisonment (and near-execution) by French radicals. Employing a sweeping, classical feel, and visiting landscapes including the magnificent court at Versailles, the brutal hardship of Valley Forge, and the momentous storming of the Bastille, Lane chronicles and celebrates the couple's passionate yet tumultuous relationship while documenting the birth of America, two French Revolutions, and the Napoleonic era.

**Female Intimacies in Seventeenth-Century French Literature** Copyright Office, Library of Congress

Marie de France, Mme. De Sävignä, and Mme. De Lafayette achieved international reputations during periods when women in other European countries were able to write only letters, translations, religious tracts, and miscellaneous fragments. There were obstacles, but French women writers were more or less sustained and empowered by the French culture. Often unconventional in their personal lives and occupied with careers besides writing—as educators, painters, actresses, preachers, salon hostesses, labor organizers—these women did not wait for Simone de Beauvoir to tell them to make existential choices and have "projects in the world." French Women Writers describes the lives and careers of fifty-two literary figures from the twelfth century to the late twentieth. All the contributors are recognized authorities. Some of their subjects, like Colette and George Sand, are celebrated, and others are just now gaining critical notice. From Christine de Pizan and Marguerite de Navarre to Rachilde and Hä\_l\_ne Cixous, from Louise Labe to Marguerite Duras—these women speak through the centuries to issues of gender, sexuality, and language. French Women Writers now becomes widely available in this Bison Book edition.

*The Princesse de Cleves* Indianapolis : Bobbs-Merrill

John Carlos Rowe, considered one of the most eminent and progressive critics of American literature, has in recent years become instrumental in shaping the path of American studies. His latest book examines literary responses to U.S. imperialism from the late eighteenth century to the 1940s. Interpreting texts by Charles Brockden Brown, Poe, Melville, John Rollin Ridge, Twain, Henry Adams, Stephen Crane, W. E. B Du Bois, John Neihardt, Nick Black Elk, and Zora Neale Hurston, Rowe argues that U.S. literature has a long tradition of responding critically or contributing to our imperialist ventures. Following in the critical footsteps of Richard Slotkin and Edward Said, *Literary Culture and U.S. Imperialism* is particularly innovative in taking account of the public and cultural response to imperialism. In this sense it could not be more relevant to what is happening in the scholarship, and should be vital reading for scholars and students of American literature and culture.

*Profil Oeuvre & parcours - Manon Lescaut (Bac 2023)* Penguin

Available for the first time in English, this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for

exposing the Japanese government's responsibility for these atrocities. The large scale imprisonment and rape of thousands of women, who were euphemistically called "comfort women" by the Japanese military, first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation. Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan, much if it inspired by Yoshimi's investigations. How large a role did the military, and by extension the government, play in setting up and administering these camps? What type of compensation, if any, are the victimized women due? These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war. Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2,000 centers where as many as 200,000 Korean, Filipina, Taiwanese, Indonesian, Burmese, Dutch, Australian, and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel. Many of the women were teenagers, some as young as fourteen. To date, the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women. This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers.

**Gotha français** Hatier

With this widely acclaimed work, Michael Fried revised the way in which eighteenth-century French painting and criticism are viewed and understood. Analyzing paintings produced between 1753 and 1781 and the comments of a number of critics who wrote about them, especially Dennis Diderot, Fried discovers a new emphasis in the art of the time, based not on subject matter or style but on values and effects.

*Profil - Mme de Lafayette, La Princesse de Clèves* Yale University Press

Describes the social and intellectual life of seventeenth-century France, including gossip about the court of King Louis XIV
